SUBJECT.

Protesting against the appointment of one Ishaq Hussain Sahib as Superintendent of Mayavaram.

The petitioner understands that Prince of Arcot has recommended Govt the appointment of one Ishaq Hussain Sahib as Superintendent of Mayavaram. This man is a brother of Ahmad Hussain Sahib first candidate proposed by Arcot Prince. He is worse than his brother in respect of his pecuniary affairs and his moral character. He is a sickly man besides and intends to lead the duties of the office in question discharged by his brother Ahmad. Another brother is employed as a clerk in the Post Office and the Secretary to the Nabob (His Principal) is believed to have had undue dealings in the matter. Under these circumstances the petitioner prays that Govt may be pleased to hold an enquiry into the matter and guard the interests of charitable institutions.

P.S. Last year we received many petitions protesting against the proposed appointment of the above gentleman Ahmad Hussain Sahib.

Sir,

Ahmed Hussain Sahet has been, we understand, nominated by the Prince as Sadrul-Mahamee of the Mosques & Tombs & pagodas. This nomination is very surprising, the person being too old, inexperienced but confined to his house & is dependent on his wifes Stipends. He does not possess the requisite qualification for the post not being well-versed in Muhammadan Law nor does he know any other Vernacular. His duties are such people whose movements are too by the Police. The Muhammadan Law does not permit to appoint such a person in charge of Endowments as may be found in Encumbered Hereditable Mr. Justice Ameer Ali in Muhammadan Law (1892) Chapter XII. Section 1, para 10 pa

"Any person who is trustworthy and qualified to discharge the duties of the office be appointed Mutwalli."

Since the Prince's province is the law to profit himself obtained to be competent cannot be held to be competently as he is not well-versed in Muhammadan Law nor does he know any other language

possess good character cannot be considered to have been otherwise qualified.

17/2

Please read also Para 2 page 386 of the Commentaries which may also be applied to the appointment of the Prince's nominee.

"When the wakiff (or one who endorses) himself holds the office of "mutwalli"; and is found guilty of misfeasance . . . . . he can be removed . . . . ." This is an important piece of law that is always borne in mind when appointment of a Superintendent of Mosques or limbo is made. When a person who has endorsed his own property or he himself is the manager of the trust property, but by misappropriation or misfeasance or is found in any way guilty of conduct whether private or public can be removed from the post of mutwalli such the best proof in another charge. In light of the above person who has been nominated, but who is found guilty of misappropriation may easily be removed from the post.

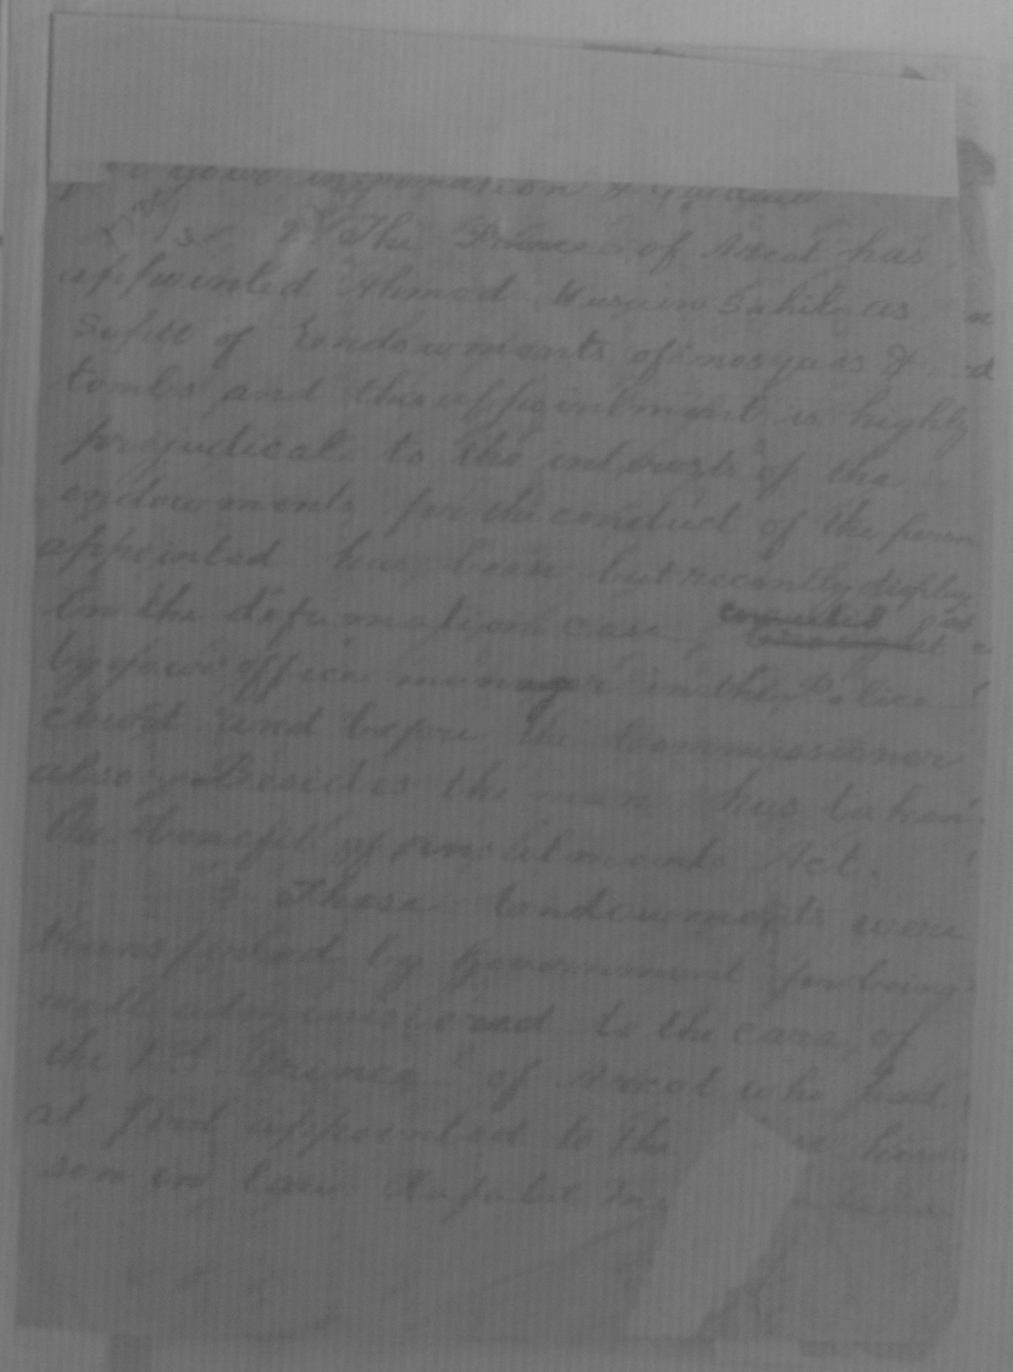

Mr Ahmed Hussein Sabeh has committed the offence of perjury by giving false declaration and evidence in the Magistrate Court and declaring that the evidence given by him in the Commissioner of Police was not true may be charged with having committed misfeasance.

Thanking to remain

Sir,

Your most obedient servant

Protesting against the appt. of Ahmed Hussain Sahib as Supt of Endowments Offerings & Tombs

We respectfully beg to submit the following facts concern the Mahomedan Community of the City of Madras the hope that you will be pleased to lay them before His Excellency the Governor in Council for due consideration

1. The Board of Revenue has nominated Ahmed Hussain Sahib as Superintendent of Mosques and Endowments in Epicopy letters appearing in the Egmore Magistrates Court on last month account of which is given in the Madras Times and Standard & idem. The said gentleman on a Summons being issued by Police, absconded to Bangalore, where per he was obliged to appear and give evidence when produced with a warrant

3 The aforesaid cahib is in Embarrassment, and having repossessed his own property he mortgaged to one Sibyathuddin Sahib a house and carriage that was not his property and received to pay But the mortgagee knowing the cahib as a cheating one, wanted to take action owning to friends intercession the cahib dropped - Another instance of cheating of the said Ahmed Hussain may be cited - Hussain Sahib had opened business in Beddes with the partnership of a Cabul merchant, from whom the said cahib intending to obtain fraudulent possession of money got him into a Criminal Case but when it was proved that the cahib was a convicted one, he was acquitted

4 Further the said Ahmed Hussain Sahib in connection with Ahmed Mohiudin Khan Bahadur Gulam Qawder Khan Sahib who recently brought malicious and false charges against the Manager of the Arm the Paymaster office, has given false evidence before the Police. & the Case Could not stand, the Manager took action against each of them

management of these Endowments by the Board
[illegible] to the Committee

and no action taken by [illegible]

Hussain Sahib in the defamatory case brought by the [illegible] against Cauder Khan Sahib before the Magistrate has retarded his former [illegible]
taken by the Commissioners of Police and has declared that that was [illegible]
of Ahmed would be quite apparent how reliable the Gentleman is [illegible]
for report of the Commissioners regarding the property of Ahmed Hussain
& have removed his name from the list of Commissioners [illegible]
the Endowment of which we are discussing are [illegible]
religious purposes of the Mosalem Public and appropriated for the [illegible]
ed for the support and maintenance of Widows and Orphans the poor
tenants of the Endowments, the Expenditure of the Endowed
Estates, Charges for such persons whose appointment according this Ordinance under
said Ahmed Hussain Sahib, refuse or neglect or wilfully wantonly
carelessly offended, and finally that steps will speedily be taken and
one of the trust properties and that having with the object of providing
must hereinafter who are poor dearer the Endowments who are in
ve of the Endowments and that he will have a fair hand without any
whatever in the proceeds and revenues obtainable from the Endowments
other than the Founders to the Estates and no appeal can be made against
steps.

[illegible] grants for the upkeep and expenses connecting the Endowments
to the Tamasha Fee and the income derived by these Endowments
Thus the whole sum amounts to 1000.

The Prince of Arcot intends to create a similar power in favor of the
Ahmed Hussain Sahib executive Government which as many valuable
trust properties be entrusted to their care, we apprehend that he will
them for wrongful profit, which is against the Mahommedan Law and

I have thus taken every reasonable [illegible]

8. Having given an account of the private life of the late Ahmed Hussain Sahib, we leave it to Government to [illegible] properly whether he is the right man for the place, in as much as trustworthiness is an essential qualification required of any one intended to be placed in charge of such responsible post as [illegible] Mutwalli (Superintendent) and whether such character be placed in charge the trust properties he may be removed. Thamasa having taken the benefit of the Inculvent Act to meet his own and to place the Endowments in charge of such Characters clearly means taking annihilation and destruction to the trust properties. Like other Mutwallies who have sold away and looted out for wrongful period the Endowed [illegible] under their charge and brought down in consequence of their unlawful act, destruction over those endowed properties, the same incidents will befall in case of the Endowments under the Power shown the nomination of Ahmed Hussain Sahib be approved by Government

9 The said Ahmed Hussain Sahib belongs to the Khandania Dues, whose members were entirely from want of confidence, excluded from the Arcot Durbar and kept away in consequence of their mal practices and misbehaviour

10 In the Agency of Col Wilson the late Post Agent Chingleput similar incident occurred. The first Prince of Arcot appointed his son-in-law Rafathoal Mulk Bahadur to the post of Supt of the Endowments, who had misappropriated the revenues for his private purposes and spent in hoarding dancing parties and other luxuries. When the matter was brought to Col Wilson's notice the said Bahadur was at once removed from the post and the late Moulvi Theroofat Khan Bahadur appointed in his stead.

11 Even the Government has power in the better administration of these Trust deeds and pledged itself to have entire management of these Endowments by [illegible] Government

[illegible] of the Nomination of these trust properties.

The last incumbent of the post namely Maulvi Thayiat

CHIEF SECRETARY'S
GOVERNMENT
5 AUG 95

Respected Sir

I most humbly beg to bring the following few lines to your notice with a humble request that your honor will be pleased to submit the same for the favorable consideration of His Excellency the Governor in Council

1. That under the prince of Arcot there is an Endowment at Trichinopoly for the up keep of the mosques and tombs together

2. While these endowments were under the first prince of Arcot, H. H. appointed his Son-in-law Rifat ul mulk Bahadur as Superintendent and sent him to Trichinopoly but on account of his mismanagement we hear, Government agent asked the then Prince to remove him from the office. This was accordingly done, and subsequently H. H. desired to fill the vacancy by appointing Hyder Jung Bahadur his Secretary and on communicating the fact to the Government agent at Chepauk he did not approve of

it, but asked the Prince, we hear, to
for the post on Monbair Syed Inayesh-
-ullah Bahadur, Shamsul Ulema, accor-
-dingly to his request, this post was conferred
on him, and he held the post until his death
in January 1894. We submit that this Gen-
-tleman conducted his duties efficiently
that not a single complaint was forward-
-ed against him, and through his pursuity
he had a well constructed at Lucknipoly
from his own pocket. In fact we think he
was the right man in the right place. He
recived not a single pie from the income of
the Endowments but mostly fed his own
property for their improvement.

3. Since after the death of the said
Inayesh Khan Bahadur the duties of the
office were conducted as usual. We now
hear that the present Prince of Arcot has
given the post to one Ahmed Hussain
Sahib a brother of his Secretary.

4. That personally we have no objection
to his appointment but what we desire
to submit is that for the good management
of the Endowments it is necessary that a
well experienced honest and learned man
should be appointed or at least the post
should be given to a man of unquestionable

5. [illegible]
By Ahmed Hoosain Sahib's appointment, we
compelled to write very reluctantly about
his character which is well known to all
for consideration with a humble request
to kindly judge whether a man of such
character can be given such a high and
responsible post and whether he will
be able to carry on the duties satisfactorily.

6. The appointment has connection with money
matters and Ahmed Hoosain Saib, being
an Insolvent, who has obtained the benefit of
the act without using the money properly will
certainly embezzle it, and he is not an honest
man too, as will be seen from the evidence he
gave before the Police Officer in the case of the
Paymasters office, and that given before the
Chief Presidency Magistrate where his attend-
-ance was compelled by means of a warrant
in a defamatory case brought by the manager
of the said office. We have many other instances
of his questionable character but we think
that what we have stated above is quite
sufficient to enable you to form an
opinion about him.

7. Under these circumstances, we re-
-spectfully pray that Government

...rnment will kindly save the Endowment
...s King the Prince to cancel the appoint-
...of Ahmed Hossain Sahab to the

While Such being the Case if the Appointment Were to be Confirmed by Your Honor Just like do Prince Parot Certainly the Endowment Profitties are all will Come down in the Worse Condition not having a Court Thing to proceed further Besides he is in the habit of interfearing in dofamatory Cases time and time. the same Manner informed days the first Prince Parot appointed his son in law. to the very same post who, having spoiled all the Profitties of the Endowment in dancing parties and in 12 months Days. Which Matter was Known to (Col) Wilson who Advised him to the Prince Parot to Dismiss from the Service

Sir,

We, the undersigned muhammadan members of the Mahomedan religious endowments Committee, are sorry to be obliged respectfully to report for the information of Govt that Ahmed Hussain Saheb the nominee of the Prince of Arcot for the post of the Superintendent of mosques, shrines and Endowments [illegible] is a bad character and unfit to be entrusted with any office connected with Islam. His character was exposed by him in the Police Commissioner's Court and in the Egmore Magistrate's Court and has been published in the Madras newspapers. We therefore object to his being appointed to any office of trust in charge of trust properties. The Mahomedan law imposes two important conditions for the appointment of a Mutawalli of such Endowment properties.

We respectfully beg to submit the following facts which we hope that you will be pleased to lay before His excellency the Governor in Council for due Consideration. The Prime of arcot has nominated Ahamed Hussain sahib as supt of Nongues & Endowments in Spite of the latter perjury in the Egmore Magistrate Court in the last month an event of which is given in the Madras Times & Standard of the 8th Inst. The said gentlemen on a summons being issued by the Police absconded himself to Bengalore, whereupon he was obliged to appear to his evidence when pressed with a warrant.

(2) The aforesaid gentlemen is an Insolvent & having represented as his own property he most gazed to some gentlemen a horse & Carriage that were not his property & Realised loan. Like the manner the said sahib has done good many instances of cheating to so many people & caught up in several Criminal Cases. and whose real actions cannot be described in this by us. and also he is a great debtor and untrustworthy. Like this manner a Limited incident occured in the Agency of Col. Wilson the late Govt Agent Chingleput which was the first Phume of Arcot appointed her son in law. Rafathoal mullk Bdr to the Post of the supt of these endowments, who has misappropriated the Revenues of this private purposes & spent in Holding dancing parties & for other luxuries. When this matter was brought to Col Wilsons notice the said Rahmdoor was at once removed from the post and the late Thorozuk Khan Bdr was appointed in his stead at the instance of Col Wilson after his death the work was peaceably Conducted by the Sub or Divisor. The said appointment were to be given to Ahamed Hussain we do not this man will act as Rafathull Mullk Bdr & there will be no objection to destroy the properties of endowments we are only describing are chiefly for the Religious purposes. Therefore we all request the Govt to Consider well regarding the characters of Ahamed Hussain & Kindly Cancell & remove the names from the list & make proper Arrangement in the matter.

The Chief Secretary to Government
Ootacamund.

Respected Sir,

As the benevolent Government is always trying to better the Condition of Endowments, it became incumbent upon us to submit respectfully the following for your consideration

1 That there are two Jaghirs granted for the maintenance and upkeep of the Wallajahi and Anwari Mosques - After the death of the last Muthawalli Khidabuth Khan, his illegitimate son succeeded him. The man being unable to conduct the duties connected therewith, gave power of attorney to the Turkish Consul, Abdul Azeez Pasha Sahib

2. The present Prince of Arcot becoming aware of the inability of the Muthawalli, appointed one Shamsul Ulema Moulavi Inayat Khan Sahib whomas Superintendent of all the Mosques and Endowments as Muthawalli of Wallajahi and Anwari Mosques also. Up to the death of the latter gentleman, Abdul Aziz Pasha was not to do anything, but after his death, he made a secret league with the servants of the Prince and through their intervention got the Jaghs registered in the name of the illegitimate Muthawalli from whom he had obtained the power of Attorney and afterwards collected all the long standing rents of the villages, but on proving them to the Prince, converted the to his own use and now Abdul Aziz

Yrs

Dahib converting the Jonkiat Joghir, which was conditional into a hereditary one, had mortgaged to himself for 20 years and then made the Prince to severe all connection with those Joghir villages. In the result of this, the condition of the Mosques in question and the hereditary Servants are being deteriorated and become worse than ever. In the meantime it is now notorious that the Prince of Arcot has appointed a notorious perjurer, a dishonest and insolvent man, Ahmed Hussain, whose perjury is still fresh in the memory of all, to the Superintendentship of the Mosques and Endowments at Trichinopoly

3 That we hear that the Government has been requested to accept his appointment, we, therefore, hope that Government will consider this question carefully, and not allow the Endowments, upon which depends the maintenance of many a Mosque into the hands of a man who is not only incompetent, but also dishonest.

We beg to Remain,

Respected Sir,

4. When the said Prince fell ill, his wife (Begum Sahiba) succeeded in assuming the agency thereby effecting his resignation and securing the agencyship to her son-in-law, Hafiz ali Mazhar Wali Bahadur whose tenure of office was a series of misery which resulted in the misappropriation of Rupees Four thousand (Rs 5000) which was the balance during Moulavi Thirazish Khan Bahadur's time. Nay, there was a regular confusion in the ordinary business and the Jaghirs of the Ammary and Wallajahs Mosques in Madras that were in the possession of the Prince were despotically made over to some strangers. After the death of the Prince, he attributed the expenditure of the said sum to the dictates of the Begum Sahiba and got himself relieved whereby the remaining property was saved.

5. When Azeemjah Mohammade Munawar Khan Bahadur was made the Prince, he appointed the said Thirazish Khan Bahadur as his agent. As he was a wise and experienced gentleman, the mischievous policy of the Counsellors of the Prince could not, in any way, affect the agent. During his last term of office, he had recourse to such steps as would regain the property lost by Hafiz ali Mazhar Khan Bahadur and he spent the office money complemented by his own purse to have his object achieved, but just at the time when his labours were to be crowned with success, he was taken from this world. Before his death, on account of his dotage, he had appointed his secretary as his assistant and trained him well in the conduct of the work who, having succeeded him, has been managing the work satisfactorily.

6. The 4th Prince, having been guarded by his impious and faithless Counsellors, has made over Jaghirs of the Ammary and Wallajahs Mosques i.e. Thousand Pagodas and Rupees, nominally to the Muthawalli of the Mosque but really to some strangers on forfeiture of the Court expenses even although they were about to be regained and added to the Mosques' Endowments. The Prince has consequently nothing to do with them nor can the Government exercise any controle over the said Jaghirs. The man to whom the Jaghirs have been granted was formerly declared to be quite incompetent and a petition was sent to the Government against him by the Prince after the death of Moulavi Thirazish Khan Bahadur. Having afterwards been either misled by ignorance or actuated by any selfish motive, the Secretary or some other high officer has signed a petition for the Prince and addressed the Government interceding on [illegible] glorious times. Besides, the whole of the [illegible] Jaghirs has

12/89

taken a different course altogether. The new possessors of the land having been excited by the prejudices against the Tyrolo have collected large sums from them which has impoverished them greatly and yet none does them justice. The money thus collected has been done away with. The old servants attached to the Mosques are suffering very much for want of regular payment of their salaries, but their suspension & transfer are regularly being effected which has greatly perplexed them. The Prince always turns a deaf ear to their grievances & rather takes delight in seeing them oppressed and he never ponders over the fact that making over the property of the Mosques is beyond his Jurisdiction and does not see that the possession of land attached to and in front of the Mosque Court, in accordance with Muhammadan Law be enjoyed by particular persons and being afraid that the old servants who know the ins and outs of all the irregularities & mismanagement on the part of the Counsellors of the Prince, they intend to do away with such of the faithful servants to us are the well-wishers of the Endowments.

2. The fact that the Prince himself is not Commanding good sense is obvious to the Govt itself. The fact of his having spent a large sum in the civil suit filed by his divorced wife and then having given her Rs 12000. inspite of Lavana (deprivation of one's claims) being executed by her is a cogent reason to corroborate the said statement. When the Prince is such & his advisors are so, the Government can very easily moderate the state of affairs.

Meanwhile the petitioner was given to understand that one, Ahmad Hussain Sahib, the brother of the secretary to the Prince and attached to the Carnatic family is to be appointed the Sadral Mehal of the Prince. The affairs of the Mosques having been concerned with the appointment it was indispensibly necessary to enquire into his conduct when the remarkable Presidency Magistrate, Eagmore, made a search the incidence of this man who was formerly an accused in the Carnatic Stipend appeal Defamation case but who some how or other succeeded to effect a compromise with the complainant as stated in the Khansul Akhbar a well known and long standing vernacular Local paper No 31 Volume 37 dated 5th August 1895, struck the petitioner with terror. The contradictory evidence of his as given before the Commissioner & the Magistrate is as obvious as anything and the fact of his having appeared before the Court by virtue of a warrant served on him serves a sta[illegible] to his respectability. If

a man is to be nominated as the Sadrul Meham, it might be easily understood that the Prince has totally lost the power of discrimination.

In case of any dishonesty being noticed as played by the present servants of the Mosque the Prince has right to resort to legal actions against and should the charges be proved, they might be replaced by honest, experienced & popular gentleman holding Government Pension & then ~~the most benefit~~ Endowments for whose up-keep the benign Government has been so closely watching will be totally crippled.

Under the above circumstances, the memorialist begs to crave Your Excellency be pleased to give due weight thereto so that the paid Endowments might be saved.

The local news-paper referred to above has been herewith submitted for Your Excellency's favourable perusal.

The petrs hear that Ahmed Hussain Sahib brother of the Secretary to the Prince of Arcot has been appointed as Manager of the Mosque charities at Trichinopoly. They submit that this gentleman is a bankrupt. that he is credited with having had a hand in many fraudulent practices and that he is sure to abuse the power that may be placed in him, the more so since he is the brother of an influential man. Protesting against the appointment of Ahmed Hussain Sahib as Manager of the Mosque Charities.

Lodged.

The petitioners state as follows:-

For the last 40 years the Mosque Charities at Trichinopoly have been conducted to the entire satisfaction of the Mahomedan community of the place. A danger has now arisen to these religious endowments by the appointment of Ahmed Hussain Sahib as Manager of the above Charities. Ever since the death of Therajidh Khan Bahadur two years ago, his subordinates have been conducting the above charities without abusing the trust placed in them. It is therefore unnecessary that a new manager should be appointed. Under the circumstances the petrs pray that Govt will be pleased to reconsider the case and issue such orders in the matter.

Protesting against the appt. of Ahmed Hussain Sahib as "Dharmakarta" of the Inaqui Endowments at Trichinopoly.

Anonymous.

The petrs hear that the Prince of Arcot is about to appoint Ahmed Hussain Sahib as "Dharmakarta" of the Inaqui endowments at Trichinopoly. The petrs submit that in the days of Col. Wilson the son-in-law of the First Prince of Arcot was appointed to the office; but as he abused the trust reposed in him Col Wilson bestowed the office on trustworthy private individuals. Ever since the arrangement the charities have been conducted under the General applause of the Muslim Community. But as the appt. of the above-named gentleman is likely to cause popular discontent, the petrs pray that Govt. will be pleased to institute an enquiry into the matter of the disqualifications of the new nominee to the office and issue such orders in the case.

Sir, We, the Muhammadans of Trichinopoly beg respectfully to lay the following for the very favourable Consideration of Government.

2. It is known to all what character Ghoumd Hussain Sahib the Nominee of the Prince of Arcot for the appointment of the Sudderub Muhammadan Mosques, Endowments and Tombs bears; it is needless to enter into details here: suffice it to say that he is not a trustworthy man.

3. We beg to submit that we are quite aware of his appointment and we therefore trust that Government will decline his nomination and appoint a reliable and throughly trustworthy gentleman.

GOVERNMENT OF MADRAS

We respectfully beg to submit the following facts which concern the muhammadan community of the city of Madras in the hope that you will be pleased to lay them before, His Excellency the Governor in council for due consideration.

2. The Prince of Arcot has nominated Ahmed Hussain sahib as superintendent of mosques and endowments in spite of the latters perjury in the Egmore magistrates Court in the last month an account of which is given in the Madras Times and Standard of the 8th idem. The said gentleman on a summons being issued by the Police absconded himself to Bangalore, where from he was obliged to appear to give his evidence when pursued with a warrant.

3. The aforesaid sahib is an insolvent and having represented as his own property he mortgaged to one Subgathulla Sahib a horse and Carriage that were not his property and received loan. But the mortgagor knowing that that the case was a cheating one, wanted to take action, but owing to friends intercession the case was dropped. which these matters are known to the Prince of Arcot while such being the case, how this appointment can be given to such a man whom his character

are perfectly aware, therefore we pray the Government to consult this matter and trust that Government will arrange in a regular way. From which act of kindness we shall be always praying for your long life and prosperity.

46/1/11

Sir Bourne,

Enclosed I forward a letter which I have received from a person signing himself "Anonymous" at Madras, and which I am directed to submit to the Secretary of State for his information.

2. The writer appears to be actuated by a desire to injure the Superintendent of the Inhambane Lighthouse, but as the matter is of questionable importance, I do not think it necessary to trouble you with the letter.

Before the Chief Keeper left England he was informed that his conduct in connection with the Inhambane Lighthouse had been unsatisfactory, and that unless he could show cause to the contrary he would be dismissed the service. He was also informed that any communication he might have to make to the Board of Trade should be made through the Portuguese Consul-General in London, and not addressed direct to the Lighthouse Department.

3. The Chief Keeper's conduct was, I understand, brought before the Portuguese Consul-General in London, and he was informed that in consequence of his conduct in 1894 he was debarred from the privilege of entering into the port of Lourenço Marques. Before he left England he was informed that any communication he might have to make to the Board of Trade should be made through the Portuguese Consul-General in London, and not addressed direct to the Lighthouse Department.

4. I am to request that you will move the Secretary of State to cause the Portuguese Consul-General in London to be informed that the Chief Keeper has been dismissed the service, and that the Board of Trade will not in future correspond with him on the subject of the Inhambane Lighthouse.

5. I am to add that the Chief Keeper has been informed that he will be allowed to retain his pension, and that he will be paid his salary up to the 31st instant, and that he will be required to hand over the records of the station to the Portuguese Consul-General in London.

6. I am to request that you will move the Secretary of State to cause the Portuguese Consul-General in London to be informed that the Chief Keeper has been dismissed the service, and that the Board of Trade will not in future correspond with him on the subject of the Inhambane Lighthouse.

Re. Mr Irvine Endorsements.

The Prince of Arcot has appointed Ahmad Mustafa Sahib as the agent of the managers and trustees at Trichinopoly. Regarding his conduct both the English and Native newspapers have published a great deal. Nabob Ajim Shah Bahadur had appointed one Rafi Ahmad Sahib in 1871 as a trustee by his misconduct he forfeited his appointment, he was attached] & the present nominee will surely bring down all the evil consequences.

ಕರ್ನಾಟಕ ಸರ್ಕಾರದ ಕಾರ್ಯದರ್ಶಿಗಳು ಮತ್ತು ಆಯುಕ್ತರು ಕೃಷಿ ಇಲಾಖೆ ಇವರಿಗೆ ಸಲ್ಲಿಸುವ ಮನವಿ ಪತ್ರ.

ಮಾನ್ಯರೇ,

ಕರ್ನಾಟಕ ರಾಜ್ಯದ ಕೃಷಿ ಕಾರ್ಮಿಕರ ಪರವಾಗಿ ಈ ಮನವಿಯನ್ನು ಸಲ್ಲಿಸುತ್ತಿದ್ದೇವೆ. ಕಳೆದ ಹಲವು ವರ್ಷಗಳಿಂದ ಕೃಷಿ ಕಾರ್ಮಿಕರ ಕೂಲಿ ದರಗಳು ಹೆಚ್ಚಳವಾಗಿಲ್ಲ. ಆದರೆ ಜೀವನ ವೆಚ್ಚ ಮಾತ್ರ ಗಗನಕ್ಕೇರಿದೆ. ಈ ಅಸಮತೋಲನದಿಂದಾಗಿ ಕೃಷಿ ಕಾರ್ಮಿಕರ ಕುಟುಂಬಗಳು ತೀವ್ರ ಸಂಕಷ್ಟವನ್ನು ಎದುರಿಸುತ್ತಿವೆ.

ಪ್ರಸ್ತುತ ಕನಿಷ್ಠ ಕೂಲಿ ದರವು ಪುರುಷರಿಗೆ ದಿನಕ್ಕೆ ಕೇವಲ ಮುನ್ನೂರು ರೂಪಾಯಿಗಳಾಗಿದ್ದು, ಮಹಿಳೆಯರಿಗೆ ಇನ್ನೂರೈವತ್ತು ರೂಪಾಯಿಗಳಾಗಿದೆ. ಇದು ಕನಿಷ್ಠ ಅವಶ್ಯಕತೆಗಳನ್ನು ಪೂರೈಸಲು ಸಾಕಾಗುವುದಿಲ್ಲ. ಆದ್ದರಿಂದ ಕೂಲಿ ದರವನ್ನು ಕನಿಷ್ಠ ಐವತ್ತು ಪ್ರತಿಶತದಷ್ಟು ಹೆಚ್ಚಿಸಬೇಕೆಂದು ನಾವು ಒತ್ತಾಯಿಸುತ್ತೇವೆ.

ಕೃಷಿ ಕಾರ್ಮಿಕರಿಗೆ ಸಾಮಾಜಿಕ ಭದ್ರತೆಯ ಯಾವುದೇ ಸೌಲಭ್ಯಗಳಿಲ್ಲ. ಅನಾರೋಗ್ಯ, ಅಪಘಾತ ಅಥವಾ ವೃದ್ಧಾಪ್ಯದಲ್ಲಿ ಅವರಿಗೆ ಯಾವುದೇ ಆಸರೆಯಿಲ್ಲ. ಆದ್ದರಿಂದ ಕೃಷಿ ಕಾರ್ಮಿಕರಿಗಾಗಿ ಪ್ರತ್ಯೇಕ ಕಲ್ಯಾಣ ನಿಧಿಯನ್ನು ಸ್ಥಾಪಿಸಬೇಕು. ಈ ನಿಧಿಗೆ ಭೂಮಾಲೀಕರು ಮತ್ತು ಸರ್ಕಾರ ಸಮಾನ ಪ್ರಮಾಣದಲ್ಲಿ ಕೊಡುಗೆ ನೀಡಬೇಕು.

ಕೆಲಸದ ಅವಧಿಯನ್ನು ದಿನಕ್ಕೆ ಗರಿಷ್ಠ ಎಂಟು ಗಂಟೆಗಳಿಗೆ ಸೀಮಿತಗೊಳಿಸಬೇಕು. ಅಧಿಕ ಅವಧಿಯ ಕೆಲಸಕ್ಕೆ ಎರಡು ಪಟ್ಟು ಕೂಲಿ ನೀಡಬೇಕು. ಮಹಿಳೆಯರು ಮತ್ತು ಮಕ್ಕಳಿಂದ ಕೃಷಿ ಕೆಲಸ ಮಾಡಿಸುವುದನ್ನು ಸಂಪೂರ್ಣವಾಗಿ ನಿಷೇಧಿಸಬೇಕು.

ಕೃಷಿ ಕಾರ್ಮಿಕರಿಗೆ ಸಂಘಟನೆಯ ಹಕ್ಕನ್ನು ಖಾತರಿಪಡಿಸಬೇಕು. ಯಾವುದೇ ಕಾರ್ಮಿಕ ಸಂಘಟನೆಯ ಸದಸ್ಯರಾಗಿರುವ ಕಾರಣಕ್ಕಾಗಿ ಯಾರನ್ನೂ ಕೆಲಸದಿಂದ ತೆಗೆದುಹಾಕಬಾರದು. ಸಂಘಟನೆಯ ಪ್ರತಿನಿಧಿಗಳೊಂದಿಗೆ ಸಾಮೂಹಿಕ ಚೌಕಾಸಿಗೆ ಅವಕಾಶ ಕಲ್ಪಿಸಬೇಕು.

ಕೃಷಿ ಕಾರ್ಮಿಕರ ಮಕ್ಕಳಿಗೆ ಉಚಿತ ಶಿಕ್ಷಣ ಮತ್ತು ಮಧ್ಯಾಹ್ನದ ಬಿಸಿಯೂಟದ ವ್ಯವಸ್ಥೆಯನ್ನು ಕಲ್ಪಿಸಬೇಕು. ಶಾಲೆಗಳಲ್ಲಿ ಹಾಜರಾತಿಗೆ ಪ್ರೋತ್ಸಾಹಧನ ನೀಡಬೇಕು.

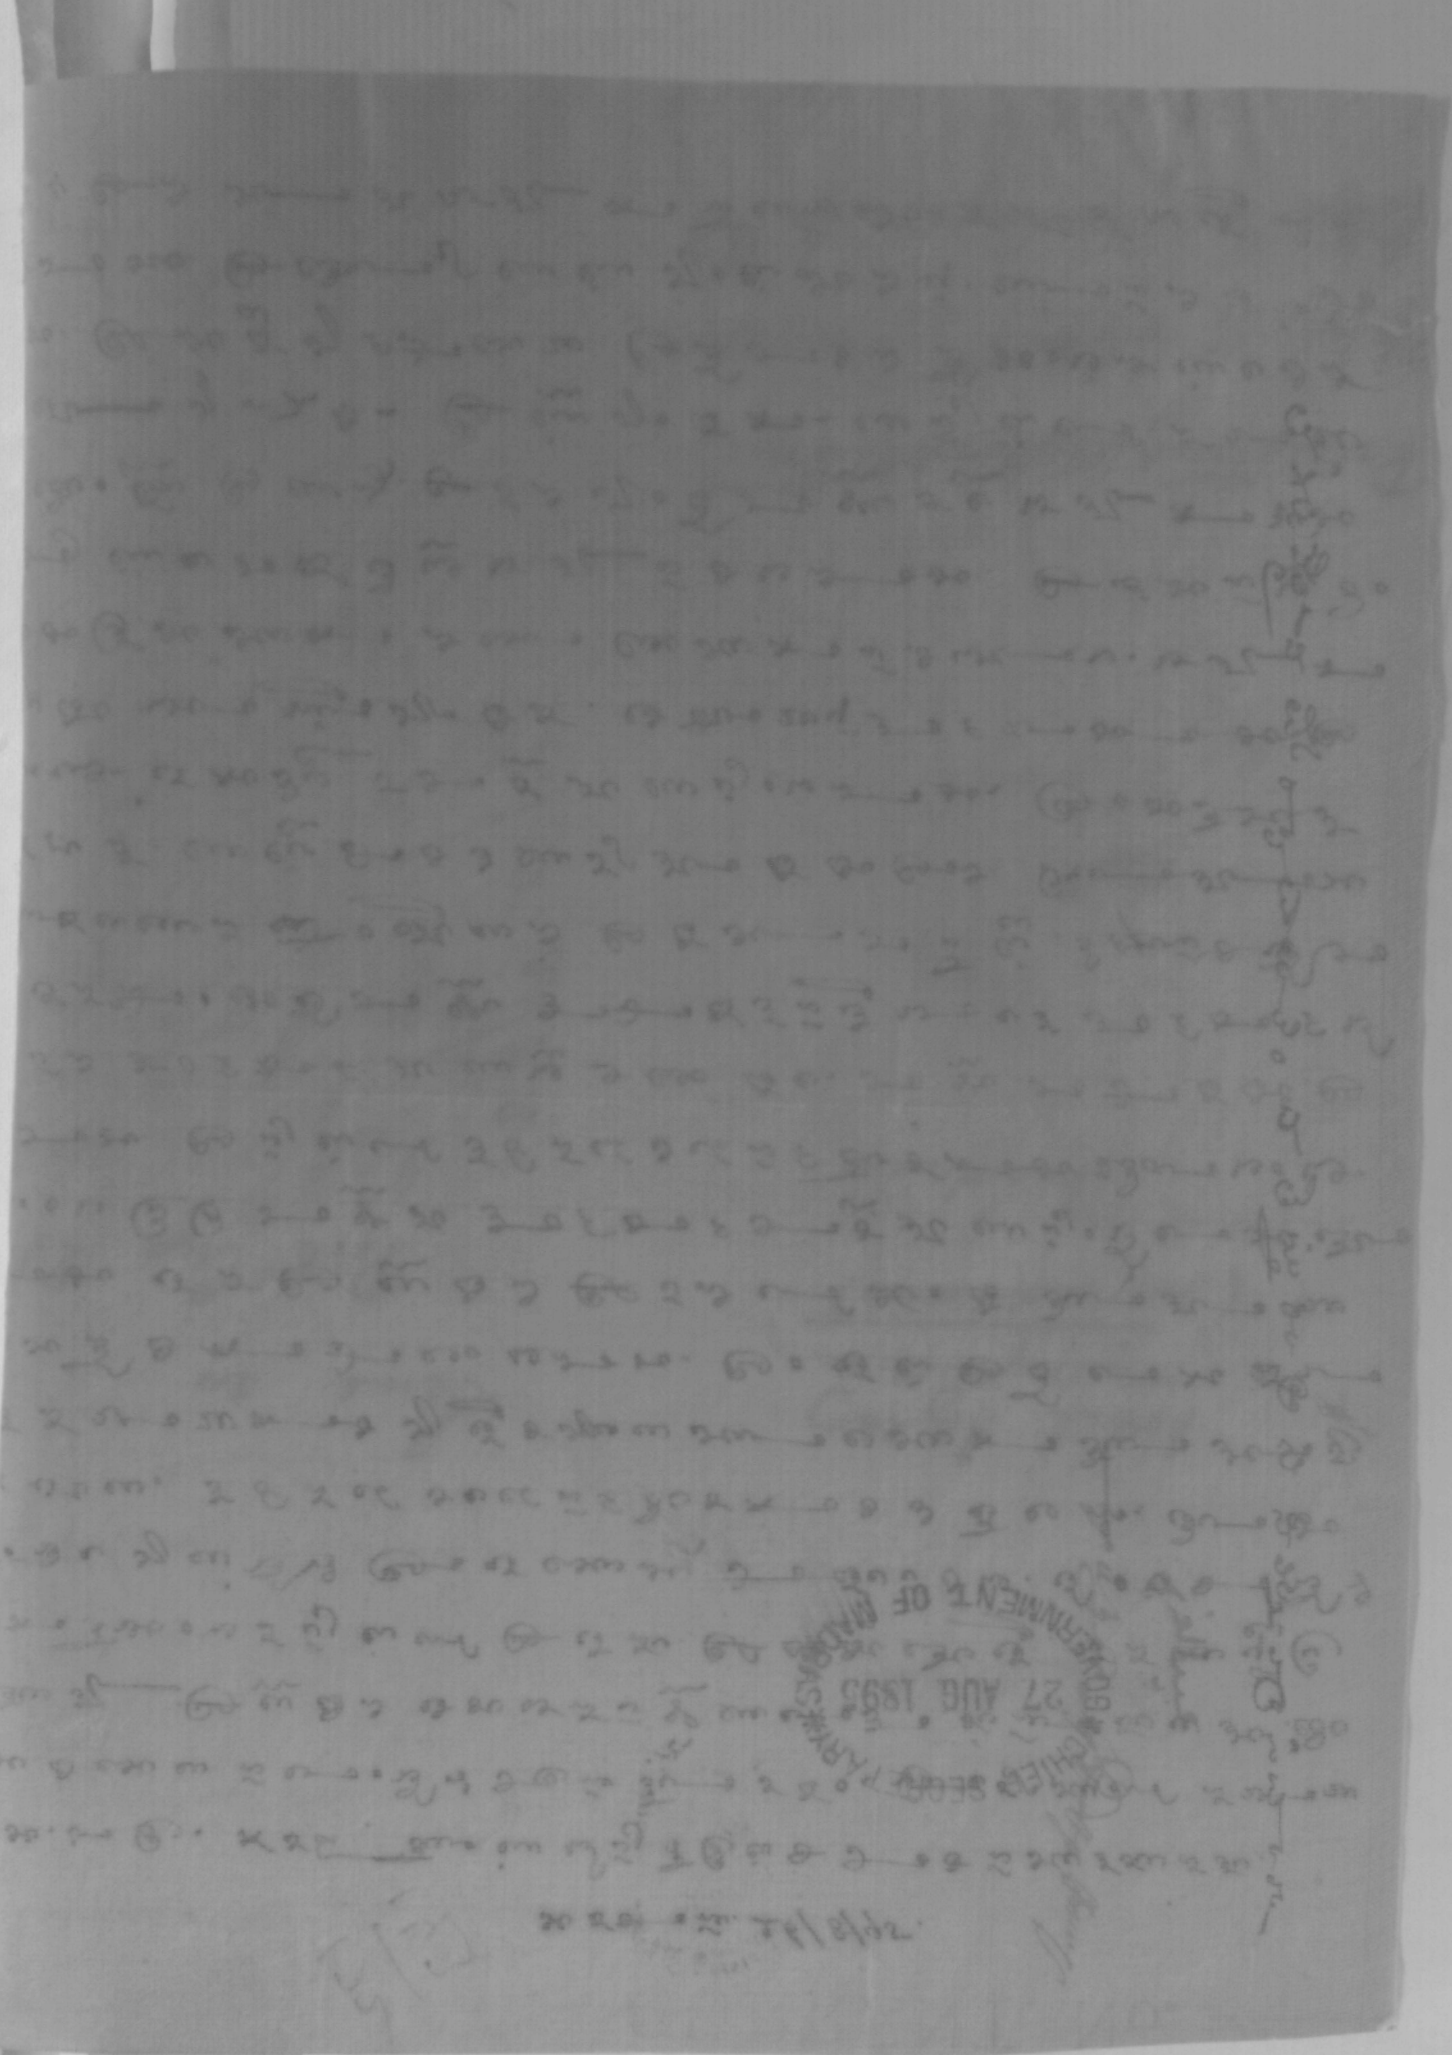

ಕೃಷಿ ಕಾರ್ಮಿಕರಿಗೆ ಕೈಗೆಟುಕುವ ದರದಲ್ಲಿ ವಸತಿ ಸೌಲಭ್ಯವನ್ನು ಒದಗಿಸಬೇಕು. ಗ್ರಾಮೀಣ ಪ್ರದೇಶಗಳಲ್ಲಿ ಕನಿಷ್ಠ ಮೂಲಸೌಕರ್ಯಗಳಾದ ಕುಡಿಯುವ ನೀರು, ವಿದ್ಯುತ್ ಮತ್ತು ಶೌಚಾಲಯಗಳನ್ನು ಒದಗಿಸಬೇಕು.

ಈ ಬೇಡಿಕೆಗಳನ್ನು ಈಡೇರಿಸಲು ಸರ್ಕಾರವು ತಕ್ಷಣ ಕ್ರಮ ಕೈಗೊಳ್ಳಬೇಕೆಂದು ನಾವು ಆಗ್ರಹಿಸುತ್ತೇವೆ. ಇಲ್ಲದಿದ್ದಲ್ಲಿ ರಾಜ್ಯದಾದ್ಯಂತ ಕೃಷಿ ಕಾರ್ಮಿಕರು ಹಂತ ಹಂತವಾಗಿ ಪ್ರತಿಭಟನೆಗಳನ್ನು ಆರಂಭಿಸಲಿದ್ದಾರೆ ಎಂಬುದನ್ನು ತಮ್ಮ ಗಮನಕ್ಕೆ ತರಲಾಗಿದೆ.

ಧನ್ಯವಾದಗಳೊಂದಿಗೆ,

ಕೃಷಿ ಕಾರ್ಮಿಕರ ಸಂಘಟನೆಗಳ ಒಕ್ಕೂಟದ ಪರವಾಗಿ,

ಕಾರ್ಯದರ್ಶಿ

Honored Sir

We most respectfully beg to inform your honour a few lines which we hope it will meet with success.

In Madras there was a Merchant named Sabathar alli Sahib, Jeweller whose brother in law Mahamad alli Sahib from him the present Named Hussain Sahib Nominated as a Superintendent of Mosques and tombs of Triplicane by the present prince of Arcot, Made a trick telling him to give some Gold jewels that he would go and Show to Nhamaddoni Begum sahiba accordingly the above Mahamad alli Sahib gave a few gold jewels which the Named Hussain Sahib sold them to another person for Cash and received the Money. this Matter was known to Mahamed alli Sahib. and he at once Made a police Summons against Named Hussain Sahib, then by some other friends this matter was brought down to peace and gave a promissory note for the amount of the Cost of the Jewels

After that when the Named Hussain Sahib was taken into Custody and he gave a notice to Mahamed alli Sahib for promissory note and deceive the whole amount Such a kind of Character have always possessing with him. And Besides he is an untrust worthy man even in the Police and as well as in Civil Courts. For such a kind of Man the present prince fully bestowed a sole power to Controle

the duties of the Endowments of Srichimpally with a sufficient Salary which was unreasonable

Further we here in enclosed a Copy of the power for your reference, In which agent have a sord power to dismiss or a sentence a fine upon any Servants of Umbo and Jaghirs and have a power to fix Salaries as per his own will, so we also afraid that if Mr. Hamed Hussain Saib were to be permanented as per present powers recommendations, Certainly Hamed Hussain Saib will make good many bad actions regarding his subordinates and will do many hard

Therefore we also pray your honour that you will kindly take interest and appoint a good learned man to the above said post in order to saved the Charitable prosperity

For which act of kindness we shall be ever praying for your long life and prosperity. But we would never forget this good faith

We beg to remain Sir
Your most obedient Servants

CHIEF SECRETARY
13 SEP 1895
GOVERNMENT OF MADRAS

Sir,

I, one of the sixteen creditors of Ahmed Hussain Sahib, whose name is now before Government on the recommendation of the Prince of Arcot for the Appointment of "Sadarul Moahan", respectfully beg to bring the following lines to the careful Consideration of Government.

2. Ahmed Hussain Sahib owed me a few hundred rupees in partnership of transaction in hides, but with a view to close his business and thereby to profit himself by taking the benefit of the Act, he had applied on the 23rd March 1878 for insolvency of an amount exceeding Rs 13,000. No other creditor of his, but myself having opposed, he was discharged on the 26th July 1880 in pursuance of orders of the Court for the relief of Insolvent Debtors at Madras. The proceedings of the court are published at page 672 Part II Fort St. George Gazette dated 10 14 August 1880.

3. Ahmed Hassain Sahib took the benefit of the Act more with the object of cheating his Creditors than on no account of failure of his business; for no one who had been acquainted with the Condition of his business, will deny that his business was most flourishing Condition. In other respects also he has cheated many persons and he is doing so still now.

4. 169

I beg to say that in consequence of his bad and deceitful character he is not at all liked by his own relatives.

5.

As Ahmud Hussaine Sahib did not take the benefit of the Act for fear of his failing in business as can be seen from the Proceedings of the Court, it is but fair to say that he is not an honest man

6.

In view of the foregoing remarks I hope that Government will not be pleased to see its way to yield to the recommendation of the Prince of Arcot to appoint Ahmud Hussain Sahib to such an responsible post as that of the Sadurah Mukam.

I beg to remain

CHIEF SECRETARY
28 SEP. 1895
GOVERNMENT OF MADRAS

Sir,

I respectfully beg permission to submit the following few lines for the deliberation of Government.

2. as instances are not wanting to prove that managers of endowments are not generally conscientious and godly persons in that they do not faithfully fulfil the object for which endowment have been created, but on the Contrary misappropriate the income of endowments without let or hinderance to such an extent as if they were their private property it is a matter of great regret that the rulers take no notice of their malpractices. Their indifference attitude has emboldened the managers to such an extent that they defy law & religion. That the endowment created by the late Nawab of the Carnatic was taken Charge of by Government subsequent to the demise of the last Nawab in 1855 years were put in charge of Madarsool. Coomara Bahadoor, Dewan of the last deceased Nabab. In 1867, some of the endowments were transferred to the charge of Prince Azeemja Bahadoor, who appointed a relative of his as manager of those endowments, but as he failed to discharge his functions honestly and satisfactorily, Col Wilson, the then Government Agent, Chepauk, had him removed from that responsible post with Government permission. Subsequently one Maoulvi Firazish Khan Bahadoor was nominated to the above post with the approval of Government. This Gentleman discharged his duties as manager honestly and faithfully, upto his death, which took place in 1894, but this post remained vacant for a long time. Recently one Ahmed Hussain, who is a member of the Carnatic family has been selected for the above responsible post. This person is the same man who was once in the case of the manager of the office of the Payma Carnatic stipend and dishonestly gave Contradictory statements before the Commissioner and the magistrate (vide Madras Times & Standard dated respectively 8th July 1895 and the Muhammadan dated 10th July 1895) he once took the lease

of the act in 1890 and committed several frauds and dishonest
acts, some of which are as follows (1) He fraudulently mortgaged
some of the carriages belonging to the late Ahmed Commissa
Begum Sahiba during her life-time through one Libzatulla Sahib
(2) Defrauded a Skin-merchant for which he was taken to Police
but through the intercession of friends and respectable men the charge
against him was withdrawn 3) Fraudulently sold certain jewels
which belonged to one Jaffar Ali, an auctioner who sued him in
the Police, but the case was subsequently compounded through the
medium of some of his relatives and friends, one a pro-note for the
value of the jewels was given by him to the auctioner but which
has subsequently included in the Schedule which was filed by him
in 1890 as stated above

3. In short the appointment of such a person as manager of the above endowments is dangerous by reason of his well known dishonesty. The Government as paramount power has every good reason to interfere and exercise its influence in such matters

4. Having recently come to know that this subject is under the consideration of Government I have humbly taken the liberty to bring the above facts to the notice of the Government.

To
The Right Honble the Governor in Council
Fort Saint George.

Most Respectfully Sheweth,

That the undersigned subjects of His Highness the Nizam, respectfully beg to approach His Excellency the Governor in Council, with the following prayer for such consideration as the case merits; and they humbly trust that Government will be pleased to give its best attention to the matter, sparing a few minutes of its valuable time.

2. That, after the death of the last Nawab of the Carnatic, the management of, and control over the Mosques, Tombs, and Endowments under the Nawab of the Carnatic was vested by Government into the hands of the then Dewan-in-Durbar who had efficiently and conscientiously governed those endowed properties.

3. That, subsequently when these Endowments were transferred to the care of Azim Jah Bahadur the first Prince of Arcot, the Prince had appointed one of his [illegible] and discreet relations to the post of Sadarool

[illegible] short time the

[illegible] duties appointment of
the Prince of Arcot, the Memorialist

and misappropriations to his private use the proceeds of those Endowments was removed from the post.

That from the period Nawab Meerazeh Khan Bahadur held the post of the Sadarool Boubar till his death the management was carried on to the entire satisfaction of not only of the Princes of Arcot but also of the public; and those management was all that could be desired; no shortcomings having ever occurred nor any scandal at any time having taken place during the whole tenure of his appointment. The good management continues up to date.

5. That from the letters they have had from their relations and friends in Madras the Memorialists understand that the present Prince of Arcot has since appointed to the post of Sadarool Moubar one Ahmed Hussain Saheb who is a Hindustance and a member of the Carnatic family.

6. That though the Memorialists are not in any respect prejudiced to Ahmed Hussain Saheb, they are nevertheless constrained to point out that the Endowments will if is believed, be very soon undone; that as it is incumbent on the Memorialists part to protect the interests of their friends & relations who are employed in the service of Mosques and Tombs (not [illegible] monopoly and elsewhere) appertaining [illegible] under the Prince of Arcot, the Memorialists

feel it their duty to bring to light the following facts.

9. That, to the management of such trusts a thoroughly trust-worthy, popular, honest and well experienced person should be appointed. True character honesty, popularity and experience in dealings are *prima facie* qualifications required of the appointment.

8 That in the said Ahmed Hussain Sahib none of the above-mentioned qualifications is inherent for the Memorialists read in the Madras "Shamshul Akbar" of the 6 August last an account given therein of his perjury in the case lately brought against the Carnatic Paymaster's office, Cuddapah, and that the Memorialists unhesitatingly are convinced therefrom that the said Ahmed Hussain Sahib is devoid of all the qualifications required of Sadarool Mulkum.

9. That in this connection the Memorialists beg respectfully to submit for the information of His Excellency the Governor-in-Council, Hindustanee gentlemen that have found openings in the several departments of His Highness the Nizam's administration are one and all hard hearted, cruel, merciless and are bent to ruin by the both hands. Therefore

service for long time, even if there be a vacancy of a Chaprasie, these gentlemen send for a man from their native place by means of telegram and get him appointed

10. That the said Ahmed Hussain Sahib is being a Hindustanee and that his conduct has been impeached and questioned in a Public Court in Madras, the Memorialists are consequently susceptible of entertaining grave doubts as to his administration over, and judicious application of the resources of the Endowments: the Memorialists relations or friends who, as it is already pointed, hold their posts from times immemorial will, it would be just possible be one after another gradually removed from their places which came to them hereditary these poor servants will no remedy for their grievances at the hands of the Prince of Arcot who is naturally deaf; the Memorialists are led to believe that the said Ahmed Hussain is dishonest: if such is the case how could it be expected that the affairs of the Endowments will be governed with honesty integrity and propriety.

11 That a monthly salary of Rupees 50 is sanctioned by the Prince to the said Sahib to whom hopes for future promotion to are held out in the

by a well learned, highly qualified and thoroughly
Experienced and philanthropic gentleman since after
the death of Bauleui Khanazish Khan Bahadur; to
meet the pay of the said Ahmed Hussain Sahib, or
pressure will necessarily be brought upon the resources
of the Endowments; or that the poor servants will
have to have decent their meals

2. That in conclusion, the Memorialists sincerely
trust that the British Government which holds its sway
from Europe to Indea will be pleased to release
whether or not the Memorialists are in the right; Should
Government is erroneously led to accept the recom-
mendation of the Prince of Arcot for the nomination
of the said Ahmed Hussain Sahib, the Memorialists
anticipate that there will probably be a disturbance
amongst the Muslim Community of Vellore, Arcot,
Nagore and Trichinopoly and in other Muhamma-
dan Countries.

That in consideration of the above facts, the
Memorialists fervently hope that Government will be
pleased to decline to accede to the Princes recommendation

That the Memorialist will ever feel as
grateful.

The Chief Secretary to Government

[illegible]

Honourable Sir

I have the honour respectfully to bring the following papers relative to the appointment of Karwadi Jagirdar as Sardesai of Sawantwadi

2. The question of the succession to the Sawantwadi Jagir originated with Khem Sawant who died in 1803 leaving a widow Jijibai and a son Pratapsingh by a concubine. Jijibai was at first appointed by the Superintendent of Sawantwadi Jagirs and subsequently in 1812 by the late Resident at Kolhapur to act as Regent during the minority of Pratapsingh. In 1819 Jijibai was confirmed in the Regency by the Government of Bombay and continued to hold it without interruption till her death in 1843. Pratapsingh died in 1844 and was succeeded by his son Khem Sawant III. who was a minor at the time of his father's death. Jijibai was appointed Regent during the minority of Khem Sawant III. by the Government of Bombay and continued to hold the Regency

his intended visit to the holy city of

(3d) It is now duly represented
that the present Prince of Arcot
desires to remove Shurf-ud-

effect that if the Nawab of the

Anonymously being threatened that contrary to Govt orders the Prince of Arcot is still allowing Ahmed Hasain to manage the endowments that, as if to satisfy the public, appointed his brother formally in his place: This brother of Ahmed Hasain is a notorious character having figured himself before the Commissioner of Police in connection with the Zeynabi Office (Depositor) case; he is besides a filthy man though involved in debt. It is strange, the writer says, that the Prince should have set order aside at naught & should be ruled by his secretary. The management of endowments has hitherto been nothing & that a friend should now be appointed & the brother had complain to the Prince about it.

CHIEF SECRETARY'S OFFICE
GOVERNMENT OF MADRAS
5 MAR 1896

Sir,

It is the duty of a person to consider the ultimate result of a project before it is started with, but the affairs of our Prince of Arcot are being carried on in just the opposite lines. It was only six months ago that the said Prince had submitted to Government for its approval, his recommendation respecting Ahmed Hussain to the post of Sudr-ul-Mohams. In spite of the refusal of Government to sanction the recommendation made by the Prince, Ahmed Hussain is still retained in the said appointment with the avowed determination of not to sever him from the place and in order to carry out the wishes of Government for the present only and to support his original recommendation the Prince has sent in his application recommending the relation or brother of the said Ahmed Hussain, so that the said Ahmed Hussain's connection with the appointment may not be severed. These are the tactics suggested by his counsellors of the day namely Ajam Hussain the younger brother of the notorious Ahmed Hussain and to the Princes present minister Ashraf Hussain, and it was on the bad advice given by these the Prince has incurred the displeasure of the

notorious

...d to patronize some one connected ...Azim Hussain's family though there are more qualified and honest persons who can safely be recommended for the post least disregarding what would be the fatal advice of the Government is not heartily accepted.

2. The Secretary to the 1st Prince of Arcot was a thoughtful and business man. When in 1870 the 1st Prince had appointed his son-in-law Raufat-ul-Mulk Bahadur to the post of Sudder-ul-Mohams, and when Colonel Wilson the then Government Agent Chepauk had opposed the nomination; the then Secretary to the 1st Prince wisely suggested the removal of the Raufat-ul-Mulk Bahadur from the place. This sound and healthy suggestion was acted upon and brought its fruitful result.

3. In violation of the precedent quoted above and in opposition to the express orders of Government the Secretary has kept in the appointment under reference his brother Ahmed Hussain and has ...ed the name of his other brother Askary Hussain for the said place, now he has advised the Prince to change his original recommendation.

4. When the present Prince nominated the late Mumtaz Firozah Khan Bahadur none objected to his nomination and after his death when the power of management of the endowments was to be enforced or usurped Overlak no one came forward to oppose the recommendation and no one also opposed to obtain the monies from the treasuries at the ...

5. Since the management of these endowments is being conducted properly after the death of Mumtaz Firozah Khan Bahadur why the necessity of appointing a highly placed and esteemed person is felt, and of introducing in such a responsible post as this a man of no means of no required qualifications, viz., 2 Shares an honest trustworthy and a man of means is appointed we have no objection; but when the case is just the converse we hold Government responsible for its action. We sincerely trust that Government will weigh our opinion and pass favorable orders on this declining to accept the present nomination a nomination least thought of ill-advised and self-interested of Asgar Hussain

Praying that Ashruff Hussain may not be appointed Superintendent of Mosques

Azzul Gunj, Hyderabad,
Deccan 31st March 1896

To

The Hon: Mr. J. D. Price I.C.S
Chief Secretary to Government
Fort St George

Sir,

We, the Muhammadans of this place respectfully beg to submit that on the 9th September last, on behalf of our Co-religionists of the Deccan, submitted to you a telegram and letter dated 17th ideam followed by a subsequent reminder of the 21st October last, touching on the subject of the appointment of ethnic Moorsaan Saib a Sadrool Mucharn (Superintendent) of mosques and Endowments belonging to Muhammadans of Madras and in Council, on charge of the Prince of Arcot

2. We are now informed by our friends at Madras that the said Ahmed Hussain still holds the appointment and looks after the duties pertaining thereto and has been once or twice to Trichinopoly. Ahmed Hussain Saib as already stated is Brother of Azam Hussain Saib being the chief instrument in the whole affairs of Prince, reports his intercourse to the

object of erecting prima facia his own
title to the Ashruff Hussain will be a
Nominal superintendent receiving the
Grants to be from the Collectorates
acquittance, the whole Management
being vested in the hands of the Brother
the said Ahmed Hussain, who will of course
retain the whole of the Revenue

We have strong reasons to infer
Government reliable authority that the said
Ashruff Hussain the would-be Nomi-
nee of the Prince for the Sadrool Mahamis
but however the Representations
mentioned about Ahmed Hussain in our
previous Communications to Government -
The Disqualifications are (1) Poverty
(2) old age (3) Death (4) want of self earned
means (5) Infirmity or Continued sickness
these are the principal Drawbacks stand-
ing in the way of Ashruff Hussain being
appointed by Government as a
Distinct Candidate for the place which
requires personal supervision, honesty
integrity and self-denial spirits and
Constant travelling in the Mofussil

6. We note that the Madras friends have repeatedly memorialised the Prince respectfully protesting against the appointment of Ahmed Hussain to the post of Sadr-ool-Mulkship rendered vacant by the death of our most honored most thy and much beloved Mulvi; no pressure appears to have been brought to bear to the Prince's deaf Ears (which by nature have been ordained to hear); but on the other hand he seems to have been more obstinate to see his recommendation not thrown out. The Prince we fear, is now inclined to write Government stopping the name of Asruff Hussain in lieu of Ahmed Hussain As pointed out in the Concluding para of Supra this is another scheme planned by the Secretary to the Prince, for the promotion in the post of Ahmed Hussain.

We respectfully venture to warn Government that should the appointment of either Ahmed Hussain or Asruff Hussain any of the members of Mr Azim Hussain's family be approved much damage and pecuniary loss will be done to the

5

proper Ministers whose interests the Government should favour in its administrative policy protect and safeguard. Such personages Viz: Mustaq Hussain, Mahdi Hussain, Cheraq Ali, and Abdul Haq who were once the chief instrumental functionaries at the Hyderabad Court and who had been for their scandalous deeds once removed by the Nizam Government on motion of the Resident whom we thank sincerely for his interference at that critical stage and for the banishment of those scandals from our City were one and all of Hindustanee extraction. Like them Ahmed Hussain, or his Brother Asruff Hussain or any of his Brothers is a Hindustanee will surely prove to be untrustworthy and will be the source of constant annoyance to your Government

7. In short we most humbly and earnestly beg to submit for the most favorable consideration of Government, that none of the Hindustanees, nor the relations or Brothers of the Secretary to the Prince may be appointed to the

nor the unjust, and injudicious and undeserving recommendation made by the Service from time to time on this subject is carried out by your Government.

8. Trusting to be favored with an early disposal of the long standing over matter.
