To, His Excellency The Right Honorable
The Secretary of State for India in Council,
Through the Government of Madras,

The humble memorial of Muham-
mad Munir Hussam and
Ahmed Hussam, Shadi and Rishak
sons respectively of the late
Ghulam Suggad Hussam Khan
Shadi Great Grandson of Nawab
Muhammad Ali Walajah,
Sovereign of the Carnatic.

Most respectfully sheweth.

With due deference and profound
submission your Excellency's memorialists
most respectfully beg to submit the following
for the favorable consideration of your
Excellency in Council, trusting that their
grievances may be redressed.

That your Excellency's memorialists
father, the late Ghulam Suggad Hussam Khan,
as the Shadi Great Grandson of the aforesaid
Nawab Muhammad Ali Walajah, was in
the enjoyment of a Carnatic Stipend of Rs.
per mensem, he died on the 28th October 1857
leaving your memorialists infants and his
minor children behind him unprovided for
and on his demise his said pension was
lapsed by the Madras Government in toto.

That your Excellency's memorialists
submitted several memorials to the Government
Agents at Chepauk, Madras, the Government
of Madras and at last to the Government
of India, soliciting the continuance of their
late

late father's lapsed stipend to them, as granted to the other members of the same family. Their grievances were not redressed but were favored with endorsements stating that your Excellency's memorialists are 5th in descent from the original holder, they have therefore no claim to any continuation from the stipend of their deceased father, although the rules regarding the continuation of pensions, were relaxed in favor of their Cousins Ghulam Muhammad Khalil-ullah son of Ghulam Ahmed and to the family of the late Lian-ud-daulah, the Government Agent would not have recommended such relaxation and therefore decline to recommend the adoption of a course he does not consider Government should follow, which decision of the then Government Agent was approved of by his successors, the Government of Madras and the Government of India.

That your Excellency's memorialists beg to submit for the consideration of your Excellency in Council that continuance of pensions were not only made to Muhammad Khalil-ullah and the family of Lian-ud-daulah their Cousins in the 5th descent, but also to the children of Ghulam Bazar Ali, Ghali-um-nissa Begam, Shaji-ul-mulk, Delair Jung, Huda Ghani Khan Bahadur, Nadim Jung and Sadat-um-nissa Begam, who were also 5th in descent from the original grantee, on the recommendation

recommendation of the same Government Agent, subsequent to your memorialists being furnished with the aforesaid endorsement, and a true copy of which is herewith enclosed.

That your Excellency's memorialists beg to submit that the name of their real and full uncle Rana Husam Sahib as no. 39 (whose son and daughters have already been favored with pensions) and the names of other stipendiaries who are situated in the same position of their father as Serial Nos 37, 52, 53, 55, 81, 83, 84, 85, 95, 135, 252, 360, 361, 362, 364, 365, 372, 386 and 453 are published in the appendix of the Supplement of the Fort Saint George Gazette dated 28th August 1855, who are the 4th holders similar to your memorialist's father, that their stipends should be continued to their children after their demise.

That your Excellency's memorialists most respectfully beg to state that your Excellency in Council will kindly observe when the rule was relaxed in general in favor of their real and full uncle and the aforesaid Carnatic Stipendiaries, why should it not be relaxed in favor of your memorialists and be treated with the same indulgence that has been shown to others whose children stand in equal position and descent of your memorialists.

That your Excellency's memorialists further beg to refer to your Excellency in Council to the 3rd Article of the Treaty between the East India Company and Nawab Walajah dated 12th July 1792 and the 9th Article of the Treaty of 1811.

Concluded

concluded between the East India Company and
Nawab Azim-ud-daulah Bahadur, under which
the British Government were guaranteed to
take into their consideration the actual situation
of the family of His Highness the late Nawab
Walajah of a suitable provision for their
respective maintenance out of the revenues
of the Carnatic.

Under the aforesaid circum-
stances your Excellency's memorialists
most respectfully beg to solicit
that your Excellency in Council will be
graciously pleased to peruse the facts
herein laid down and take their reduced
circumstances into your Excellency's kind
and just consideration and issue
necessary instructions to the Madras
Government to continue their provision
out of their father's lapsed stipend
and thereby relieve them from the
clutches of misery and starvation
which they are subjected to.

For which act of kindness
and charity your memorialists
shall as in duty bound, ever pray.
