G.O., No. 819, Political, dated 25th November 1896.

*Read*—the following papers :—

From the Hon'ble J. D. REES, C.I.E., Acting Resident in Travancore and Cochin, to the Chief Secretary to the Government of Madras, dated Trivandrum, 16th September 1896.

I beg leave to inform you, with reference to paragraph 11 of G.O., No. 438 P., dated 11th July 1896, that the Cochin Government is disposed to borrow the services of a British Forest officer, should one be available, for the purpose of making an investigation into the present condition and present needs of the State forests, in view to re-organizing its Forest department.

Presumably a Deputy Conservator of experience—acquired preferably in Malabar or at any rate on the West Coast—would be suitable, and I think the Sirkar would gladly pay the salary of such an one *plus* a deputation allowance of Rs. 10 per diem for a period not exceeding three months. Within this period, I think, a full inquiry and report could be made.

Further details could perhaps with advantage be settled when I know whether Government can spare an officer suited for the purpose indicated.

I am quite sure that none such is available in the service of the Cochin Government and that the forest management into which I have inquired at Cochin and Trichur is one of the weakest spots in the administration. November and December would be good months for touring in the forests here.

I write this letter after discussion with, and with the concurrence of, His Highness the Raja and the Diwan.

*Read*—again Board's Proceedings, Forest Mis. No. 1385, dated 14th October 1896, communicating to the Conservators of Forests, for very early report, Government Order communicating letter from the Resident in Travancore and Cochin requesting that the service of a District Forest Officer may be lent to the Cochin State for three months in view to re-organizing its Forest department.

Read—letter from E. P. Popert, Esq., Conservator of Forests, Central Circle, Madras, dated 17th October 1896, No. 602, informing the Board that the only officer who served on the West Coast is Mr. Foulkes, a Deputy Conservator of six years' service, and that he could manage without him for two or three months.

Read—also letter from A. W. Peet, Esq., Conservator of Forests, Northern Circle, dated 1st November 1896, Dis. No. 302, stating that there is no one to recommend for deputation for three months to Cochin.

Resolution—Forest Mis. No. 1478, dated 13th November 1896.

In reply to endorsement, No. 1915-R, dated the 8th ultimo, the Board resolves to submit the name of Mr. F. Foulkes for the appointment in question.

It seems to me that the position created is that the Madras Govt. can sanction the transfer of Mr. Foulkes (806. cl. ii (a)) & Govt can give him this pay (826. cl. iv (a)) but must report the matter for the information of India under Rule 806. cl iv. of the C.S.R.

G.No. 1620

SUBJECT.

Loan of Mr. Foulkes' services to the Cochin State

DERS.

In his letter d/ 16th Septr. 96, the Resident in Travancore and Cochin intimated that the Cochin Darbar had to secure the services of a British Forest Officer for the purpose of making an investigation into the present condition and the present needs of the State forests in view to reorganizing its Forest Dept; and that the Darbar would pay the salary of such an officer plus a deputation allowance of Rs.10 per diem for a period not exceeding three months, within which the enquiry and report could probably be completed. The Board in its resolution No.1473, d/ 13th Novr. 1896, reported that Mr. Foulkes, who is now serving as District Forest Officer, Cuddapah, was formerly on duty in S.Canara and that his services could be spared for two or three months and that he could be relieved if deputed for special duty immediately.

The Resident in G.No.1620 telegraphs that the "Darbar accepts Mr. Foulkes' services and agrees to the terms".

Will fall under Foreign service of the first kind and attention is solicited to art:806 of the C.S.R. As Mr. Foulkes belongs to the superior branch of the Forest dept: clause (iii) of art: 806 as regards the necessity for ten years qualifying service being necessary does not apply to him. As regards his emoluments, the case seems to fall under sub-clause (2) of clause (iv) which rules that if an officer is transferred to a post the duties of which entail unusual responsibility and require special capacity, his pay shall not exceed the pay ordinarily allowed for similar duties in British service. Rs.550 per mensem. The pay proposed by the Darbar would amount to Rs.850 per mensem and orders are solicited whether the sanction of the Govt. of India should be obtained to the temporary transfer with reference to clause (ii) (a) of art:806 of the C.S.R. Art: 815 (a) of the C.S.R. rules that no contribution should be levied from an officer who is transferred to Foreign service for a special temporary duty not lasting more than six months and this can be applied to Mr. Foulkes' case.

The Resident intimated that "a Dy. Conservator of experience" was the kind of man wanted, and the work he was wanted for viz. an investigation in view to reorganizing the Forest Dept. is obviously that of a Conservator. Mr. Foulkes who is only an Asst. has been selected though he may be a young officer to be entrusted with such responsible duties, he is entitled to the advantages of the position. The lowest grade +
