No. 3 of 1874.

To

His Excellency
The Right Honorable
Lord Hobart
Governor of Madras.

It has long been my earnest wish and desire that none of my successors in the title be empowered to exercise any control over the Members and other dependants of my family. This I have already brought to the notice of Government in my communication to their address No. 7 dated 22nd January 1872. para 11, and which I now beg to confirm.

Letters re late Pr. of Arcot's stipends

2. I beg to represent that Government notwithstanding my position as "Prince of Arcot", a dignity which has been conferred on me & my successors by Her Most gracious Majesty the Queen, have not made

the

the stipends of the immediate family of my father His Highness Nabob Azeemood Dowlah Bahadoor subject to my Seal or Signature and the arrangements are such that these stipendiaries have not the least connection with me..

3. I now respectfully beg to state that it would be desirable to take into consideration any wish that may be expressed by the head of the family (myself) solely with the view of maintaining peace and happiness among it..

4 Under these circumstances — I sincerely trust Your Lordship in Council will be pleased not to withhold your consent to the said proposal referred to above for which I and the other Members of my family will feel most grateful — What more?

(Signed) Azeem Jah.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from
the Govt. Agent at Chepauk
& 22d January 1874. No. 25.

Order thereon. 2d February 1874. No. 43.

The Governor in Council
observes that under date
8 October 1868 the Govt of
India communicated their
approval of the distribution
of the family allowance
of Rs. 150.000 detailed
by the late Prince Azeem
Jah in his letter of 10
August 1868. This dis-
tribution has been re-
peated in the list sub-
mitted with the above
letter - in combination
with the further distribution
detailed

detailed by the Prince in his letter of the 22d January 1872 of the share originally assigned by him to his second Khas daughter Amatullah Hameedut oo Nissa Begum who pre-deceased him.

2. The whole arrangement consequently being in complete accord with the approved wishes of the late Prince will be carried out.

3. In the letter of 22d January 1872 above mentioned, the Prince expressed his anxiety that his sons and daughters should receive their separate shares of the family allowance ~~from the Bank of Madras~~ directly ~~receipts and~~ without the intervention of his successor in the title of Prince

Prince of Arcot, and that the several shares descending hereditarily to the respective sharers shall be disbursed to them on their individual receipts and signatures or seals as the case may be, and not with the intervention or interference of his successors - and in the G.O. of 26 March the Govt. directed that the Prince should be assured that his wishes would meet with all consideration. This request is recalled to mind and practically repeated in the letter of 12th January 1874 now forwarded by the Govt. Agent which is the last expression of the Prince's wishes on the subject, and conveys the last request addressed by him

him to Government. The point was practically conceded when the distribution of the family allowance was approved, and independently of their desire to carry out the wishes of the late Prince, the Govt are satisfied that the measure is absolutely necessary for the maintenance of harmony among the members of the family.

4. His Highness Prince Zahir ood Dowlah will accordingly draw his own monthly stipend of Rs 5,066-10-8 from the Bank of Madras, and similar separate arrangements will be made with the Bank in the case of each of the sons and daughters of the late

late Prince, and in that of Moomtaz oon Nissa Begum, his Nicka Lady of rank. Separate stipend receipts will be issued for the other co-sharers in the family allowance from the office of the Paymaster of Carnatic Stipends; headed and numbered as proposed by the Government Agent - and in the cases of the three Nicka wives of the late Prince of lower rank, whose shares are of small amount, the Govt Agent will ascertain and report the wishes of the family as to the channel of receipt.

with

I think it was decided by the Govt Council that there should be a separate Agent: and that course should appear once in the Govt Order

See note

5. With further reference to the late Prince's letter of 22d January 1872, the Govt. Agent will report on the subject of the guardian to be appointed for the children of Amatullah Hameedut oo nissa Begum to whom their shares are to be disbursed.

6. The principle of succession to be observed in the event of lapses to which the Govt. Agent refers in para 3 of his letter is laid down in the column of Remarks in the Schedule embodied in the Proceedings of Govt. dated 27 April 1868.

7. The Accountant General will give the necessary instructions to the Bank authorities

authorised to pay the stipend of the late Prince Azeem Jah, up to 14 and 20 [illegible] January inclusive, in the usual manner, on the seal of Aziz ool Moolk Bahadoor.

8. The Govt. Agent will communicate the substance of these orders to the family of the late Prince.
