Received of £ 3. 3. 11 My charge of £18 for professional services is a very modest one for an Engineer of my standing and the £1. 3. 0 is not for expenses during writing but while I was getting his one made into a very fine iron of sections etc. for writing. I regret I am unable to accept your offer, and must beg you to send the balance of my debt to the above address without further delay.

I am, Dear Sir

Yours faithfully,
