The 16th Sept 1896.

Sir,

I beg leave to inform you with reference to

para 11 of G.O. 438 P. of 11 July 1896 that the Cochin Government is disposed to borrow the services of a British Forest Officer, should one be available for the purpose of making an investigation into the present condition, & present needs of the State forests, in view to reorganising its Forest Department.

Presumably a Deputy Conservator of experience - acquired preferably in Malabar or at any rate on the West Coast - would be suitable, & I think the Sirs would

REVENUE

gladly pay the salary of such an one plus
a deputation allowance of Rs 10/- per
month, for a period not exceeding
three months. Within this period I think
a full enquiry & report could be
made.

Further details could perhaps
with advantage be settled, when I know
whether Government can spare an officer
suited for the purpose indicated.

I am quite sure that none
such is available in the service of the Cochin

28
Government & that the forest management
into which I have enquired at Cochin & Trichur
is one of the weakest spots in the
administration. November & December would be
good months for touring in the Forests here.
I write this letter after discussion
with, & with the concurrence of, His

Highness The Raja & the Diwan.

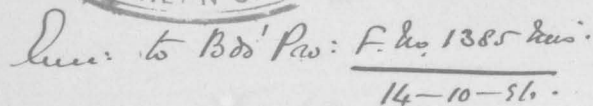

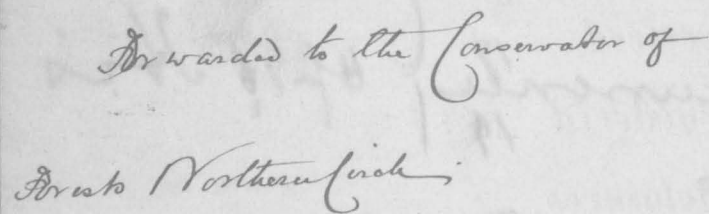

I have the honour to be, Sir,

Your most obedient servant

J. R. S.
