*Proceedings of the Madras Government, Political Department,
5th June 1874.*

No. 8. Read the following letter from A. HOWELL, Esq., Officiating Secretary to the Government of India, Home Department (Public), to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort William, 26th May 1874, No. 1498 :—

I am directed to acknowledge the receipt of your letter, No. 172, dated 24th ultimo, submitting further particulars relative to the application for a grant of Rupees 500 per annum in order to keep in repair the tombs of the family of Hyder Ali and Tippoo Sultan at Vellore.

2. Even with the additional information now supplied, the Governor-General in Council regrets that he is unable to comply with the application. The tombs are not the tombs of any person of importance or of the family at their original family seat ; they have no historical interest, and, apparently, no architectural pretensions. A grant of land is already attached to them, and it is understood that some of the living members of the family are very wealthy, and most of them well to do. Under such circumstances it would only seem reasonable that these persons, rather than the Government, should undertake to maintain in repair the tombs of their ancestors seeing that this can be done at comparatively a small cost.

No. 9. ORDER THEREON, 5th June 1874, No. 232.

Communicated to the Collector of North Arcot, with reference to his letter, dated the 20th December 1873, No. 95, and the correspondence to which it relates.
