CHIEF SECRETARY
1 AUG. 1896
GOVERNMENT OF MADRAS

The humble petition of Mahon Hussain, Abid Hussain, and Sadak Hussain, sons of the late Carnatic Stipendary No 204 Gulam Hussan Moosa Raza Saheb, who married the petitioner's mother in Kerbala near Arabia.

Most Respectfully showeth,

That your Excellency's petitioner are the nicka sons of the late Hussan Moosa Raza Saheb who was drawing a Carnatic stipend of Rs 35/ per mensem and died in January 1896.

That on the representation of the Paymaster of Carnatic stipends the benevolent Government were pleased to sanction the continuation of a sum of Rs 30/ from the lapsed stipend of their deceased father to be distributed to his family.

That the P

ubmitted a list for the sanction of the Government in which the petitioners are allotted share of Rs 2-9-9 each to be capitalized pon which the petitioners now appeal with a view that the generous Government will reconsider the distribution, as for the ake of one Shadi son their shares are too much sacrificed.

The family of petitioner's father was specially dealt with in allowing a continuation of Rs 30/ out of the lapsed stipend of Rs 35/ on the grounds that the families of the deceased's brothers were similarly treated - Petitioners beg humbly to point out that one of the brothers of the petitioner's father Ghulam Ameenoolla at the time of his demise left both Shadi & Nikah families and in the distribution of his pension by G. O. No 554 dated 23rd December 1882, his Shadi son received Rs 7/ whereas his Nikah son got Rs 3/ that is nearly one-half of a Shadi sons share. Again by G. O. No 777 dated 28th November 1888 the shadi wife of Delair Jung was given twice as much as Nikah son that is wife ? son got Rs 16/- whereas a Nika son got Rs 8/. Moobarak Ahamad the shadi son of petitioners father is already in receipt of Rs 4/ in right of his mother. Petitioners beg humbly

share in the distribution of their fathers stipend be cut of by the amount which he is already in receipt of and be granted Rs 9- instead of Rs 13-0-8 and the remaining Rs 4/ be distributed among the Nikah family which is 5 in number and in very poor circumstances whereas Moobarak Ahamad succeeded to a large fortune which his wife inherited on the demise of her father.

In conclusion petitioners pray that final orders of Government be postponed till a report is submitted by the Paymaster of Carnatic Stipends on this their humble petition which they pray may be referred to that officer for a report on the facts enumerated as above in their humble petition.

For which act of justice and benevolence petitioners shall as in duty bound ever pray, & beg to remain

CURRENT No. 1059

The Right Honorable
His Excellency Lord Havelock
the Governor of Fort St. George
Madras

The humble petition of Ameer Begum, the widow of Hasan Musa Raza Sahib, a Carnatic pensioner no $\frac{204}{4}$ Residing at Peter's Road. Hasan Mulk's Garden
Royapetta

Most humbly Showeth

That your humble petitioner has taken the liberty to represent the following pityful circumstances for your Lordships' favourable Consideration with the hope that His Excellency will graciously be pleased to enquire into the whole matter represented and even handed justice is requested.

The humble petitioner is further beg to state that she represented a petition to your Excellency on 29th july 1896 & which now remains unanswered and hence the petitioner again has taken the liberty of presenting a second petition.

C. 1021.

That after the death of petitioner's

husband, she represented a petition to the Paymaster of Carnatic Stipends for share of her deceased husband's pension t her petition was neither favourably dispo & nor particular attention was paid by the Paymaster and hence a great slaughter was made in distributing the share of her husband's pension.

The facts of the Case is as follows.—

That the petitioner's husband was enjoying a pension of Rupees thirty five, out of which sum the paymaster recommended for Rupees one and annas five for petitioner, and Rupees thirteen to the deceased son Mubarak Ahmad, this last named person was already enjoying a pension of Rupees four as a share of his deceased mother's pension, and now altogether he is enjoying Rupees Seventeen.

But when my husband's brother, Hyder ali Khan died, the Paymaster recommends to the deceased's wife Rupees ten and Rupees five to each of his four sons, altogether Rupees thirty was divided among his family & thus the Remaining Rupees five was lapsed by the Government.

In the same manner the Government ought to lapse Rupees five out of the pension of petitioner's husband and sanction the pension to the petitioner according to the share granted to the widow of Hyder ali Khan, and also lapse Rupees four, which Mubarak ahmad is enjoying now out of his deceased mother's pension and thus grant it to the petitioner. It is against a man should hold two pensions at a time.

The petitioner further begs that she is much indebted or contracted debts by the sudden death of her husband and also by the performance of her daughters' marriage, hence the humble petitioner craves that your Excellency will be pleased to pity on her deplorable circumstances and sanction in the same manner as it has been done to Hyder Ali Khan's family.

For which act of charity and kindness, the poor petitioner shall as in duty bound ever pray for your Excellency's long life and prosperity.

FOR ORDERS

In G.O.No.314 Poll., d/ 21st May 1896 it was decided to continue Rs.30 out of the pension of Rs.35 enjoyed ~~received~~ by the late Carnatic stipendiary Ghulam Hasan Muse Raza and to divide [redacted] this amount amongst the following members of his family in accordance with Lord Clive's scale (G.O.No.778 d/ 29th Novr. 1888) :--

B

			shares
I. Son of Ghulam Muhammad	a shadi son		$3\frac{1}{3}$
2. Wife	-do--		$1\frac{2}{3}$
3. Mubarak Ahmad		-do--	10
4. Muhammad Husain	nikahi son		2
5. Abid Husain		-do-	2
6. Sadaq Husain		-do-	2
7. Batula Begam	nikahi daughter		1
8. Amir Begam	-do-	widow	1

C.No.1037 is the Paymaster's letter forwarding the distribution list of the pension in accordance with Lord Clive's scale.

C.Nos.1014 & 1035 are petitions from Muhammad Husain, Abid Husain and Sadaq Husain the nikahi sons, Nos.4, 5 & 6 in the above list.

C.No.1021 +1059 are [redacted] petitions from Ameir Begam, the nikahi widow, No.8 in the above list.

All these petitioners object to

C.14/8

the division proposed . They have managed to ascertain the ~~means~~ amounts suggested by the Paymaster in their cases and probably ~~and~~ set about this in consequence of the medical examination for certificates for bonuses. One point brought forward is that No.3. Mubarak Ahmad is already in receipt of a stipend [redacted] of Rs. 4 per mensem in right of his grandfather (on the mother's side apparently) and that his wife is wealthy, Other points brought forward in C.No. 1035 are that in the distribution of the stipend of the brother of the petitioners' father in 1882, (his shadi son received Rs. 7 and the nikahi son Rs.3 and that in 1888 the shadi wife of Delawar Jang was granted twice as much as the nikahi son. As regards Mubarak Ahmad being in receipt of a pension, it is submitted that this fact cannot operate against his enjoying his share in the continued portion of his father's stipend. The means of his wife have nothing to do with the question. The division of 1882 referred to is that in G.O. No.554 Poll., d/ 23rd Decr. 1882, but this took place before it was ruled [in G.O.No.778, d/ 29-11-88] that Lord Clive's scale should be invariably followed in the distribution of Carnatic pensions. The other case of a wife and son of Delawar Jang (the G.O. being Mis. is not at Ootacamund) does not appear to be to the point as, if a shadi wife got twice as much as the nikahi son, the division approximated closely ~~on~~ to Lord Clive's scale, under which the former receives 5 shares and the latter 2.

C

B

D

It is submitted that the petitioners have not made out ~~no~~ any case for a deviation from the prescribed rule. The Paymaster proposes that, in accordance with G.O.No. 422 Poll., d/ 28-6-95, the shares of Nos. 2, 7 & 8 in the list given above should be paid in the shape of monthly stipends. The amounts in the cases of two latter viz.Rs.1-4-11 (the Paymaster has entered Rs.1-14-11 against No.8, an obvious mistake) are perhaps too small to continue as monthly stipends. It ~~is~~ was not intended that G.O.No.422, d/ 29th June 1895 should be absolute and that the pensions of female stipendiaries should never be commuted . The two females would probably be much better off with bonuses than with ~~the~~ pittances of Rs.1-4-11 each

It is submitted that the Paymaster's proposals may otherwise be approved and the petitioners informed that Govt. sees no reason to depart from the general rule in the present case.

ORDER No. 5638 21st August 1896

The distribution of the stipend of the late Carnatic stipendiary Ghulam Hasan Muse Raza proposed by the Paymaster, Carnatic Stipends is approved and the disbursement of the bonuses specified in para 2 of his letter as well as the investment of that of Muhammad Ni'amat-ulla ~~is~~ are sanctioned. The Govt. considers, however, that the amounts to be paid to Batula Begam and Amir Begam, the nikahi daughter and nikahi widow (Rs.1-4-11 and not Rs.1-14-11 as incorrectly stated by the Paymaster against the latter) are too small to be of use as stipends. They will therefore be paid as bonuses and the Paymaster will submit the necessary age and health certificates.

2. The petitioners mentioned above will be informed that the Govt. sees no reason to depart from the general rule as regards the scale of distribution of Carnatic stipends in the present case.

3. The attention of the Paymaster will be drawn to the fact that these petitioners have obtained information, by ~~namely~~ the amounts continuable to them which they should not have been in (from orders)
