Dated Simla, the 11th May 1895

Sir,

I am directed to acknowledge the receipt of your letter No. 188 (Political), dated the 19th March 1895, furnishing a report on the manner in which the education of the sons of Muhammad Daud Khan has been conducted and on their prospects of obtaining employment.

2. The Governor General, in Council has learnt with concern that Muhammad Daud Khan's sons have not, on the whole, made satisfactory progress in their studies. The two younger lads may, it is to be hoped, derive benefit from a course of instruction at the Aligarh College; but, under all the circumstances of the case, it appears doubtful whether the expediency

of

of incurring extra expenditure in sending the elder sons to that institution might not fairly be called in question. I am to suggest, for the consideration of the Governor in Council, the advisability of taking early steps to provide Rafi-ul-mulk at any rate with such employment in Government service in the Madras Presidency as he may be held fitted for. The Government of Madras might perhaps be prepared, if necessary, to relax in his favour their standing rules as to further tests and examinations.

I have the honour to be,
Sir,
Your most obedient servant

M. Cunningham
Secretary to the
Government of India
