READ—the following papers:—

From the Hon'ble Mr. J. D. REES, C.I.E., Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 18th November 1896, Ref. on C. No. 3594.

The Diwan of Travancore informs me that the Peermaad village, wherein is included the land leased to the British Government in connection with the Periyár head works, will be taken up for survey early in December next, and requests that arrangements may be made to depute a British official to attend the demarcation and survey. I have therefore the honour to request that Government will be pleased to order the officer in charge of the Periyár works to depute a competent officer accordingly or to make such arrangement as the circumstances require.

From the Political Department, dated 25th November 1896, No. 2463.
To the Superintending Engineer, VI Circle, dated 8th December 1896, No. VI/49 P.R.

From A. JOYCE, Esq., Executive Engineer, Madura Division, to the Superintending Engineer, VI Circle, dated 13th January 1897, No. 511 S.E.

With reference to paragraph 2 of your endorsement, No. 1571 M.D., dated 14th December 1896, on copy of Chief Engineer's memo., No. VI/49 P.R., dated 8th idem, I have the honour to inform you that Sub-Overseer E. S. Venkatarama Iyer has been deputed to attend to the demarcation and survey of the Periyár and the preparation of the map in connection with the Periyár head works under the supervision of Mr. A. C. E. Vas, Sub-Divisional Officer, Dindigul.

No. 49 M.D.

Copy submitted to the Chief Engineer for Irrigation for information, with reference to paragraph 3 of his memo. No. VI/49 P.R., dated 8th December 1896, the enclosure of which is herewith returned.

From the Resident in Travancore and Cochin, dated 27th January 1897, Ref. on C. No. 220.
„ the Political Department, dated 1st February 1897, No. 258.

No. 258.

Transferred to the Public Works Department, in continuation of endorsement, No. 2463, dated 25th November 1896.

1st February 1897.

(Signed) W. FRANCIS,
Acting Under Secretary.

No. 22 I.

The Superintending Engineer reported on 13th January that Sub-Overseer Venkatarama Iyer had been deputed to attend the survey party, and it is presumed that he has joined before now. His duty will be merely to see that the demarcation stones are fixed correctly and it seems scarcely necessary to delay the work pending his arrival.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

4th February 1897.

ORDER—No. 140 I., dated 12th February 1897.

The arrangements made by the Superintending Engineer, VI Circle, in connection with the demarcation and survey of the Peermaad village are approved.

2. The Superintending Engineer will see that definite instructions are given to the Sub-Overseer regarding the boundaries to be demarcated.
