Sir,

With reference to your Endorsement No. 2410 dated 19th Instant, on petition Current No. 1507, I have the honor to report that the petitioner Mohammad Munawar Sahib is a late Carnatic Stipendiary of good family who was drawing a monthly Stipend of Rs 11-10-8 which he committed, vide, G.O. No. 478 dated 12th September 1889 "Political", and has good expectations of becoming well off from private Sources. He is 26 years old and bears a good character as far as I am aware. He does not, in my humble opinion, appear to me in any way, to merit such a Singular favor as the one he prays for, i.e, that His Excellency the Governor should give him a letter to the British Resident at Hydarabad Deccan with a view to an introduction to His Highness the Nizam.

FOR ORDERS

The above currents relate to an application from one Muhammad Munavar for an introductory letter from H.E. the Governor to the Resident at Hyderabad asking the latter to present him to H.H. the Nizam. In the second current the petitioner instances cases in which Muhammadan gentlemen going to Hyderabad obtained similar letters from Lord Wenlock. The Paymaster's report on the petitioner's request is contained in C. No.1546. He states that Muhammad Munavar commuted his stipend of Rs.11-10-8 in 1889 (G.O.No.478 Poll., d/ 12th Septr. 1889; that he has good expectations; and that he is 26 years of age and bears a good character. Col: Stewart does not, however, consider that Muhammad Munavar merits the singular favour of a letter from H.E. the Governor to the British Resident at Hyderabad.

2. Attention is solicited to G.O. No.157 Poll., d/ 8th March 1894 and the notes therein (flagged B). It will be seen that Muhammad Munavar then applied for a pedigree certificate to enable him to obtain employment at Hyderabad but

that

that partly on the ground that these certificates are, under G.O.No.322 Poll., dated 22nd April 1887, restricted to stipendiaries in receipt of Rs.30 per mensem and upwards, and partly because the petitioner brought forward no special reasons for a departure from that rule, the Govt. declined to comply with his request. In his first letter contained in the present currents, the petitioner simply states that he intends to pay his respects to H.H. the Nizam. In his third letter (D.No.1543) he mentions that he is anxious to go to Hyderabad at an early date in order to attend the marriage ceremony of one of his intimate friends on the 28th instant.

3. It is submitted that an introductory letter from H.E. the Governor is not by any means called for and that the petitioner has not even made out a case for a pedigree certificate. In fact, his position is very much the same as it was in 1894. It is proposed to say:--

ORDER No 824 dt 30-11-96

Whether Lord Wenlock did or did not give introductory letters to the persons mentioned by the petitioner cannot affect his case.

The petr. informed me personally that he had written a book or a poem laudatory of the Nizam & hoped it wd. meet with a better reception if he presented it under the auspices of an introduction from the Resident than if he sent it by post. The application I submit to be rejected. MA.
