WITH ORDER

Madras,
17th July 1896.

To The Right Hon'ble His Excellency the Governor in Council,

Ootacamund.

The humble petitioner of Muhammad Hussain son of Saheb son of Muhammad Ali Khan, on the one hand, and grandson of Newab Azamuddoula Bdr: son of Amirul-Umra, son of Newab son of Muhammad Ali Wallajah of Carnatic.

Most respectfully Sheweth, that

That Your Excellency's humble petitioner most respectfully begs to inform Your Excellency that his son named Mahmud Hussain is reading in the Govt. Madrasa-i-Azum, Chepauk, in Third Form or Lower Secondary Class and his ex-Head Master, Mr. W.L. Bower, having judged the poverty in which his parents are plunged and the respectability of the family to which he belongs was kindly helping him by giving him the school fee out of his own pocket, till he was the Head Master of that institution - a reference be made if these facts prove Your Excellency doubtful - when he was transferred to Rajahmundry Mr. Innes took charge of the School and he was requested to help this school boy in the same manner as his predecessor was doing, but Mr. Innes declined to do any good for him.

2. That Your Excellency's petitioner humbly brings to the notice of Your Excellency that the petitioner commuted his stipend, being too small an amount to provide a large family, and thereby reduced to poverty. At present he has become so poor that it is beyond description to mention anything about poverty and has become short sighted.

3. That Your Excellency's petitioner now humbly requests that Your Excellency will be kind enough to grant his son a stipend, now introduced for Carnatic Family Boys, to provide him with his requisite wants of his school.

4. That Your Excellency's petitioner humbly begs that Your Excellency will kindly look in this matter with an eye of pity as compared with other boys of such family, because those who have at least some stipend can spare something for their ---

their children, but who should help the helpless and to whom should they represent their grievances? Your Excellency's petitioner thinks that Your Excellency will be pleased to consider justly whether the generous Government should help the poor or the rich, the rich can in any way help their children, but no one is going to help the poor save the generous Government.

5. That Your Excellency's humble petitioner begs that Your Excellency will be pleased to pass early orders on this subject considering the poverty of his family and the respectability of his forefathers, as there are but few days remaining to pay the fee of his school in which he studies now, and Your Excellency's petitioner hopes that Your Excellency will be kind enough to help the petitioner's son with all his requisite wants of his school until he has passed out some qualified examination; he will have to pay the Lower Secondary Examination fee in the next month.

6. For which act of kindness and charity Your Excellency's humble petitioner, shall, as in duty bound, ever pray.

M. H.

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Political DEPARTMENT

SIR,

In returning as requested the original petition received with G.O.No.470, Political, dated the 1st August 1896, I -- have the honour to state that a proper and careful supervision is exercised in this office over the employment of Copyists and the consumption of Stationery.

2. In the case under reference, the Clerk explains that the petitioner is his own father and guardian and the petition was type-written by him at his father's request out of Office hours as he did not know that the use of the Machine was prohibited. As regards the manifolding paper used, he explains that the half sheet was what remained after the day's work was over and as he thought that it was not clean enough for official use, he used it for the petition. He -- however, expresses contrition for his misdemeanour which he attributes to his ignorance of the rules.

3. I regret that the Clerk should have been so indiscreet. I have fined him heavily and given strict orders that the Type-Writers should on no account be used by anybody in the office for other than official work.

I have the honour to be,

Sir,

Your most obedient Servant,

Surgeon-Colonel,

Acting Surgeon-General with
the Government of Madras.
