ABSTRACT.—Submitting a *nil* return of graves of Europeans in the Banganapalle State up to the close of 1894.

From the Political Agent, Sandúr, dated 2nd March 1895, P.R. No. 127.

ABSTRACT.—Submitting a statement of graves of Europeans in the Sandúr State.

From H. B. GRIGG, Esq., M.A., C.I.E., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 21st March 1895, Ref. on C. No. 468.

I have the honour to submit, herewith, the return of graves of Europeans and Eurasians buried in Travancore and Cochin up to the close of 1894, called for in paragraph 2 of G.O., dated 5th ultimo, No. 88, Political. I have reason to think that the list is incomplete so far as two or three burials in 1894 are concerned. This being due to the failure of some of the ecclesiastical authorities in the States to furnish the returns called for from them, I am writing their attention to the matter, and such of the graves as are now omitted will be included in the return for the current year. I beg to request that, when the list is printed, 50 copies of the same may be separately struck off and sent to me for distribution.

2. Arrangements will be made for the submission of the annual lists called for in paragraph 3 of the Government Order under reply within the prescribed date; and as regards the maintenance of the old graves now in existence, action will be taken as indicated in paragraph 4 of Captain Daly's letter printed in the same Government Order.

From E. C. RAWSON, Esq., Political Agent for Pudukkóttai, to the Chief Secretary to Government, dated Trichinopoly, 12th April 1895, No. 66-0-567.

With reference to G.O., No. 88, dated 5th February 1895, I have the honour to submit herewith a revised return of graves of Europeans, including those of persons buried up to the end of 1894.

2. The Diwan reports that there are no graves of Eurasians in Pudukkótta which are of historical or archæological interest: a note to this effect has been made in the return now submitted.

Memorandum, dated 8th May 1895, No. 994.

From J. D. REES, Esq., C.I.E., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 17th May 1895, Ref. on C. No. 1523.

I have the honour to return herewith, duly corrected, the proof received with Political Department memorandum, No. 994, of the 8th instant. The missing items referred to therein are not yet available.

Order—dated 24th May 1895, No. 339, Political.

The lists will be forwarded to the Government of India.

2. The attention of the Public Works Department will be drawn to the entry regarding the grave of the late Mr. H. S. Taylor at Periyár.

LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA, FOREIGN DEPARTMENT.

SIR,

In compliance with the request in paragraph 2 of Captain Daly's letter of the 18th January last, No. 226-I, I am directed to forward the accompanying list showing the graves of Europeans buried in the Native States under the political control of this Government up to the end of 1894. Graves of Eurasians which are of historical or archæological interest have been entered in the lists. The Resident in Travancore and Cochin reports that he has reason to believe that the lists for those States are incomplete so far as two or three burials in 1894 are concerned, owing to the failure of some of the Ecclesiastical authorities to furnish returns. He has invited their attention to the matter and such graves as have been omitted will be included in the annual return for 1895 referred to in paragraph 5 of Captain Daly's letter.

I have the honour to be,
Sir,
Your most obedient servant,

OOTACAMUND,

Sir,

I have the honor to submit herewith the return of graves of Europeans and Eurasians buried in Travancore and Cochin up to the close of 1894, called for in para 2 of G.O. dated 5th ultimo no 88 Political. I have reason to think that the list is incomplete so far as two or three burials in 1894 are concerned. This being due to the failure of some of the ecclesiastical authorities in the states to furnish the returns called for from them, I am inviting their attention to the matter and such of the graves as are now omitted will be included in the return for the current year. I beg to request that when the list is printed 50 copies of the same may be separately struck off and sent to me for distribution.

POLITICAL DEPARTMENT.

LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA, FOREIGN DEPARTMENT.

SIR,

In compliance with the request in paragraph 2 of Captain Daly's letter of the 18th January last, No. 226-I, I am directed to forward the accompanying list showing the graves of Europeans buried in the Native States under the political control of this Government up to the end of 1894. Graves of Eurasians which are of historical or archæological interest have been entered in the lists. The Resident in Travancore and Cochin reports that he has reason to believe that the lists for those States are incomplete so far as two or three burials in 1894 are concerned, owing to the failure of some of the Ecclesiastical authorities to furnish returns. He has invited their attention to the matter and such graves as have been omitted will be included in the annual return for 1895 referred to in paragraph 5 of Captain Daly's letter.

I have the honour to be,
Sir,
Your most obedient servant,

J. F. PRICE,
Chief Secretary.

OOTACAMUND,
24*th May* 1895.
