Petition from Amrut ur Begum Begam of Hyderabad
(Deccan), dated the 11th October 1895, regarding
the commutation of her pension.

Hyderabad Decr

Respected Sir,

I most humbly solicit to intrude upon your time with a few following lines hoping you will forgive and indulge me with my request.

I being of the Carnatic Family draw a Stipend of Rs 7/- in right of my uncle Gulam Vazeer ulle Ahmed, through the Resident of ly the order of the Govt of Madras No 364 dated 2nd August 1879: — But as I am now intent upon making a pilgrimage to Mecca and not to return therefrom, I desire to commute my stipend which is very difficult thing, specially for females to draw it there: —

I applied to the Paymaster Carnatic Stipendiary who having declined to commute it, through his office No 381 of 1895, I applied to the Govt of India directly and in reply I am directed to apply through the proper channel.

I therefore most humbly solicit to

C. No. 1763.

FOR ORDERS.

The petitioner is in receipt of a life pension of Rs 7 per mensem under G.O. No. 3641 Poll., 8.2nd August 1879 and requests permission to commute that stipend. She is apparently paid at Haiderabad and states that she intends to make a pilgrimage to Mecca. The commutation of the stipends of female pensioners is against the general rule laid down in G.O. No. 422 Poll., 8.29-6.95, but there seem to be exceptional circumstances in this case. If it is thought that the petitioner's request may be acceded, the Resident in Haiderabad will be requested to obtain the age and health certificates prescribed in G.O. No. 1152 Poll., 8.23.7.91.

I fail to see that there is anything ex-
ceptional in this case - granting that
the pet. in 1870 checked when the com-
mutation was made. She would spend
all the money on the pilgrimage and
if she came out of it alive would
return penniless and ask for a
compassionate allowance. I submit
that her request should be refused.
If she wants to go on a pilgrimage
she can borrow on the security of
her pension

Quite so. The application
should be refused.
