Chief Secretary to the
Government of Madras.

Sir,

I have the honor to request that you will be
kindly pleased to submit the following facts for
the favorable consideration & orders of Government.

You are aware that the Government was pleased to
approve of my appointment as Secretary to the Committee
for the administration of the affairs of Her Highness
Nawab Begum Sahiba of the Carnatic, and probably
also, that in recognition of my endeavours to carry
out the duties of the appointment in a satisfactory
manner, Her Highness was pleased to forward my
name to Government asking that I might be
appointed as Agent to Her Highness.

In this connection, I noticed an article in the
"Hindu" of the 16th inst., stating that Government had
arranged to lend the services of a Government Officer
for the management of Her Highness' affairs, which
leads me to believe that Her Highness' recommen-
dation on my behalf has not met with the approval
of Government - Should the statement in the "Hindu"

be correct, and should it be a fact that Government has decided to appoint another to the post of Agent to Her Highness, in spite of Her Highness' request that I should receive the appointment, I can only conclude that some misrepresentations regarding me must have been made to the Government. I therefore beg to state that I shall be glad, if an opportunity is afforded me, of offering any explanations that may be required regarding such misrepresentations.

The Government is probably aware that I am a partner in the firm of H. and Badsha Sahib & Co. and as such, the pay of the Begum Sahiba's Agent has no attraction for me, but the fact of the Begum Sahiba's recommendation on my behalf being overlooked by the Government is likely to prejudicially affect my reputation in the eyes of the public, and this if possible I wish to avoid through the kindness and generosity of the Government.

I respectfully trust that this representation will receive the kind and favorable consideration of Government.

Sir,

I have the honor to request that you will be kindly pleased to submit the following facts for the favorable consideration & orders of H. E. the Governor. -

I would state that the Government was pleased to approve of my appointment as Secretary to the Committee for the administration of the affairs of Her Highness, the Nawab Begum Sahiba of the Carnatic, and in recognition of my endeavours to carry out the duties of the appointment in a satisfactory manner, Her Highness was pleased to forward my name to Government, asking that I might be appointed as Agent to Her Highness. -

In this connection, I noticed an article in the "Nidani" of the 16th Inst, stating that the Government had arranged to lend the services of a Government Official for the

the management of Her Highness's affairs which leads me to believe that Her Highness's recommendation on my behalf has not met with the approval of Government.

Should the statement made in the "Hindan" be correct, & should it be a fact that Government has decided to appoint another to the post in spite of Her Highness the Begum Sahiba's request that I should receive the appointment I can only conclude that some misrepresentation regarding me, must have been made to the Government.

I therefore beg to state that I shall be glad, if an opportunity is afforded me, of offering any explanation that may be required, regarding such misrepresentations.

The Government is probably aware that I am a partner in the firm of H. Md. Badsha Sahib Co., & as such, the salary of the Begum Sahiba's Agent, has no attraction for me, but the fact of the Begum Sahiba's recommendation on my behalf being overlooked by the Government is likely to prejudicially affect my reputation in the eyes of the public, & this, if possible, I wish to avoid through the kindness & generosity of the Government.

I respectfully trust this representation will receive the kind & favorable consideration of H. E. the Governor.

I have the honor to be,

Yours most obedient servant,

H. Md. Badsha
