No. 347 of 1896. Paymaster Carnatic Stipendiary Office Chepate 1st September 1896.

From

Colonel H. S. Stewart I. S. C.
Paymaster Carnatic Stipendiary
Chepate.

To,

The Chief Secretary to Government
Fort St. George.

Sir,

I have the honor with reference to Para. 3. of G.O. No. 563, dated 21st August 1896. "Political", to submit the following remarks for the information of Government.

2. Agreeable to the system established by my Predecessor since 1887, when application for Commutation of Carnatic Stipendiary's pensions is made for the orders of Government; a notice containing full particulars is posted on a prominent part of the office for the information of those concerned, cautioning all to refrain from having any monetary transactions with the subordinates of this office, and on receipt of orders of Government, another notice is posted; this explains how the petitioners alluded to in the G.O. (already quoted) obtained the information of the amounts recommended to be continued to them respectively. Colonel Underwood was so particular in observing this arrangement that on one occasion of its neglect he placed his Head Clerk (the present Manager) under suspension. In cases of doubt or where it is advisable Carnatic stipendiaries should not know the particulars.

iculars of applications made on behalf of them, of-
wise. These instances have been always treated as
special and Confidential ones.

I respectfully request instructions on this
matter as to whether I am to continue the prac-
tice above described or should these applications
for commutation be all treated for the future
as "Confidential."

I have the honor to be

Sir

your most obedient servant

J. S. Tidwell Colonel
Paymaster General's Office
The State.
