The Prince of Acre presents his compliments to Colonel H. S. Stewart. Paymaster General. Stipends Cheque and in reply to his confidential Memo N^o 65 dated the 8th Instant begs to make the following observations:-

The Prince of Acre himself and several other respectable persons in Madras are fully aware that his late Uncle Nurud-Daulah Bahadur's wife Ghousia Begum Sahiba after the death of her husband disposed of all her property and thereby discharged the debts of her late husband. And again in 1887, when she resolved to go to Mecca she being short of pilgrim expenses she sold all her household furniture and left for Arabia. She was involved in debts when she returned from Mecca:-

Such being the case it is quite clear that she had no property whatever left in her hand & she therefore never deposited any jewels with Rahim-ul-Lisa Begum Sahiba on her departure to Bagdad. The claim of jewels worth about Rupees 20,000/ now preferred against her, appears to be quite unfounded:-

Sir,

* Herewith returned.

I have the honor with reference to your
Memorandum No. 172 of the 30th ultimo, to submit
the following remarks called for on the petition of
Muhammad Khatil-ulla Sahib.

2. I have the honor to enclose a statement
of the Prince of Arcot on this subject for the in-
formation of Government by which it will be
seen that the Prince on behalf of his aunt Rahim-
un-nisa Begam Sahiba denies in "toto", the
allegation contained in the petition under report.
Rahim-un-nisa Begam Sahiba also repudiates
the charges preferred against her, she denies
in unmistakable terms having ever received any
jewellery from the late Ghansia Begam Sahiba
to further corroborate her statement so good an
authority as Muhammad Mahomed Khan
Baka

shadw avows that this is quite a trumped up
case. Rahim-un-nisa Begam Sahiba is a lady
unblemished character and reputation and
well deserves to enjoy the privilege of exemption
from Civil Process which I consider Mohamamad
Khalil-ulla Sahib has shown no sufficient cause
induces the Government to remove, to enable
him to institute a Suit.

I have the honor to be
