Dear Mr Price

I am very sorry to have to tell you, what you will probably have seen in the Madras Mail, viz that [illegible] the chief [illegible] of Pudukottai died in the General Hospital the other day. I only heard it on my return from camp today. He is a great loss as it is only a few weeks since the Dewan told me what an improvement he had already effected in the Chief Court. I shall see the Diwan in 3 or 4 days – & the Raja – & discuss the question of his succession & write to you officially.

OF

A. T. AMBROSE, B.A., B.L.,

VAKIL, HIGH COURT.

MADRAS, *27th October*, 1883.

I certify that Mr. AMBROSE a Vakeel of the High Court joined my then Office of GRANT AND GRANT, Attorneys, in the year 1877 for the purpose of studying Law and acquiring a knowledge of its practice. He continued in the firm until I proceeded to England in 1878 in order to be called to the Bar, and during my connection with the firm Mr. AMBROSE worked well and gave proof of ability and industry. The opinion I then formed of him has been completely verified by his subsequent success at the law Examination, and by my observation of his conduct as a Vakeel since I have practised at the Bar. I think his knowledge of the Practice of the Court Extensive and his ability to apply his theoretical learning to good account very great. He would be a useful Assistant to any one anxious to learn Law and Practice.

W. GRANT,
Barrister-at-Law.

Madras, *30th October*, 1883.

Mr. Ambrose was a student in the Law Class during the time that I acted as Law Professor, namely from the 1st February to the 30th September 1878. He was a very attentive and painstaking student, and took a prominent part in the debating class which I formed. I believe I moved his admission as a Vakeel on the 6th May 1880. Since then I have had many opportunities of seeing Mr. Ambrose conducting Suits in the High Court, and have noticed that his cases were always conducted with care and ability.

J. H. SPRING BRANSON.

Madras, *1st November*, 1883.

I certify that Mr. Abmrose a Vakeel of the High Court, Madras, was in my office (now Grant and Laing from May 1879 when I joined the firm of Grant and Grant) for the purpose of studying law and practice, until the time he was admitted as a Vakeel. I continually made use of his services and formed high opinion of his abilities as a lawyer and of his knowledge of practice. He was constant in his attendance at office and very careful and industrious. I have since had frequent opportunities of meeting him, and have also been opposed to him in Court, and have thus had opportunities of observing his manner of conducting cases as a Vakeel. I consider his knowledge of law and practice to be extensive, and believe him to be a sound and careful lawyer.

T. W. LAING.

Bishopric House, St. Thome,
27th October, 1883.

Mr. A. T. Ambrose, B. A. B. L., was between 1st December 1870 and 31st December 1875, the Head Master of the St. Thome Seminary. Being desirous of qualifying himself for a lawyer he disconnected himself from the institution on the latter date, and soon after joined the office of a well-known firm of attorneys of this City. Mr. Ambrose whose acquaintance I first made in 1872 always enjoyed my esteem not only for his abilities but also for his moral qualifications. He was a good teacher, patient, and persevering, and was well liked by the boys immediately under his tuition, over whom he always exercised an influence for good. Mr. Ambrose is at present a Vakeel of her Majesty's High Court of Judicature at Madras.

Dear Mr. Ambrose,

I should think you possess very suitable qualifications for the post of an Assistant Professor of Law. I can speak from my personal knowledge of your ability in putting the facts of a case lucidly, and am also able to speak to your conscientious diligence.

I shall be very glad to hear that the Eurasian Community is represented in the Law College by so good a man as yourself.

Sir

It is with very great regret that I have to inform you of the death, in the General Hospital Madras on the 14th instant of Mr. A. F. Elliot who took charge of the office of Chief Judge of Pudukkottai on the 11th ultimo under sanction of the Government of India contained in Government order dated 10th January 95 No. 19 Pl. His death is all the more to be regretted as the Diwan ~~regrets~~ reports that "during the short time "he sat on the bench he showed himself "worthy of the selection, and promised "to do full justice to the wishes"

1.4.95 1/4/95

2. The Diwan at the instance of His Highness the Raja, has requested me to ask Government to place at the services of the State, as chief Judge, a competent officer from among its Non-Brahmin District Munsiffs, for a period of about two years, his pay etc, as in the case of Mr Elliot, Rs 400 per mensem exclusive of Pensionary contribution.

3 I entirely agree with His Highness and the Diwan that it will be for the welfare of the State if Government can see its way to comply with the above request - the reasons given in my letter to Government No. $\frac{34\text{-}C}{1865}$ dated 14th November 94 being still applicable. In para 4 of the letter I proposed that Government should "lend the services of "some Non-Brahmin District Munsiff - whose "character and abilities are such as to [illegible] romise of his rising to the post

4. The Dewan tells me that the chief court will adjourn for the recess for 2 months on about the 10° April. Temporary arrangements have been made for the conduct of business, and as it may take some time for Government to select a suitable District Munsiff, if it complies with request of His Highness, it does not matter if he cannot join before the middle or end of June.
