No. 826

From

J. W. Rawlinson Esq^r,

ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Political Department,

SIR,

With reference to the remarks in my Budget
Notes under 2 Assignments and Compensations regarding
the advance payments of certain sums on account of
compensation to the French Government, I have been
directed by the Government of India to report how such
payments came to be made in advance.

2. It has been apparently inconvenient to the
French Government to receive payment at South Arcot
of the entire sum payable to them there by treaty
amounting to 1,06,500 a quarter, and they have for
many years ^{past} been in the habit of drawing a portion of the
amount at Coconada and other places, after asking

case. The usual

reference however involved some delay and after some correspondence with the French Government and my predecessor, the Government once for all authorized the Collector of South Arcot in Government Order Political N^o 26 dated the 21st January 1889 to issue Remittance Transfer Receipts on the afore said Treasuries upon the requisition of the French Government deducting the amount from the next quarterly instalment of Rs 106500 payable to that Government.

The only change that this made in the procedure was the substitution of a standing order for a specific permission in each case. The practice of paying in advance seems to have been of very long standing and in order to enable me to reply to the Government of India I shall be obliged by your informing me how it first came into force.

I have the honour to be
Sir,
Your most Obedt Servt.
M. A. M.
Accountant General.

The originals are put up.
There seems to have been no
special reason for the advance
payments, except that the
Pondicherry administration required
funds for remittance to the other
French settlements in India,
and asked as a concession
that they might draw portions
of the rents a short period
before the due date -

In p. no 81 of 26-2-1862
there are notes to the effect
that there was no objection
to the proposal as no more than
half the grant had expired -
