POLITICAL DEPARTMENT.

READ—again the following papers:—

G.O., dated 11th June 1894, Nos. 399, 400, Political.

ABSTRACT.—Communicating to certain officers letter from the Ceylon Government requesting that a house may be rented for Alagai Manavala Sinhala Raja near the schools where his children can obtain the best education, and offering to defray the cost of meals for such of the children of Kandyan pensioners as attend school and are in want of sufficient food and to provide those who are qualified among them with subordinate posts in Ceylon.

G.O., dated 10th October 1894, Nos. 693, 694, Political.

ABSTRACT.—Requesting the Government Agent, Tanjore, to expedite his reply to G.O., dated 11th June 1894, No. 399, regarding educational facilities for children of Kandyan pensioners, and directing that the replies of the Collectors of Madura and North Arcot to that order be forwarded to the Government of Ceylon.

READ—also the following paper:—

From J. T. J. N, Esq., Acting Collector and Government Agent, Tanjore, to the Chief Secretary to Government, dated 8th October 1894, No. 109.

Adverting to paragraph 2 of G.O., dated 11th June 1894, No. 399, Political, I have the honour to state that Alagia Manavala Sinhala Raja has no sons and the necessity for renting a house for their education does not therefore exist. But I am not aware of the circumstances under which the Ceylon Government has written its letter under reference. A statement showing the present school-going children and their condition is enclosed.

2. Towards granting relief to such of the children as are represented to be unable to prosecute their studies on account of insufficient food I would propose the sanction of payment to the respective guardians of a monthly allowance of, say, Rs. 6 per head on the understanding that it is withheld for irregular attendance, unsatisfactory progress, or the like. There are no boarding schools in the district and to establish one for the few Kandyan boys alone will be very costly without corresponding advantage.

3. All the Kandyan pensioners in the district have been informed of the intention of the Ceylon Government to offer subordinate posts in that colony to such of their children as may prove fit for such employment.

4. Neither of the two pensioners mentioned in paragraph 3 of the Ceylon Government's letter is willing to accept employment as process-server in Ceylon.
