Sir,

I have the honour to state that
the Peons who accompanied the Assistant
Resident to Madras while on deputation
recently with H. H. the Rajah of Cochin
were paid double the ordinary rate of
travelling allowance permissible under the
Civil Service Regulations under the ruling
of the Government of India contained in
para 2 of the Foreign Department letter
No 2061 P. dated 20th June 1890. (The Accountant
General has, however, now retrenched Rs 18-8
out of this, being a single Railway fare to
and from Madras, on the ground that the
Peons were not entitled to double Railway fare
but only to double batta. In support of

objects

objection, he argues that para 3 of G.O. No 867 Political dated 18th December 1896 allows only 'batta' and not Railway fare being regulated in accordance with the (Foreign Department letter quoted above.

2. It does not seem to me that this was intended by Government, since in para 3 of the Foreign Department letter no — distinction is made between batta and travelling allowance. It simply says "Double the Ordinary rate permissible under the Civil Service Regulations." which no doubt includes batta as well as travelling allowance. It was in this sense that the travelling bills of the previous special tours were drawn and passed by the Account Office

3. In these circumstances I beg to request that Government will be pleased to instruct the Accountant General to withdraw his objection against the double Railway fare drawn by the peons in the present instance. I may add that before receipt of this objection the whole of the travelling charges and

deputation

deputation allowance incurred on behalf of the Assistant Resident and his Peons including the sum of Rs 18-8-0 now objected to, was demanded from and paid by the Cochin Sirkar.

I have the honour to be,

Sir,

Your most obdt servant,

J. M. Maholin

Ag. Resident.
