From F. C. Harrison Esquire,
Offg: Accountant-General to the Government of Madras,

To The Chief Secretary to Government,
Political Department.

Sir,

With reference to your official Memorandum No 948 dated the 1st of May 1895, I have the honour to forward herewith a copy of letter No 556 dated the 8th instant, from the Collector of South Arcot, which explains the circumstance under which the death of the pensioner Ramakka Ammah, which occurred in 1889, was not reported to Government earlier.

From that letter it is evident that the pensioner died on the 27th April 89 and not on the 4th May 1889 as previous

ched 18th October 1893 to inquire and report about her whereabouts. The Tahsildar reported that they were unable to obtain any information.

On the 8 February 1895 Parthasarathi Naidu a Jollah at the Huzur Treasury casually mentioned that the pensioner was a relative of his and that she had died in 1889 at Tiruvadi. The Deputy Tahsildar of Panruti (C. Krishnasami Ayyar) was immediately addressed. He reported on 16th March 1895 that the pensioner died on 4th May 1889 and a casualty report was accordingly submitted to you on the 20th idem.

4 From a copy of the village munsif's report forwarded by the present Deputy Tahsildar it appears that the date of the pensioner's death was 27th April 89 and not 4th May. A revised casualty report is herewith submitted.

I have the honour to be,
Sir,
Your most obedt Servant,
