FORT WILLIAM, *the 2nd March 1896.*

FOREIGN DEPT. SIR,

I am directed to invite a reference to the Resolution of the Government of India in the Department of Revenue and Agriculture, No. $\frac{38}{26\text{-}10}$, dated the 27th December 1895, regarding the representation of India on the Governing Body of the Imperial Institute. The officer nominated under clause 4 will represent the Native States of India generally. He must be resident in England during his term of office, which will be limited to one year, commencing ordinarily from the 23rd July.

2. The Governor-General in Council desires that the Native Chiefs who contributed to the funds of the Institute should have a voice in the selection of their representative. At the same time it would probably be inconvenient to the Chiefs concerned that they should be expected to nominate a qualified officer every year, and if the arrangement will be acceptable to them, the Government of India in this Department will undertake the duty of selection, and will be ready to give every consideration to the nomination of any officer whose name any contributing Chief is pleased to put forward. Such nomination should be received by the Government of India before the 1st May in order to be in time for selection for office in the year beginning on the 23rd July next following.

I have the honour to be,

SIR,

Your most obedient servant,

(Sd.) A. C. TALBOT,

Deputy Secy. to the Government of India.
