PUBLIC DEPARTMENT.

READ—the following papers:—

From Surgeon-Major-General C. SIHORPE, F.R.C.P.I., Surgeon-General with the Government of Madras the Chief Secretary to Government, dated Ootacamund, 10th May 1895, No. 126-Tour.

I have the honour to state that G.O. No. 2382 L., dated the 17th November 1894, directs that all institutions other than Government should obtain their medical stores independently of the Medical Store Depot. This decision in my opinion virtually cancels G.O., No. 1063, Public, dated the 10th July 1878, which authorizes the issue of medicines, &c., to certain Orphan Asylums and Catholic Orphanages at cost price. Should Government agree with me, I request that the managers of these institutions may be directed to make their own arrangements for their requirements in future, as the present practice, apart from being opposed to the Government Order of 17th November 1894, is also objectionable on other grounds.

No. 19.

The Surgeon-General is requested to finish a list of the institutions which at present receive medicines at cost price.

OOTACAMUND,
