NOTE FOR THE ^{asst} ~~CHIEF~~ SECRETARY.

I began a note for
orders on this report but
find that I cannot go
on with it owing
to the statement pre-
pared by the P.C.S.'s
office not bearing
out the Hon'y Secy's
Report

Please see para. 5 of the report. It is not understood how the Harry Secy gets his figure Rs 649-4-
Again he states that a sum of Rs 101-4 is in the Treasury cash chest whereas in the statement B the amt in the cash chest in the P.C.S.'s office is shown to be Rs 178-4, and Rs 77 would thus be unaccounted for.

It would appear
as if the P.C.s.

Please have Lenox send it
 should so affable. I
 only looked at your
 letter regarding the number
 of birds. I did not go
 further.

statements recast
and that there
has been some
mistake made
but by whom
it is not clear

As this report
will have to be
printed it is
submitted that
such discrepancies
cannot be allowed
to pass. Even if
the P.C.S. state-
ments are correct

Under § 97
of 1913 (D) the foot
grant depends on
the administration
of the funds being kept
in the hands of the
P.C.S. and any dis-
crepancies therefore even if only apparent
should be pointed out by him

The memo asking
for the original statement A
was put up because
that statement was printed in
last year's report vide K

NOTE FOR THE Chief Secretary.

The Paymaster General's Statement
sent in on 8/2/17 The Hon. Sec.
Annual report on the working
of the Muhammadan Gosha
widows Aid Charity with two
Statements A & B. In the body
of his report reference is made
to certain statements, A & B,
but it was found that these were
apparently not the statements
as now forwarded by the P.C.S.
Ch. Stewart on therefore asked to
send in the original statements:

(It was supposed that he must
have made some alterations in his
copy & kept back the originals).
He now says that there were no
originals. The Hon. Sec. then he
with his report & referred to
Statements A & B had never
seen any such statements: they
were not then in existence as
they were to be made by Ch.
Stewart as Treasurer & forwarded
to Govt with the Sec's report.
The statement B conflicts
with para 5 of the report &
the P.C.S. will have to be able
to explain the discrepancies

It is submitted that it is
 the duty of the P.S.C.
 to see that the statement
 made by him bears out the
 report - or if the report was
 incorrect to have it corrected.
 A good deal of time has been
 wasted in the office in trying to
 find out where the mistake
 is. Should any remark be
 made as to this carelessness in
 sending back the report for
 explanation if discrepancies
 or ^{the better} way it be left till the
 final order is passed regarding
 the report?
