READ—the following papers:—

From the Political Agent for Pudukkottai, dated 18th December 1893, No. 200-O-1998.

From J. ANDREW, Esq., Political Agent for Pudukkottai, to the Chief Secretary to Government, dated Trichinopoly, 9th March 1894, No. 200-O-396.

With reference to letter dated 20th ultimo, I have the honour to inform you that the genealogical tree is correct, and, as regards the members of the Tondiman family on the reverse, I may mention that it is also correct though perhaps not exhaustive.

2. In my previous list I omitted the members of the Western Palace family for the reason that the present jaghirdar is only remotely connected with his present Highness; but, on reconsideration, I think that the members of that family, as noted in the margin, may also be added, as I find on reference to the genealogical tree that the Western Palace jaghirdar is a direct descendent by the second wife of Tirumalai Roi Tondiman, the son of the common ancestor Regunada Roi Tondiman. As I felt doubtful I entered their names in the genealogical tree, but omitted them in the reverse. In case it is considered that the omission was incorrect, I beg that they may be entered as noted in the margin above.

SIR

With reference to

Demmi Official dated 20th ultimo,
I have the honor to inform you
that the genealogical tree is
correct, and as regards the members
of the Tondiman Family on the
reverse, I may mention that it
is also correct, though perhaps
not exhaustive.

2. In my previous list I omitted
the members of the Western Palia
Family for the reason that
the present Jaghirdar is only ^{remotely} ~~remotely~~
connected with His present Highness;
but on reconsideration I think that
the members of that family as
noted

Other members of the Tondiman family as I find

 Sri Rajagopala Tondiman Salib.
 Sri Vija Regunada Tondiman Salib sons of the above Sri Ratha Krishna Tondiman Salib

on reference to the genealogical tree that the Western Palace Jaghirdar

is a direct descendant by the 2nd wife of Tirumalai Roi Tondiman the son of the common ancestor Regunada Roi Tondiman, as I felt doubtful I entered their names in the genealogical tree, but omitted them in the Reverse. In case it is considered that the omission was incorrect, I beg that they may be entered as noted in the margin above.

SIR

With reference to your Memo No. 69 dated 15th January 1895, I have the honor to return the proof of genealogical tree of the Pudukkottai family, duly checked and corrected by the Diwan of Pudukkottai to whom a copy was sent for the purpose.

2. The Diwan requests that the following corrections be made under the heading "The Tondiman family".

(a) After "His Highness" omit the word "Raja"

(b) Between "Sri" and "Barkanda" insert "Brahadamba Das Raja"

(c) After "Tondiman" insert "Bahadur"

have been given in
as far as practicable. No name
has yet been given to the son
born to Rajasopala Londiman
October 1894. In other cases
here no names are entered,
the reason is either that the
names are unknown, or that
the children died before they
were named.
