Sir,

The amin of Minicoy has just arrived in Calicut with Dom Malikham. From him I understand that there are altogether 1400 bags of rice on the Island which would not last them for more than 4 months. An additional supply of 1500 bags would last them till December, when the inspection of the Island maybe expected to take place. In 1893 the amin was supplied with 2000 bags and in 1894 with 500 bags of rice. The proceeds of about 1900

bags he has already remitted and the value of the balance he has brought now with him - Dom Salikham has no intention of taking any rice with him - I have the honour, therefore, to request that Government may be moved to sanction the purchase of 1500 bags of rice to be sent to Minicoy for sale - They will as hitherto be made over to the Amin for sale, for the proceeds of which he will be responsible - I beg that orders may be sent by wire as the season is about to close and the odi (vessel) which is in the harbour should soon return to the Island.

I have the honour to be
Sir
Your most obedient servant
Aq. Collector.
