To

His Excellency the Right Honorable
the Governor in Council
Fort St George

The humble petition of Jamia
Don Nijra Begum, Micka
daughter of the late Comdr
Ood Doulat Bg, residing
in 2043 Akber saib's street
Triplicane, Madras

Respectfully Sheweth

That Petitioner on the 17th Octo-
ber last, submitted to your Excellency's
Govt a Memorial for transmission to the
Right Honorable the Secretary of State
appealing against the order passed by your
Excellency's Government and the Govern-
ment of India in the matter of the
stipend of Petitioner's late father, and
that Petitioner in a covering letter, re-
quested that the Memorial may be duly
transmitted to its address.

That

That by G.O. dated 12th November 1894 No. 786, on said letter, Petitioner has been informed through the Paymaster, that the Memorial has been with-held in as much as the appeal preferred has been submitted more than 12 months after the date on which Memorialist was informed of the order against which she appeals.

That Petitioner begs respectfully to submit that though more than 12 months may have elapsed since she was informed of the decision of the Government of India, her case falls within and is governed by the first sentence in Rule VII of the Memorial Rules wherein it is provided that "No limit is fixed to the time within which an appeal from an order of the Governments in India may be preferred to the Home Government." Petitioner submits that the last clause of

There are two A Mem. Rules

of the aforesaid rule in which a limit of 12 months has been fixed and which has apparently been applied to the circumstances of Petitioner's case, has reference only to the cases of appeals from Judicial decisions which are taken out of the general rule and provided for exceptionally and as Petr's appeal is not from a "Judicial decision", the rule quoted against her is unapplicable.

Petitioner respectfully submits that the words in Rule VII can bear no other interpretation than that suggested by her alone, for otherwise the opening words of the rule, viz, that no limit is fixed for appeals to the Home Government can have no meaning or significance.

Petr begs also to invite attention to the provisions of Rule XIII of the Memorial Rules whereby power is given

given to the Government of India to withhold Memorials addressed to the Secretary of State, "unless the Memorialists have previously memorialised the Government of India and the Local Governments concerned on the same subject." Petitioner respectfully trusts that as her memorial is practically an appeal to the Secretary of State against the orders of the Government of India, and the Local Government concerned, your Excellency in Council will be pleased to apply the rule prescribed for the guidance of the Govt of India and not withhold transmission of Petitioner's Memorial.

Petitioner humbly trusts that your Excellency in Council will take the facts herein stated into your Excellency's Kind consideration and by a just & liberal interpretation of the conditions of Rules VII & XIII will be pleased to cancel the orders passed in G. O. dated 12th November 1894 No 786, and to direct that Petitioner's Memorial to the Secy of State be duly transmitted to its address.

For which act of justice Petitioner as in duty bound will ever pray
