GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following paper:—

From Lieut.-Colonel T. O. UNDERWOOD, Acting Government Agent, Chepák,
to the Acting Chief Secretary to Government, dated Chepák, 27th October
1885, No. 387.

I have the honor to bring the following to the notice of His Excellency the Right Honorable the Governor in Council, viz., that I have received a petition from a servant (aged 80 years) of the late Kulsum Bégam, a Carnatic stipendiary, who was in receipt of a stipend of Rs. 35 per mensem, as the Nikáhi widow of the late Sir Shari-ul-umará Bahadur, K.C.S.I. The stipend of the deceased lady lapsed to Government on her demise, her name not being returned in the list published with G.O., No. 359, dated 22nd May 1885, Political. After her demise, her relatives petitioned the Agency for a continuation from her lapsed stipend, but they were told that their claims could not be recommended to Government under the above G.O., No. 359, dated 22nd May 1885, Political.

2. There is no doubt that it is the duty of people in this life-time to provide for their heirs and relatives that are dependant on them. But this does not apply to servants.

3. The present case could have been met by the old servant in question receiving a ration from the Nawab's Lungarkhanah for Muhammadans, but I am informed officially by the Commissioner of Police, in whose charge it is, that there will be no vacancies there till February 1886.

4. I think if Government would allow forty nominations for the Lungarkhanah to any very aged servants of deceased stipendiaries, the said aged and infirm servants to be nominated by the Government Agent, Chepák, to those whom he may think fit to receive the said charity, that the wants of cases like the one in question might be met without much expense to Government.

5. I have made minute inquiries on the subject, and find forty nominations would only come to Rs. 50 per mensem, which could be met out of the lapsed pensions.

6. The nominations would, of course, only be given to very aged and infirm persons, like the present applicant.

ORDER—dated 7th November 1885, No. 788, Political.

Sir,

I have the honor to bring the following to the notice of His Excellency the Right Honourable the Governor in Counciling that I have received a petition from a servant (aged 80 years) of the late Kilsan Begum Karnatic Stipendiary who was in receipt a Stipend of Rs. 35 -- per mensem the Petitioner was of the late Sir Sharp Unara Bahadur K. C. S. I. The Stipend of the deceased has lapsed to Government on her death her name not being returned in the 1st of 22nd of 1885. After her death her relations continued the Agency for a while but her lapsed Stipend but they were not their claims could not be recommended to Government under the 1st of May 1885 "Political." It is no doubt that it

the age of the person in their life time to provide for their heirs and relatives that are dependant on them. But this does not apply to servants.

The present case could have been met by the old servant question receiving a ration from the Nankai's Lungar Khana for Muhammadans, but I am informed officially by the Commissioner of Police in whose charge it is that there will be no vacancies there till February 1886.

I think if Government would allow 40 nominations for the Lungar Khana to any very aged servants of deceased Stipendiaries (the old aged and infirm servants) to be nominated by the Government Agent Chepa to those whom they may think fit to receive the said charity at the want of cases like to one in question might be met without much expense to Government.

I have made minute inquiries on the subject and find 4 nominations would only come to 50 Rupees per annum which could be met out of the Stipend pension.

The nominations would of course, only be given to very aged and infirm persons like the present applicant.
