From

The Secretary Mahajana Sabha
Malabar

To W. Wilson Esquire
Secretary to Government
Legislative Department

Sir

I have the honor by direction of the Sabha to request you to kindly place this letter before His Excellency the Governor in Council for favourable consideration.

2. From notices in the newspapers the Sabha understands that the proposals made by the late Committee on the Malabar Tenancy Bill have not been accepted in their entirety by Government and that it is now under contemplation to constitute another Committee to reconsider the matter in the light of the remarks made by the honorable the Judges of the High Court.

3. The Sabha has once taken the liberty of representing the fact that as the question of

tenure is one that cannot fail to have
very serious effects affecting the interests of the
Jemmis it is very desirable to allow one of them
to represent those interests in the Committee.

4. The Sabha therefore respectfully approaches His
Excellency in Council with the humble prayer
that one or two whom they may confidently ex-
pect to represent the interests of the Jemmis
may be admitted members of the committee now
constituted.

5. I am in conclusion to state that the Sabha
would humbly take the liberty of suggesting
the names of Messrs K. C. Manavedan Rajah
of the Civil Service and Kunnumbra Rama-
nunni Nair a member of the Local Fund Board
Calicut an intelligent and well educated gentle-
man of considerable experience in the existing
systems of land tenures in Malabar as persons
whom the Jemmis would wish to see appointed
to represent them in the committee. As they are
public servants it is respectfully requested that
the Government might find it convenient to spare
their services for the time required.

I have the honour to be
