The Chief Secretary to Government

SIR,

Ootacamund

In reply to G.O dated 17th July 1895 No 468, I have the honor to state for the information of Government that in order to enable it to decide as to the further course to be adopted in regard to the paper mill at Penahis, the Savaone Durbar wishes to be furnished with particulars of the terms on which Mr. W. L. Griene mentioned in para 3 of the letter from the Government of Bengal read in the G.O, would undertake to inspect and report on the mill. In view of the important interests involved, the Durbar considers it advisable to have such an enquiry made and would prefer that the terms on which it is made were settled through the British Government. If, therefore, the Government has no objection, I beg to request that it will be pleased to comply with the wishes of the Durbar in this respect.

2. As it is necessary to finally and definitely settle the question with as little delay as possible, the Durbar also wishes that early action may be taken.

I have the honor to be

Di

Yours most obedient servant
