ORDER thereon, No. 3984, dated 3rd Oct. 1895.

In October 1894, His Highness the Maharaja of Travancore ceded to this Government the abkari jurisdiction over the Periyar camps on condition that the net revenue realized by the Government should be paid to him after deducting the expenditure incurred in raising the revenue and for administering Police and criminal jurisdiction in the camps.

In the papers marginally noted, the Dewan requests that the net revenue due for the Travancore year ending with 15th August 1895 may be remitted to his office.

In G. O. No. 306 Political, dated 27th March 1895, the Collector of Madura was directed to submit an account showing the gross revenue realized and the actual expenditure incurred during the official year. Orders will be issued to the Collector to make up the account for the Travancore year as apparently desired by the Dewan.

The abkari jurisdiction was taken over by this Government on 11th October 1894, the date on which the Super-

Superintendent of Works issued temporary licenses for the sale of liquor. The gross revenue realized from this date to the 15th August 1895 is shown in Statement No. I appended to this order.

No expenditure appears to have been incurred in collecting the abkari revenue. Before calculating the cost of maintaining Police and Magisterial establishments, it is necessary to settle the date from which the deduction of charges to take effect. In the Resident's telegram dated 18th Sept. 1894, it was stated "Deduction to take effect from date revenue collected by British". But in the subsequent communication by letter Ref. No. C. No. 2978 dated 22nd idem, the following words were used:—"the deduction to take effect from the date the abkari revenue is collected by British officers under the British Abkari Act". The notification applying the Act to the Periyar camps dated 21st February 1895 was published in the Fort St. George Gazette on the 5th March 1895. It has to be decided whether the charges should be deducted from 11th October 1894 or 5th March 1895. The Resident in Travancore and Cochin will be requested in the Political Department to ascertain how the Travancore Government has understood the arrangement.

In the meantime the Board of Revenue is requested to direct the Collector of Madura to verify the figures in Statement No. I referred to in para 4, and in Statements II & III showing respectively the expenditure incurred from 11th Oct. 1894 and 5th March 1895 to the end of the Travancore year. Similar statements should be prepared for the Travancore year ending 15th August 1895 and submitted through the Accountant General.
