Transfer of Services.

Sanctioning the transfer to the Travancore Darbar of the services of Mr. Sweeny, 1st-class Inspector of Police, for employment as Assistant Superintendent of Police, Quilon, and fixing the rate of his pay. Copy to the Government of India.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

Read—the following papers :—

From J. THOMSON, Esq., Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Quilon, —June 1896, Ref. on C. No. 1898.

I have the honour to enclose copy of letter, No. 2536—J.-1136, dated 25th instant, from the Diwan of Travancore, in which he makes application for the loan of the services of Mr. Sweeny, Police Inspector at Coimbatore, as Assistant Superintendent of Police, Quilon.

2. The terms offered are set forth in the Diwan's letter. The batta and travelling allowances of the appointment are Sarkar Rs. 3 per day and 6 annas per mile for journeys over twenty miles a day.

3. I am not aware of the rate of pay Mr. Sweeny is at present drawing; if sensibly under the minimum, he should be granted the minimum; if otherwise, the initial pay should be fixed so as to be a fair increase over his present salary. The increments might be at the rate of Rs. 20 annually. As to these points, the Madras Government can best judge.

4. I have ascertained through the Inspector-General that he will not object to the transfer and that Mr. Sweeny is willing to accept this service.

Enclosure.

From the Diwan of Travancore, to the British Resident in Travancore and Cochin, dated Trivandrum, 25th June 1896, No. 2536—J.-1136.

Mr. Bruce Ferguson, Assistant Superintendent of Police, having left the Travancore service, His Highness' Government wish to have in his place a trained and competent man from the British service who knows Malayalam. I understand that Mr. Sweeny, Inspector at Coimbatore, is likely to fulfil the requirements and I request you will be so good as to move the Madras Government in view to his services being lent to this Government.

The minimum pay of the appointment is Rs. (250) two hundred and fifty and the maximum Rs. (350) three hundred and fifty. If, with reference to the pay he now draws or other considerations, it is deemed necessary to give him as starting pay something over the minimum, His Highness' Government will be prepared to do so, provided that the maximum pay shall in no case exceed Rs. 350. His Highness' Government will also gladly accept your advice as to the rate and period of increment up to the above maximum. This Government will, of course, pay the usual pensionary contribution to the British Government during the period Mr. Sweeny serves this State.

I shall be obliged by your kindly obtaining the necessary sanction from the Madras Government at your early convenience.

From M. HAMMICK, Esq., I.C.S., Inspector-General of Police, Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 13th July 1896, No. 2748.

With reference to endorsement, No. 1339, Judicial Department, dated 7th July 1896, on a letter from the Resident, Travancore and Cochin, I have the honour to say that I have no objection to Mr. Sweeny's transfer to Travancore. He has borne a very high character for efficiency for many years past, and although I shall feel his loss I do not wish to stand in his way.

2. Mr. Sweeny now draws Rs. 200 *plus* Rs. 15 allowance; he has been a 1st-class Inspector since 1887. I think he should start on the minimum fixed, viz., Rs. 250, and the increment of Rs. 20 annually suggested by Mr. Thomson seems a suitable one.

No. I.A.E.—140-C.

Submitted, with the remark that there is no Account objection to the proposal. Mr. Sweeny's pay under Government being Rs. 200 per mensem, he can, on transfer to foreign service, draw Rs. 250, the minimum pay of his new appointment, agreeably to the provisions of clause 1 of article 806 (IV) of the Civil Service Regulations as recently revised.

As regards the grant to Mr. Sweeny of an annual increment of Rs. 20 proposed by the Resident and approved by the Inspector-General of Police, it is pointed out that the method of increments proposed does not quite fit in with clause 3 of article 806 (IV) by which the remuneration admissible to an officer transferred to foreign service should be ordinarily determined. The transfer if sanctioned and the increments proposed should be reported for the information of the Government of India in the Foreign Department under the article above quoted. At the time of report attention should be drawn to the fact that the increments are not in exact accordance with clause 3.

To the Chief Secretary to Government.

Order—No. 462, Political, dated 28th July 1896.

The transfer to the Travancore Darbar of the services of Mr. Sweeny, 1st-class Inspector of Police, is sanctioned. The Darbar having left the exact remuneration to be determined by this Government subject to certain limits, His Excellency in Council considers that, as suggested by the Inspector-General of Police, Mr. Sweeny should be granted pay at the rate of Rs. 250 per mensem rising by annual increments of Rs. 20 to Rs. 350 per mensem.

2. The Inspector-General of Police will be requested to draw the attention of Mr. Sweeny to sections 826–834 of the Civil Service Regulations regarding the information to be furnished to Account officers.

3. Copy of these Proceedings will be forwarded to the Government of India, Foreign Department.

With reference to Endorsement No. 1339 J. D., dated 9th July 1896, on a letter from the Resident, Travancore and Cochin, I have the honor to say that I have no objection to Mr. Sweeney's transfer to Travancore. He has borne a very high character for efficiency for many years past, and although I shall feel his loss, I do not wish to stand in his way.

3. Under Article 806, clause II, Civil Service Regulations, it would seem that the sanction of the Government of India must be obtained for Mr. Sweeney's transfer, as the appointment carries pay from Rs 250 to Rs 350.
