To L. C. Miller Esquire

Agent to the Governor

Madras

Most Honored Sir,

I, G. Appalaraju son of the late
Golgonda Sanyasi Bhupati at present of Madras
most respectfully beg to bring the following few
lines into your honor's generous & benigne consideration.

1. On the demise of the Si. Rance of the
late Golgonda Sanyasi Bhupati a monthly allowance of
Rs 12-8-0 was ordered to be paid for myself & my sister
(Rs 6-4-0) each

2. On my representation the Government were
pleased to sanction Rs 5 per mensem on account of
my education. But unfortunately it was pleased
to limit the period to 18 years, viz., the time at which
I attain my majority. It was also directed to stop
paying Rs 6-4-0 in the event of my sister being
married & also to discontinue my allowance of Rs 6-4-0
at the end of 18 years - the time when I attain majority.

All others of my family were allowed allowance
throughout their life time while I was unfairly and
unjustly granted an allowance for a limited period.
Therefore, I solicit your honor's kind inquiry into this fact.

3. I humbly beg to state that by the end of this
year my age will be 18 years. Owing to the unsatisfactory
and delicate state of my health & to constant illness

I could not prosecute my studies favourably as to enable me to pass any examination by which I can earn my livelihood. The educational allowance of Rs 57 Rs 6-4-0 (my allowance) will be stopped at the end of this year according to the order of Government.

4. As I have not passed any examination and as the allowance granted is insufficient it is very difficult for me, ~~and~~ to protect myself and my sister. I studied up to the 5th Form in the Hindu College. I can read and write English and Telugu pretty well. This is the specimen of my handwriting which may meet with your kind approbation. I am unable to render any other service involving bodily labour & trouble than a clerk's post in as much as my constitution as stated above will not allow it.

5. Under these circumstances I respectfully solicit your honour's favour for recommending to Government to continue the allowance of Rs 12-8-0 during my lifetime.

I beg to remain with Respect

Most Honored Sir,

Your most obedient servant

Appalaraju

SUBJECT.

CHIEF SECRETARY
1. FEB. 1896
GOVERNMENT OF MADRAS

CURRENT NO 63

The Chief Secretary to Government
MadrasThe humble petition of G. Appel
raju son of the late Gudepu
Chendramma Bi-Ranee of Golconda
Sanyasi Bhupati of Vizagapatam

Most Respectfully Sheweth.—

1. That the petitioner's maintenance allowance of Rs 6-4, together with educational allowance of Rs 5 per mensem has been stopped from 26th December 1895 under the orders conveyed in G.O. No 476 Pol of 21-7-93.

2. That the petitioner could not pass any examination or prosecute his studies steadily owing to his delicate constitution and to constant illness which did not permit him to study hard or to keep him at rest.

3. That the petitioner consequently presented a petition (detailed copy enclosed) in August last to the Agent to the Governor Vizagapatam requesting to recommend the continuance of the allowances referred to. That the petition and reminders were kept pending till January 1896, when the Agent sent him to the District Surgeon for examination who pronounced that he is a lad of a poor physique & fit for office work. Subsequently a proceedings was issued by the Agent (which is attached) to the contrary.

4. That the petitioner's case is an extraordinarily pitiable one inas much as he is deprived of his allowance granted to him in the same manner in which his mother father &c and certain others of the same status were allowed to enjoy, the favour of Government as is evidenced from the Office records - they being the Hill Zemindars whose lands have been resumed by Government and allowances sanctioned in as much as he is a very feeble weak minded boy who is unable either to work hard or to pass any examination to enable him to get a footing anywhere to support himself or undertake some mechanical work involving labour & pain.

5. That the petitioner therefore humbly begs that Government may be pleased generously to consider all the miserable circumstances & protect him (the orphan) who has no other support whatever by continuing the allowances referred to. Or to provide him with an appointment carrying not less than Rs 15 in the Collectorate or anywhere exempting him from the existing educational rules.

6. Further, the petitioner in conclusion begs to inform Government that his case has become very deplorable and helpless as Government ordered that the allowance should be stopped from 26th December 1895 and that not a pie should be paid for the month of January 1896.

The petitioner respectfully begs that early orders

orders may be passed on the subject so that he may not be inconvenienced by starvation which is staring at his face.

This is the specimen of petitioner's handwriting which may meet with your kind approbation.

The petitioner begs to remain
With due Respect
