In Order

In reply to the telegram of the 20th asking whether the previous permission of this Govt was not necessary to the factwan bringing an armed escort with him to Ootacamund India refers to Home Dept. Not<sup>n</sup> No 518 d<sup>y</sup> 6-3-1879 which permits ruling chiefs to be accompanied by an armed retinue. India states <sup>however</sup> that if the strength of the escort is considered excessive Govt should address the Agent to the Governor General at Baroda, who will refer the matter to the Foreign Dept.

The telegram adds that the Agent to the Gov. Genl. has been instructed to inform this Govt of the train by which the Repine will travel with a view to careful performance of the usual medical examination

This therefore dispo

of that part of the  
Agent's letter requesting  
that the return might  
be exempted from  
the necessary <sup>inspecting</sup> ~~expenses~~

The total following  
is to be 175 strong.  
but the armed guard  
will number 30,  
<sup>viz</sup> 10 sabres of H.H.'s  
Cavalry in advance,  
and 20 other armed  
retainers vide  
letter d/13-3-97 at N

The Agent has with  
out replied to the letter

CW  
25/3/97 flagged T

And  
25/3/97 The authority allowing Rules  
Chiefs, amongst others, to  
take armed retainers with

British territory was overlooked among  
other things under a notification  
under the Arms Act.

The event which the Government proposes  
to bring is small and there seems  
to be no necessity for objecting to  
it.

From what is said regarding the  
event it is clear that the Govt.  
of India will back this Govt. up  
in the matter of enforcing medical  
examination of H.H.'s retinue.

H. E. THE GOVERNOR. (1)  
THE HON'BLE MR. BLISS, C.I.E. (2)  
THE HON'BLE MR. GROSE, C.I.E. (3)

SUBJECT.

Telegram from the Resident, Bristol.

FOR ORDERS.

File returned from H.E. Mr.  
Grosvenor this (19th) morning  
submitted  
C.I.E.  
29.3.97

This being Sunday previous papers are not  
available.

That the Resident was told was that if the  
absence of health was given by H.E. Mr.  
Grosvenor, the Resident would be  
a Commissioned Officer of the  
Musharrai the Prison and Prisoners would  
be allowed to pass through without  
undergoing medical examination but  
that the rest of the party must be  
subjected to it.

That the Resident now wants is that a  
clean bill of health given at starting  
by a Commissioned Medical Officer shall  
pass H.E. the Musharrai and their children  
through. It is perhaps that intended that  
this should be supplemented by the  
Certificate (given at the <sup>last</sup> Hospital training  
station) of H.E.'s personal medical  
attendant.

Sancho there would be no objection to take  
 the certificate mentioned by the Resident  
 plus that of the personal medical  
 attendants at each intervening station.  
 His Lordship also doctor or he would expect  
 demanded.

MS  
 28/3/97.

Personally, I think we may  
 be satisfied with the arrangements  
 proposed. But the Hon. Mr. Bliss  
 settled this part of the business, and  
 he should see these papers.

I think this  
 may be allowed MS

 MS for Hon. 29/3/97

These papers were marked for MS but  
 instead of being sent on as marked have  
 been returned to me. The papers being MS  
 went back to the Hon. Mr. Bliss.
