From the Hon'ble the Colonial Secretary, Ceylon, to the Chief Secretary to the Government of Madras, dated Colombo, 20th March 1895.

I am directed by Governor Sir Arthur Havelock to enclose, for the information of the Right Hon'ble the Governor of Madras in Council, six copies of each of two Sessional Papers Nos. XVI and XIX of 1894 recently laid before the Legislative Council of Ceylon. At the instance of the Marquess of Ripon, Secretary of State for the Colonies, a message was sent to the Legislative Council by the Governor on the 10th August 1894 (six copies of which are enclosed) referring to a Select Committee the question whether any further measure of general assistance should be extended to the Kandyan pensioners.

The report of the Select Committee, dated 29th August 1894, which is contained in Sessional Paper XIX of 1894, has been for some time under reference to Lord Ripon, who considers that the several recommendations of the Committee should be carried out, but that the suggestion made by Mr. Giles F. Walker in the addendum to his signature should not be adopted.

I am accordingly to request that you will be good enough, with the permission of the Right Hon'ble the Governor of Madras in Council, to cause, (1) each existing pension which is less than 20 (twenty) rupees per mensem to be augmented to Rs. 20 from 1st April next; (2) to be compulsorily commuted hereafter all pensions which may have been so augmented on the death of the present holder of such augmented pensions; (3) such male children of Kandyan pensioners as qualify themselves for higher education to be provided at the expense of this Government with free boarding in or near superior schools, in all cases where their parents or guardians will allow it; (4) that reasonable aid be granted at the expense of the Ceylon Government to secure the advancement of any pensioner or son of a pensioner who may hereafter qualify for any profession or superior employment.

ORDER—dated 2nd April 1895, No. 211, Political.

Communicated, together with copies of the Sessional papers, to the Government Agent, Tanjore, and the Collectors of North Arcot and Madura, who will take such steps as are necessary to give effect to the wishes of the Ceylon Government.
