POLITICAL DEPARTMENT.

READ—again the following paper:—

G.O., dated 22nd May 1894, Mis. No. 332, Political.

Read—the following papers:—

From H. M. WINTERBOTHAM, Esq., Government Agent, Tanjore, to the Chief Secretary to Government, dated Vallam, 5th March 1894, No. 27.

On the 21st December 1893, I reported to the Accountant-General the death of V. Ry. Prataparudra Manai Ingle Rao Sahib, son of the eldest sister of His Highness Sivaji, the last Rajah of Tanjore.

2. The deceased was enjoying an heritable pension of Rs. 260 a month—*vide* No. 25 on List A appended to G.O., 5th December 1859, No. 705. This pension was, under G.O., dated 27th May 1892, No. 336, Political, increased by a monthly allowance of Rs. 100 for the deceased's life only.

3. Prior to his death the deceased requested me to recommend to Government that the moiety of his whole pension, Rs. 260 + 100, might be divided between his two sons, Ramachandra Ingle Rao Sahib and Yeswanta Ingle Rao Sahib, of whom the former is nearly, and the latter entirely, blind. The request has been repeated to me by the two sons since their father's death.

4. The deceased had a third son, Raja Ram Sahib, who is the individual whom the Ranis, widows of the late Rajah, wished to be regarded as their adopted son, and who is referred to in paragraph 2 of letter from the Government of India embodied in G.O., dated 1st August 1887, No. 605, Political, wherein a promise is made that, on the decease of the Ranis, Raja Ram will not be left destitute.

5. Raja Ram continues to regard himself as the Ranis' adopted son, and has personally expressed to the Sirkele his renunciation of any claim to participate with his brothers in their father's pension.

6. Beyond the fact that the deceased's sons will be left in very reduced circumstances, I can find no ground for supporting their request that they should be allowed a moiety of the extra pension of Rs. 100 a month expressly granted to their father for his life only.

7. I beg to recommend that sanction may be accorded to the division between the two sons (excluding Raja Ram) of a moiety of the deceased's heritable pension of Rs. 260 with effect from the 15th December 1893—the date following his death.

Memorandum—to the Government Agent, Tanjore, dated 24th March 1894, No. 597.

From H. M. WINTERBOTHAM, Esq., Government Agent, Tanjore, to the Chief Secretary to Government, dated Vallam, 9th April 1894, No. 38.

In reply to Government memorandum, No. 597, dated 24th March 1894, Political, I have the honour to report that the allegation that Raja Ram has been living in abject poverty is quite incorrect.

No doubt he has been entirely dependent on the bounty of the Ranis, but his wants have been amply provided for, and the seven still surviving Ranis are now paying him a monthly allowance of Rs. 1,500. The Ranis also permitted him to appropriate all the personal property left by Her Highness the late Kamakshi Bai Sahiba, which was supposed to be worth at least Rs. 40,000—*vide* paragraph 10 of my letter in G.O., dated 22nd September 1892, No. 557, Political. Raja Ram occupies apartments in the palace, uses the palace equipages, and lives in good style. Whether he has amassed any savings, so as to be independent of the Ranis in case of need, I am unable to ascertain.

2. V. Ry. Prataparudra Manai Ingle Rao Sahib has left no dependants, except his sons, who have any claim upon his pension.

Memorandum—to the Government Agent, Tanjore, dated 25th April 1894, No. 820.

From H. M. WINTERBOTHAM, Esq., Government Agent, Tanjore, to the Chief Secretary to Government, dated Vallam, 8th May 1894, No. 56.

With reference to memorandum, No. 820, dated 25th April 1894, Political, I have the honour to forward herewith a letter addressed by M.R.Ry. Rajaram Sahib to the Sirkele, in which he renounces his claim to participate in his father's pension.

He signs himself, as he always does, by his adoptive name "Serbhoji Rajah." He will not sign any statement in his true name, and it was to avoid this difficulty that I abstained from taking a written statement from him.

ENCLOSURE.

From SERBHOJI RAJAH, to M.R.Ry K. GOVINDA RAO, Avargal, Sirkele, Tanjore Palace, dated Tanjore, 2nd May 1894.

In continuation of my personal conversation with you on the 24th January last, I have the honour to state that, owing to my having been given in adoption to a different family and Gothra, I can lay no claim whatever to any of the properties of the deceased V. Ry. Prataparudra Manai Ingle Rao Sahib, my natural father, nor to his pension.

Order—dated 22nd May 1894, Mis. No. 332, Political.

The proposal in paragraph 7 of the Government Agent's letter of the 5th March 1894, No. 27, is sanctioned.

2. It is observed that, in accordance with paragraph 13 of G.O., dated 5th December 1859, No. 705, a moiety of the pensions now allotted to the sons of the late V. Ry. Prataparudra Manai Ingle Rao Sahib will be continuable for one more generation.

READ—also the following papers:—

From J. THOMSON, Esq., Government Agent, Tanjore, to the Chief Secretary to Government, dated Camp, Vallam, 24th June 1895, No. 82.

I have the honour to report that V. Ry. Ramachandra Ingle Rao Sahib (the elder of the two sons of late V. Ry. Prataparudra Manai Ingle Rao Sahib), to whom a monthly pension of Rs. 65 was sanctioned in G.O., dated 22nd May 1894, No. 332, died on the 23rd December 1894.

2. He has left behind him his wife, a son and a daughter. His wife, Yemuna Boi, has applied to me for the continuance of her husband's full pension of Rs. 65 a month in the name of her son, named Harirudra Ingle, on the ground that her husband lived to draw his pension for about a year only.

3. As observed in paragraph 2 of G.O., dated 22nd May 1894, No. 332, Harirudra Ingle is entitled to a moiety of Rs. 32-8-0 only of the deceased's pension, and I request that the Government will be pleased to sanction its payment to him from 24th December 1894.

4. As Harirudra Ingle is a minor aged 8, I request further sanction of Government for the payment of this pension to his mother and guardian, Yemuna Boi, during his minority.

MEMORANDUM.

The Government Agent is requested to report, with reference to paragraph 13 of Foreign Department letter, dated 8th September 1856, No. 4644 [E.M.C., dated 25th September 1856, No. 311], whether the relations of the deceased mentioned by him were all supported by the stipend.

The reason for continuing the moiety of the pension in the name of only one of these relations—and that the youngest—is not clear. The usual distribution would be—

To the Government Agent, Tanjore.

From E. C. RAWSON, Esq., Government Agent, Tanjore, to the Chief Secretary to Government, dated 16th August 1895, No. 100.

With reference to the memorandum of Government, dated 15th ultimo. No. 1633, I have the honour to report that the wife, son and daughter of the late V. Ry. Ramachandra Ingle Rao Sahib were supported by his stipend of Rs. 65. It appears to have been the practice hitherto not to provide wives and daughters of hereditary pensioners with separate pensions when the pensioners leave male descendants; and the rule in paragraph 13 of G.O., No. 705, dated 5th December 1859, appears not to have been interpreted in the manner laid down in the order of Government under reference. The marginal orders* of Government granting pensions in analogous cases may be referred to in this connection.

* G.O., dated 27th April 1877, No. 309.
" " 7th Aug. 1891 " 490 Mis.

My own opinion, however, is that the prevailing practice is wrong. There is no reference in paragraph 13 of Mr. Edmonstone's letter, No. 4644, of 8th September 1856, to any distinction between male and female heirs of deceased pensioners. The criterion is simply whether or not the heir was supported out of the deceased's stipend, and there is no authority that I can see for giving the surviving moiety of the pension to the son only.

ORDER—dated 3rd September 1895, No. 582, Political.

His Excellency the Governor in Council considers that, in the present case, which concerns the *final* allotment of a stipend, the distribution should be made amongst all the descendants or relations of the deceased who were supported by it.

2. A moiety of the stipend of the late V. Ry. Ramachandra Ingle Rao Sahib will accordingly be continued as follows:—

								Per mensem.

3. The stipends of the widow and daughter fall within the limits of compulsory commutation and the Government Agent will, after procuring the necessary age and health certificates in their cases, report, through the Accountant-General, the amount of the bonus payable to each.

appears to me that in the two cases quoted
p. 114 A. of the Book file - a g. o.
Aug 7. 1891 (passed by myself) the circumstances are
somewhat different than those of the present.
The first g. o. takes it for granted that the
order of Sep. 8. 1856 (Mr. Secy. Edmonstone's letter)
said it down that the head of the family should
succeed to the reduced pension. But I do not
think that this is the case. On the contrary
the Madras Govt. may distribute it as they think
fit among the survivors of the deceased stipendiary,
long as they are satisfied that they had been
looked by the stipend.

In the g. o. of Aug. '91 - tho' this ques-
tion was applied in the case under consid-
eration stipend was that of the second generation
that on the death of the ^{deceased} stipendiary - the
Govt. will be able to consider the question, and
the moiety to be then allotted as it may
be best.

In this case, we have to consider the
distribution of the stipend, and if we
follow the precedent quoted, it would all
go to the son - and he w^d. be expected
to make provision for his mother & sister.
This w^d. be well enough, if this were
the final allotment of the stipend - but
supposing we were to make it all over to him
and he were to die, the females w^d. be left
entirely destitute. Under these circumstances
it w^d. be only fair to them, & in accord-
ance with Mr. Edmonstone's instructions
that the pension should be divided as proposed - &
in the case of the two females.
