GOVERNMENT OF MADRAS. POLITICAL DEPARTMENT.

READ—again the following papers:—

G.O., No. 904, Political, dated 19th December 1894.

G.O., No. 280, Political, dated 29th April 1895.

ABSTRACT.—Directing the Government Agent, Tanjore, to communicate with the Collector of Ratnagiri as regards the applications for pension of Abnaba Survai and Nana Sahib Sirke, relations of Her Highness the late M. Yeswantiamba Bai Sahiba of Tanjore, and to obtain the necessary age and health certificates, as the proposed stipends fall within the limits of compulsory commutation.

READ—also the following papers:—

From G. STOKES, Esq., Government Agent, Tanjore, to the Chief Secretary to Government (through the Accountant-General), dated 10th March 1896, No. 24.

With reference to G.O., No. 280, dated 29th April 1895, I have the honour to report that the seven relations of Her Highness the late M. Yeswantiamba Bai Sahiba (including Abnaba Survai and Nana Sahib Sirke referred to in my letter, No. 57, dated 23rd April 1895) have since applied for pensions. Their names, number in the list printed with G.O., No. 904, dated 19th December 1894, and the stipend proposed to be given to each are given below:—

2. The Collector of Ratnagiri district, who was requested to make enquiries as to their condition in life and whether they possessed any property in that district, has replied that they are poor and possess no property sufficient to maintain them.

3. Of the above seven individuals, No. 26 is still in Ratnagiri district, and I will make a separate report regarding him on his arrival in Tanjore. The other six applicants for pension were sent to the District Surgeon on the 10th February 1896 for examination and the health and age certificates granted to them are herewith submitted in original.

4. From these certificates it will appear that No. 29, Chimma Sahib Sirke, is suffering from heart disease likely to shorten life and the other five are in good health.

5. In these circumstances, I beg that Government will be pleased to sanction the payment of a monthly pension of Rs. 4 to Chimma Sahib Sirke and bonuses equivalent to the commuted value of the pensions proposed to the other five individuals.

Submitted to Government.

2. The commutation values of the various pensions as calculated by the Government Agent on the assumption that the ages of the commutees are as given in their respective health certificate are correct. It is however pointed out that the ages of the five persons in question as given in the list embodied in G.O., No. 904, Political, dated 19th December 1894, are in each case, except one, considerably higher than those given in the health certificates. If the former are to be taken as the correct ages, the commutation values of the pensions will be considerably below those now reported as shown below :—

Endorsement No. 1112.

The Government Agent, Tanjore, is requested, with reference to the remarks of the Accountant-General, to state the authority for the ages of the commutees as given in the list printed on page 3 of G.O., No. 904, Political, dated 19th December 1894.

From H. MOBERLY, Esq., Government Agent, Tanjore, to the Chief Secretary to Government, dated Vallam, 10th June 1896, R. No. 169-Agency.

With reference to Government endorsement, No. 1112, dated 2nd June 1896, on Accountant-General's letter, No. 299-I.A.D., dated 19th May 1896, I have the honour to state that at the time when the list embodied in G.O., No. 904, dated 19th December 1894, was drawn up, the commutees referred to in the above being absent in Ratnagiri district, their approximate ages only were entered against their names on information obtained from other closer relations of Her Highness the late M. Yeswantiamba Bai Sahiba.

ORDER—No. 423, Political, dated 4th July 1896.

The proposal in paragraph 5 of the letter from the Government Agent, Tanjore, No. 24, dated 10th March 1896, is sanctioned. Arrears of pension should be paid from the date following that of the death of Her Highness the late Yeswantiamba Bai Sahiba, and in the cases of those dependants receiving bonuses, the procedure prescribed in G.O., No. 697, Political, dated 23rd November 1891, should be followed. The ages should be taken as given in the medical certificates.

2. The remark of the Government Agent in the last column of the statement accompanying the first of his letters read above is not understood. Paragraph 2 of the former Government Order read again at the head of these proceedings clearly directed that arrears of pension should, in accordance with paragraph 1 of G.O., No. 697, Political, dated 23rd November 1891, be paid up to the end of the month preceding that in which the bonuses were disbursed.

The commutation values of the various pensions as calculated by the Government Agent on the assumption that the ages of the Commutees are as given in their respective health Certificates are correct. It is however pointed out that the ages of the five persons in question as given in the list embodied in Government Order No. 904 Political dated 19 December 1894 are in each case except one considerably higher than those given in the health certificates. If the former are to be taken as the correct ages the commutation values of the pensions will be considerably below those now reported, as shown in the margin.

C^o No. 688 + 820

FOR ORDERS.

H. H. the late Jesavantiamba
Sahiba, one of the junior widows of
the Raja of Tanjore, who was in receipt
of heritable pension, died on the 10th
January 1894. Five days previous
to her death the Govt Agent recd a letter
in Marathi purporting to have come
from her & containing a list of
37 persons to whom she wished
that the moiety of her pension
viz Rs 400 should be distributed in
the proportion therein stated. Nos
26 to 32 of this list are those with whom
the present current is concerned.

2. In giving his opinion in the case
of each individual mentioned in the list
the Govt Agent stated that Nos 26 to 33, who
lived in Ratnagiri, were reported
to be very poor, but that he had no
trustworthy information regarding
them. He added that if Govt considered

page 2 of G. O. N^o 904 Polt. of 19.12.94
(B)

if necessary he would apply to the Collector of Ratnagiri for information, but thought that they might be left to urge their own claims, & that their applications when made could then be investigated.

3. The following is an extract from the letter printed in G.O. No. 904 Polt. d/19.12.94:-

No.	Names - Age	Approx. value of property	Pension payable by Govt.	Total value of property
26.	Appa Sahib Surwai - 35 Cousin	100	5	1000
27.	Abnaba Surwai - 30 Cousin		5	
28.	Thatha Sahib Sirke - 40 bro's wife's bro.	200	4	nil
29.	Chimma Sahib Sirke - 35 bro's wife's bro.		4	
30.	Nana Sahib Sirke - 32 bro's wife's bro.		4	
31.	Khasaba Sirke - 30 bro's wife's bro.		4	
32.	Bapu Sahib Sirke - 20 bro's wife's bro.		4	

4. The Agent's suggestion was apparently acquiesced in by Govt as nothing was said in G.O. 904 Polt. d/19.12.94 regarding these men.

5. In letter No. 57 d/22.4.95 the Agent reported that No. 27 Abnaba Surwai & No. 30 Nana Sahib Sirke had applied for pensions. He was directed in G.O. No. 280 Polt. d/29.4.95 to communicate with the Collector of Ratnagiri as regards these & the similar cases when the proposed stipends fell within the limits of compulsory commutation to obtain the necessary age & health certificates.

Certificates.

6. In C. 688 the Agent reported that the remaining five of the seven referred to above had since applied for pensions, and that the Collector of Ratnagiri in reply to his enquiries had stated that all seven are poor & not possessed of any property sufficient to maintain them. The Agent states that No. 26 is still in Ratnagiri & on his arrival in Tanjore a separate report will be made regarding him. The age & health certificates of the other six are submitted in original. These certificates certify that No. 29 is suffering from heart disease likely to shorten life & that the other five are in good health. The Agent therefore recommended the payment of a monthly pension of Rs. 4 to No. 29, Chimma Sahib Sirke, & bonuses equivalent to the commuted value of the pensions proposed to the other five.

The acct. sent in forwarding the Agents letter pointed out that the ages of the five proposed communities as given in the list embodied in G.O. N° 904 of 19.12.94 are in each case ^{Expt} one considerably higher than those given in the health certificates. Thus

7. With reference to this apparent discrepancy the Govt Agent in C. 820 Explains that at the time when the list embodied in G.O. 904 of 19.12.94 was drawn up the communities in question being absent in Katmagiri dist, their approximate ages only were entered against their names from information obtained from other closer relations of H.H. the late Yervante Ananda Sahiba.

The cases of these dependants of the late Rani appear to be on a par with those of Baija Bai, Mukta Bai & death with in para 1 of G.O. N° 904 of 19 Dec 1894 who, though not in receipt of any monthly allowance from H.H., were, in consequence of their poverty granted pensions. It is submitted that the pensions proposed in each case

In N° 27 to 32

may be granted with arrears from the date of the Rani's death, all except that of No 29 being commuted. The ages should, it is thought, be taken as reported in 1894. In none of medical certificates is any mention made of small pox or vaccination marks and it is sub^d that before the arrears and bonuses are disbursed satisfactory certificates on these points should be insisted on.

The remark of the frt. Agent alluded to in para 8 of the above note is not clear. Para 2 of G.O. No 904 P.A. of 2. Decr 1894 clearly directed that arrears of pension should, in accordance with para 1 of G.O. No 697 P.A. of 23.11.91, be paid up to the end of the month ^{preceding that} in which the bonuses were disbursed. The attention of the frt. Agent will be drawn to this point. The direction in the

Order No 423. of 4th July 1896.

A The pensions proposed for Nos 27 to 32 with the list printed with fo. 4. 904 Pelt. d/ 19.12.94 will be granted with arrears from the date following that of the death of the Rani, H.H. the late Jeyvantiamba Sahiba, all except that of No 29 being commuted.

2. The ages should be taken as given in the medical certificates. No mention, it is observed, is made in these certificates of small pox or vaccination marks. Satisfactory evidence on these points should be obtained. The non-receipt of this information should not however delay the grant of the commuted pensions.

The remark of the foot Agent in the last column of the statement accompanying the first of his letters read above is not understood.

Para 2 of Jfos. N.º 902 Polt 142 see ^{again} clearly read at the head of these proceedings clearly states that the arrears of pension should, in accordance with para 1 of Jfos. N.º 697 Polt d/23.11.91, be paid up to the end of the month preceding that in which the bonuses were disbursed.
