Submitted.

The Commutation value noted by the Paymaster against the name of each Stipendiary is correct except that given opposite to No: 3 Abdul Ghafur.

The age of Abdul Ghafur as given in the Medical certificate is only 4½ years and the commutation value of his pension calculated according to his age last birth day is Rs 413 only and not Rs 416 as proposed by the Paymaster.

Attention is invited to Government Order No: 422, Political, dated 29th June 1895 and to the *notification published at page 827, Part of the Fort St George Gazette dated 16th July 1895 from which it will be seen that the rules regarding compulsory commutation have been declared to be inapplicable to female Carnatic Stipendiaries.

3. The last name in the list is ~~a~~ not a Compulsory Commutation, but she has since applied to me praying that the share of Rs 3-3-0 which fell to her lot in the distribution of her late father's stipend, be capitalized and paid off to her, on the grounds that she wishes to purchase a house, which besides being a property for her children would be a permanent residence for her and her husband, who being a member of the Arcot family draws a perpetual allowance of Rs 42-12-0 per mensem plus a house rent allowance of Rs 16-10-8 which is sufficient for the maintenance of the family.

4. The payment of bonuses to Nos: 16, 17, 20, 23, 24 and 27 should be deferred till Mrs. Firth certifies to their respective ages. As regards the disposal of the bonuses payable to the minors, Nos: 2. 3. 9. 13. 23 and 24, I beg to state that the father of Nos: 2 and 3 (who is in indigent circumstances) prays that their capitalized amount be invested in the purchase of landed property in the names of the minors the rent of which would fetch a sum that would be sufficient for the maintenance of the boys. I beg to recommend compliance with ~~of~~ this request, provided the title deeds of the property are secured in the Paymaster's office till the boys attain their age. The bonus of No. 9 to be invested in the purchase of Government Security bond and its interest eventually paid to his mother Fatima Bi who draws a separate stipend of Rs 3-3-0 in the same distribution. The bonus of No: 13 being a small one

ne will be kept in the Madras Savings Bank till
e is 18 years old, the boy being a tailor by profession
earns his livelihood. The bonuses of No: 23 & 24 should
be handed over to their father a clerk in the service of
Madras Railway Company, to be spent in the marriages of the girls.

5. In conclusion I beg to state that No: 10 is undergoing (in the Penitentiary) a sentence of two months hard labor passed on him on the 10th January 1896 by the Presidency Magistrate on a charge of theft of a handkerchief. As G: O: No: 445 dated 25th July 1892 "Political" was passed in the case of this identical Stipendiary, I leave the matter for the Consideration of Government as to whether he should be paid his share or not, as a matter of fact he was convicted before the G: O: No: 15 dated 14th January 1896 "Political" was passed and therefore not actually a Carnatic Stipendiary at the time of the Commission of his offence and conviction for the same.

I have the honor to be

C. No. 379.

FOR ORDERS.

C

In G.O. No 15 Pol., d/ 14th January 1896, the Govt sanctioned the proposals of the Paymaster, Carnatic Stipends, for the continuation of a portion of the lapsed stipend of the late Muhammad Amin-ud-din Husain Sahib to the several members of his family. The suggestion to amalgamate the share allotted to Mazhar× Husain with the stipend at present drawn by him was however negatived. The Paymaster now submits proposals with reference to para. 9 of his letter recorded in the order referred to above for the commutation of the stipends therein proposed including the name of Mazhar Husain

× No 13 in list in para: 2 of Paymaster's letter in G.O. No 15 Pol, d/ 14th January /96.

In the case of male stipendiaries stipends of less value than Rs 15 have[×] to be commuted. In the case of females no stipends can[⊕] be commuted except with the express sanction of Govt. In G.O. No 15 Pol. d/ 14th January 1896 the Govt already sanctioned the Paymaster's proposals to commute the very small stipends falling to the share of certain females. In the present list the name of a female who is allotted Rs 3-3-0 is also added for reasons given in para: 2 of the Paymaster's letter[⊗].

2. In para. 4 the Paymaster makes recommendations for the disposal of bonuses payable to minors which appear to be judicious.

3. As regards No 10,[*] who has been convicted of theft and imprisoned, the Paymaster draws attention to the fact that G.O. No 445 Pol. d/ 25th July 1892 was passed in the case of this identical stipendiary.

Order. No. 317 d/ 22nd May 1896

A

The stipend allotted to Moin-ud-din Husain in G.O. No. 15 Pol. d/ 14. 1. 96 will, in the circumstances stated in para 5 of the Paymaster's letter, be cancelled.

2. The Paymaster has not forwarded health certificates in the cases of No. 12, 18, 21 and 22 of the list in para 1 of his letter, on the ground that such certificates were submitted in connection with bonuses previously granted. Certificates dating back three or four years do not, however, afford any guarantee as to the present state of health of stipendiaries and the Paym: will be requested to ~~[illegible]~~ obtain and forward fresh certificates in these cases.

3. The proposals in the Paymaster's letter are, in other respects, sanctioned, the bonus to No. 3, Abd-ul-Ghafur, being calculated at the amount stated by the Acct. Genl.

As regards para 1 of the draft order, please see para 8 of E. M. C. No. 230 of 19. March 1857 and G.O. No. 445 Pol. of 25. 7. 92 (E).
The Paymr. points out that Moin-ud-din Husain was convicted on the 10th January 1896, before the G.O. (No. 15 Pol. of 14. 1. 96) ~~was~~ distributing Muhammad Amin-ud-din Husain's pension was passed. But, seeing that the latter died on the 8th November 1895 & that Moin-ud-din Husain, if granted a pension, would draw it from the 9th Novr., there does not seem to be much force in the Paymaster's argument.
