Sir,

With reference to the past correspondence on the subject of the Abkari lease of the Periyar and Thekkadi tracts to the Superintendent of the Camps, I have the honor to request that you will be good enough to remit to this office the rent due to this Government for the Malabar year 1020. The amount has been fixed at 10,000 Rupees. But the amount payable is the difference between 10,000 Rupees and the charges of collection and other items agreed to be allowed for.

Sir,

With reference to the correspondence ending with L.S. dated 26th October 1894 no. 745 Political, I have the honor to forward herewith a demand from the Dewan of Travancore for the net Abkari revenue from the Periyar tract for the Malabar year 1070 ending with 15th August 1895. The Dewan says that the amount payable is "the difference between Rs 10,000 and the net charges of collection and other items agreed to be allowed for" but it seems to me that he is mistaken in this since the amount Government has agreed to pay is the difference between the Abkari revenue realized by Government, whatever it might be, and the cost of collecting that revenue as well as of administering Police and Criminal jurisdiction within the tract. I am pointing this out to the Dewan.

I have the honor to be
