Most Respectfully Sheweth
GOVERNMENT OF MADRAS
20 DEC 1895

Enclosing herewith 3 printed
copies of petitions, the petitioner most
humbly begs to state that the genealogy
annexed with the petitions as well as
the genealogical trees submitted before
the judicial Secretary H. H. the Nizam's
Government and Government of India
by Rajah Behari Prasad and Ranee
Nihalkoar Sahiba in their cases will
clearly shew that Rajah Krishen Prasad
the present Peshcar H. H. the Nizam's govt.
is neither a lawful heir nor belongs to the
community of the late Peshcar, the deceased
Rajah Varendar Bahadoor Grandson of
Maharajah Cheundoolal. The genealogy
will also shew that Rajah Krishen Prasad
is a grandson of Ramoo the weaver by
caste and of the several kept women
of different and lowest caste under
the deceased Peshcar who was by caste a
Khatry.

2 It is also according to the established
principles of Hindoo Law that illegitimate

are never recognized in any question of right, succession, inheritance or partition, nor the Government which is lawful and just, can do anything in contravention to this. The late Peshcar also knowing that neither Hari Kishen nor his son Rajah Kishen Persad, were qualified, according to the Hindoo Law to perform the funeral ceremonies (Kriya Karm) did not allow them to perform the Kriya Karm of his lawful wife, named Ramee Gobibi, who died during his life time, though Hari Kishen and his son the present Peshcar tried their best to perform it, nor could they inherit the family property which is ancestral.

Notwithstanding these principles of the Hindoo Law, the said Rajah Kishen Persad, pretending that he is a grandson and heir of the late Peshcar who died without lawful issue, enjoys the jaghairy Supt Puri near Chikacobi in Vizayagalam District, Madras Presidency and also enjoys its income nearly 4000 Rs annually since the last six or seven years, and hereby brought the British Govt to a loss of about 2.5 thousand rupees by deceitfully depriving the British Government of its right to the said jaghairy and its income.

According to the law and rule, as every servant under the British Service and every subject of Her most Gracious Majesty the Empress of India, is entitled to defend Her Majesty's Govt Government

from any kind of loss, I beg to bring the above mentioned fact to your Honor's notice and declare easily that it is a loss to the Government if Rajah Kishen Persad is allowed to enjoy the said jaghairy and its income till he proves lawfully that he is a legal heir of the late Peshcar.

The petitioner also begs to submit that if your Honor be pleased to order the enquiry to be held in the British Residency court at Hyderabad Secane, the petitioner will easily prove that Rajah Kishen Persad is illegitimate and that he deprived the Government of its rights treacherously enjoying the jaghairy up to date.

Hoping the case will be enquired immediately for the profit of the Govt.

Dated 13th December 1895 I beg to remain

Your most obedient servant
