Travancore Revenue Processes.

Sanctioning the arrangement proposed by the Resident in Travancore and Cochin for extending to the service of revenue processes the reciprocity of action which now exists between the British and Travancore Governments in regard to civil processes.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

Read—the following papers:—

From J. THOMSON, Esq., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 11th January 1896, Ref. on C. No. 3833.

In continuation of my letter, Ref. on C. No. 3021, dated 14th October 1895, I have the honour to request, at the instance of the Diwan of Travancore, that the reciprocity of action which now exists between the British and Travancore Governments in regard to the execution of decrees and the service of civil processes may be extended to the service of revenue processes also. The Diwan informs me that there are several persons in British territory who own landed property in the Shencottah and other frontier taluks of the State to whom notices and summonses have frequently to be issued in connection with revenue matters such as the collection of land revenue, the transfer of registry, &c. Hitherto the Tahsildars of Travancore appear to have been in the habit of forwarding them for service direct to the British Tahsildar concerned and service used to be effected. In a recent case, however, the Tahsildar of Sankaranayinárkóyil, Tinnevelly, took exception to this practice and insisted on the process being served through me. The Diwan points out that the adoption of this course will result in unnecessary correspondence and delay in the collection of the Sarkar dues.

2. As the requisition made involves nothing more than mere service of a notice, I beg to recommend the Diwan's request for the favourable consideration of Government.
