To

The Hon'ble Mr. J. D. Rees C. I. E.

Ag. British Resident in Travancore and Cochin

Sir,

I have the honor to inform you that His Highness the Raja proposes to leave Tripunittura on or about the 23rd Proximo on a tour to Madras and Bombay, and to request that you will be good enough to make the necessary arrangements for the reception suitable to his rank being given to His Highness at the places he visits. As their excellencies the Governors of Madras and Bombay will be in residence there at the time of the visit, His Highness wishes to avail himself of that opportunity to visit their Excellencies.

2. I beg further to inform you that His Highness is anxious that the Resident should accompany him in his tour, as the presence of the Political Representative cannot fail to be advantageous and convenient to His Highness, especially in view of the visit which he expects to pay the Governors of Madras and Bombay. I therefore request that you will be so good as to secure the necessary permission to accompany His Highness.

3. A copy of the probable programme of His Highness's tour is herewith enclosed, which will not require any considerable alteration, unless the Railway authorities with whom I am in communication suggest any to suit their convenience for running special trains through the various stages of the tour, or unless any of the intermediate stations are reported on unfavourably by the party sent in advance to inspect them.

A fixed programme will be forwarded to you as soon as practicable, for suitable arrangements being made for His Highness's reception at the different stations and for the necessary assistance being rendered to His Highness's party by the local authorities.

4. I beg to state that my Acting Secretary Mr. C. Achyutta Menon, is deputed by this Government to inspect the various stages and to make the necessary arrangements for the accommodation of His Highness and suite which will consist of about 120 men.

THE HON'BLE MR. BLISS, C.I.E.

THE HON'BLE MR. GROSE, C.I.E.

Tour of H.H. the Raja of Cochin

FOR ORDERS.

asst.
The Resident in Travancore &
submits
Cochin for orders copy of a
letter from the Dewan of Cochin.

The two points for orders
are (1) that the programme
of the tour of H.H. may
have to be altered and

(2) that the Raja desires
that the Resident should
accompany him to
Madras and Bombay.

As regards (1), copies of the
programme will not be
communicated to the Bombay
Govt. and to officers
concerned until it is definitely
settled. Go. no. 828-9 B 2-12-96
(abstract put up) which is now
in the press will not be issued

for the present. The Bombay Govt. complained in 1893 of numerous changes in the programme of the Raja's visit to Bombay.

1893 - 80. No 219 Poll 8 17-4-93. B

As regards (2) it is submitted that the Raja of Cochin leaves Cochin on the 25th Decr, arrives at Madras on the 26th, and at Bombay on the 12th Jan'y and leaves Bombay on the 2nd February 1897. The Raja does not require the Raja Resident to be with him after the visit to M.R. the Governor of Bombay. What the date of the visit ^{will be} is not known. In any case

It appears that the Resident will have to be away from his charge for about five weeks unless the Raja visits the Governor of Bombay immediately on his arrival on the 12th Jan'y. Attention is solicited to the notes under cover of 80. No. 741 Poll 8 16 Decr 1892 in which the Govt. declined to permit the Resident to accompany the Raja of Cochin to Calcutta for a period of 6 weeks partly

The Resident may be told that no arrangements can be made for the Raja's tour until he definitely states his programme which will be adhered to.

HL

8.12.96

The Resident is Resident of Travancore & Cochin & Cochin is a minor state. It wd. be very objectionable to take the newly apptd. Res. away from his charge to go to Bombay, & there seems no good reason for his coming to Madras.

The Asst. Res. might go to Madras & to Bombay. Though it is a question whether any official should go to Bombay. Perhaps the Asst. Res. may go.

HL

I concur with the above.

8.12.96

partly because the Resident was then a newly appointed officer and partly because six weeks was "too long a period for the Resident to be absent in attendance on Cochin who is a chief of much less importance than Travancore". The Govt., however, permitted the Assistant Resident to accompany the Raja.

The present case appears to be quite similar to that disposed of by 80. No 741 Poll 8 16 Decr 1892.

As regards the debit of the additional expenditure that will be incurred if the Resident or the Assistant Resident accompanies the Raja please see the note flagged D in 80. No 832 Poll 8 11-12-95.

The principle is that ~~the~~ a Native State is debited with all additional expenditure consequent on the deputation of the Resident or other Political officer accompanying the Chief thereof when the latter takes

and is at all times

understand
a letter otherwise than at the request
or on the invitation of H.H. the Viceroy
or of H.H. the Governor. It is understood
that the Raja's visit on this occasion
is one for his own pleasure and, if so,
the Durbar will have to stand the
Sukra expenses.

As regards the request
that the Resident should accompany
the Raja, it is thought that it
is undesirable that Mr. Nicholson
should be called upon to undertake
a tour almost immediately after
taking charge of the Presidency. The
precedent of Decr 1892 (Flag C) should,
if it is submitted, be followed.

From the Diwan's letter
which forms one of the enclosures
to the letter read above it
appears that the programme

and in view of the representations
made by the Govt. of Bombay
in 1893 copies of the programme
will not be forwarded to that
Govt. and to officers concerned
until H.H. definitely states a
programme which will be
adhered to.
