GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government
Political Department.

SIR,

In returning herewith your endorsement
N^o 451 dated the 26 ultims on letter N^o 80
dated the 21 Idem from the Paymaster
of Carnatic Stipends, Chepak, recommending
the commutation of certain stipends, I have
the honour to state that the commutation
values as worked out in this office of the
pensions due to the four individuals
mentioned in the Paymaster's letter
are as shown in the margin.

The difference between these figures
and those shown in the statement
prepared by the Paymaster of Carnatic
Stipends

Name	age in 1896	amount of pension for month	amount per annum	value of annuity	Bonus
Mir Hussain Ali	40	5 13 9 1/10	70 5 9 1/10	10 087	710
Lakshmi Nisa	26	2 14 10 1/10	35 2 10 1/10	11 555	407
Begum Begam	13	15 7 1/10	11 11 7 1/10	12 325	145
Begum Bi	8	15 7 1/10	11 11 7 1/10	12 860	151

Stipend is explained by the statement that it is not customary in this office to allot fraction of a pie in the shares distributed to Carnatic Stipendiaries.

The total amount of the burses in both cases is however the same. Should Government be pleased, accept the Paymaster's explanation the figures given in the statement appended to his letter quoted above, may be accepted as correct.

Attention is invited to Government Order No 422, Pol, dated 29 June '95, from which it will be seen that the rules regarding compulsory commutation have been declared to be inapplicable to female Carnatic Stipendiaries.

I submit that the Paymaster's recommendations may be accepted keeping in the case of Gail - in - via. Her share of the pension comes to nearly Rs. 3 per mensem or roughly 1 1/2 annas per diem. A small sum no doubt not enough to keep her from actual starvation. It seems desirable therefore with reference to G.O. No. 422 dated 29/6/95, the original of which is in the linked file, that this pension should not be commuted. The pensions falling to the other two females mentioned in the Departmental letter are under Rs. 1 and continuation of them would be of no use.
