SUBJECT

Reporting that in obedience to Govt. Order 2nd 456 Political, the French Government was addressed in the terms therein suggested and that no reply has yet been received.

For Orders

I think the course proposed below by H.S. the Secy. & C.S. should be adopted.

Please see the note flagged K in the original of G.O. No. 456 Political dt 22.7.96. Orders are solicited as to whether the Governor of the French Settlements should be addressed as proposed in course (ii) in that note

C.S. 22.x.96

course (i) has been tried to no purpose. If this Govt were now to announce formally to H.E. the Govr. of the French Setts. its intention to proceed under Art. X of the convention it wd. probably have much more effect than a letter of remonstrance & a request for an assurance &c. as proposed in course (ii)
