To, The Chief Secretary to Government

Sir,
I have the honor to report the demise on
the 14th May 1895 of Carnatic Stipendiary No. $\frac{1704}{13}$ &
2608, Ghulam Tali Abbas. The deceased was in the
enjoyment of 2 stipends aggregating monthly to Rs 60,
by G.O. Nos. 114 & 407 dated 12th March 1880 and 25th
June 1884 "Political" respectively. He leaves the follow-
ing heirs:-

2. The stipends of Rs 50 & 10 enjoyed by the
deceased are returned, the former as "moiety to widow"
& the latter as "continuable" in appendix "E" to G.O. No.
359 dated 22nd May 1885 "Political". Under the rules

Rs 25. out of the former stipend should be distributed to the 3 widows Nos. 2, 5 & 6, and Rs 6-10-8 or $\frac{2}{3}$ of the latter stipend should be apportioned to the sons and daughters of the deceased.

The Shadi widow (Shahzadi Begam) who $\otimes$ Registered resides in Kerkela, is already in receipt of a monthly stipend Rs 40. in right of her father by G.O. No. 549 dated 17 November 1890 and besides I am informed that she inherited some wealth from her father's estate, I therefore beg to recommend that she may be excluded, as was done in the case disposed of by G.O. No. 478 dated 12 September 1889 Political, and the other 2 nikahi widows be granted Rs 12-8-0 each per mensem. $\otimes$ Registered

As regards the distribution of Rs 6-10-8 to the children of the deceased, I beg to allot them under Lord Curzon's Scale approved of in G.O. No. 778 dated 12 November 1888 "Political" which is as follows:-

1. Nusrataba Ansain Sahib... 5 Shares... Rs 3-11-4
 2. Muhammad ali... 1 Share... Rs 0-11-10
 3. Ghulam ali... 1 do... Rs 0-11-10
 4. Ghulam Ansain... 1 do... Rs 0-11-10
 5. Sakina Begam... $\frac{1}{2}$ do... Rs 0-5-11
 6. Siraj-un-nisa Begam... $\frac{1}{2}$ do... Rs 0-5-11
- Total 9 Shares... Rs 6-10-8

5. Having recommended the continuation of the 2 stipends enjoyed by the late Ghulam Vati Abbas, in accordance with the regulations, I consider my duty ends, but at the same time I would beg to point out for the information and orders of Government (though I abstain from advocating claims) that this family is peculiarly circum-

stanced viz. that one of the widows to whom I have recommended Rs 12-8-0 in para 3. of this report is childless, whereas the other has 3 children, yet under the rules they are entitled to equal shares. The sum to be continued to the children who are 6 in number is much smaller than the sum to be continued to the 2 widows. I therefore beg respectfully to submit the following as an alternative proposition that should Government see no objection thereto, viz. the continuation of only Rs 30 (instead of Rs 31-10-8 as above) i.e. a moiety of both the stipends enjoyed by the deceased to be distributed to all the members of his family (including the Shadi wife) under Lord Curzon's scale, which would be as follows:-

Shadi son	1. Nusrataba Ansain Sahib	5 Shares	Rs 15-0-0
Nikahi son	2. Muhammad ali	1 Share	Rs 3-0-0
Do	3. Ghulam ali	1 do	Rs 3-0-0
Do	4. Ghulam Ansain	1 do	Rs 3-0-0
Nikahi Daughter	5. Sakina Begam	$\frac{1}{2}$ do	Rs 1-8-0
Do	6. Siraj-un-nisa Begam	$\frac{1}{2}$ do	Rs 1-8-0
Nikahi wife	7. Hidayat-un-nisa	$\frac{1}{2}$ do	Rs 1-8-0
Do	8. Karim Bi	$\frac{1}{2}$ do	Rs 1-8-0
Total - 10 Shares			Rs 30-0-0

6. On receipt of a reply to this report as regards which of my proposals the Government are pleased to accept, I will submit through the Accountant-General a list showing the amount of bounties that each will receive, with their usual age and health certificates.

7. By the adoption of this alternative proposal the whole family will receive bounties -

C. No. 846.

FOR ORDERS.

The second proposal of the Paymaster appears to be unobjectionable as all parties concerned (except, presumably, the Shadi widow) have agreed to it. Under the recent ruling the ^{females} stipends of 5^{as} 11 pie in one case & of Rs 1-8-0 in the other are not compulsorily commutable. ~~It is automatically for commutation~~ ~~the amount~~ There seems however no reason in this case why commutation should not be ordered.

The amounts under this arrangement to be continued to the females of the family are so small, that it is not worth while to do anything at all to commute them.

X for including whom there is sufficient cause shown.

Coming under the operation of clause B. to para I of G.O. No: 359 dated 22nd May 1885; and I have received a written intimation from all the parties concerned that they are perfectly willing to abide by this disposal of the moiety of the stipends of the late Ghulam Vati Abbas.

I have the honor to be,
Sir,

your most obedient servant.
