DATED 16th December 1895.

TRANSFERRED to the Chief Secretary to

(By Order.)

Private Secretary.

GOVERNMENT HOUSE,
Madras.
17 December 1895.

P

His Excellency the Right Honourable
The Most Noble the Governor in Council
Fort St. George.

The humble Petition of Lathief Hoossain
Shady husband of Kareemmoosappa
Begum Shady daughter of the late
Ameeood Durr Hoossain Sohib
grandson of Nawab Hallajah
of Carnatic

Most humbly sheweth

That the Memorialist's father-in-law
Ameeood Durr Hoossain Sohib a Carnatic
stipendiary was drowning Rs 300/- a month departed this
life on the 7th November 1895 leaving a large family
behind, viz. 4 Shady sons, one Shady daughter
Kareemmoosappa Begum the Memorialist's wife
and 13 or 14 children by other Nicka wives.

That the Memorialist married the said
Kareemmoosappa Begum some 50 years ago and
were living together, but since few days she residing
in the house of her said father, who was living in a
rental house, and since the death of her father
the said Ameeood Durr Hoossain Sohib, one of the
brothers Mustafa ally Sohib is not allowing the
Memorialist to see his wife and speak with her
and also not allowing her to come to the Memorialist's
house and keeping her just like as in imprisonment.
The cause of which Memorialist just heard, the
said Mustafa ally Sohib is intending to keep her in
his house, and reported to the Paymaster Carnatic stipendiary
saying that the Memorialist's wife is mad, & her said
father's will was to keep her under the management
of his said brother, and upon which the Paymaster
submitted his report to the Government for the
continuance of a sum of Rs 15-15-0 in her name
and that stipend should be drawn through her brother
the said Mustafa ally Sohib.

That the Memorialist humbly begs to
submit

and the Memorialist's wife is not at all mad, but
her said brother's will was not so, these every things
took place by her said brother only to get her pension
in his hand & to keep her in trouble.

That the Memorialist's wife is not willing to
live separate with the Memorialist, and to draw her
said stipend through her said brother, Mustafa ally, who
if her said stipend, he wanted through her said brother,
she will be unable to see a pie out of her said stipend,
and will be obliged to starve in her old age and die,
and if the benevolent Government is not willing
to front her said stipend as usual on her own
responsibility, the Gracious Government
should front the ^{said} stipend through the Memorialist, who
is the lawful and shady husband of the said Kareem-
-moomia Begum, and her lawful heir by all
means, and most entitled for the same than her
said brother, who got no right whatever to interfere
in the matter, and that will not be against the wishes
of Memorialist's said wife, otherwise the Paymaster
must be ordered to make inquiry in the matter
personally from the Memorialist's wife, through which
with, and examine her mother, she is mad or not
able to manage her ^{own} affairs, and to make inquiry from
her mother she is willing to draw her stipend check
as usual, or through the Memorialist or her brother
the said Mustafa ally, as she will, and then the favourable
Government may be graciously pleased to
issue order to the Paymaster, to front her
said stipend according to her own wishes
and consent.

For which act of Grace your
Excellency's humble Memorialist his wife
and family shall be in duty bound.
Ever pray

Yours faithfully
