To

THE Chief Secretary to Govt.
Political Department
Madras

Sir,

I have the honor to report that
Mr J. G. Firth, the Diwan of the
State of Sandoor, has resigned
his appointment, and that
the administrator wishes to
appoint M. Rly Thathandar
Naidu Sahoiban of Adoni
to the vacant office. He has
accordingly requested me
to ask the Government to lend
the services of M. Rly T. Kothanda
rama Naidu for employment
in that capacity on a salary

Rs 250 per mensem, the State paying the usual Contribution for his pension.

2. Mr K Ry T. Kothandarama Naidu is an officer of 26 years' service and he enjoys a high reputation for ability, energy, and integrity. Messrs Goodrich, Sewell and Fremantle here have recorded most favorable opinions regarding him and my short experience of his work confirms their estimate of his character. There is much scope for the legitimate development of the revenues and resources of the State of Sandur and it is in the public interest that the post of Diwan should be held by an officer of experience in administration. In these

Circumstances, I
Support the request of the
administrator for the loan
of the services of Mr K Ry
T. Kothandarama Naidu;
and as the duties of Diwan
are now being discharged
by the administrator, who is
suffering from indisposition
I request the favor of early
orders.

3. In his letter of resignation
Mr Firth asks, that in lieu
of a pension for his term
of 11½ years, he may be gra
furlough for ten months. I
have been unable to learn
that Mr Firth's tenure of the
office has been signalized
by any service of special

₹250 per mensem, the
[illegible] is undoubtedly in favour
of not only to an increase
in the staff of the Middleschool,
the introduction of a Conservancy
and lighting establishment
in the Village of Sandur and
some unspecified improvements
in the organisation of the police.
On the other hand, there has
recently been a serious loss
of abkari Revenue through
negligence and delay, and
except the trial of a murder
case in April, Mr Firth has
practically done no work
since December. I did not
gather that the Administrator
was desirous of granting
Mr Firth's request and the
condition of the finances of
the State prohibit any

expenditure beyond
[illegible] demands. I am
unable, therefore, to support
Mr Firth's application and
the Administrator has been
so informed by me.

4 Mr Firth's salary was ₹350
per mensem but after
consultation with me, the
Administrator proposes
to give his successor only
₹250 plus pensionary
contribution. This will leave
a margin for the reward
of good and approved
service in the future

For Orders.

Mr. R.Rg. T. Kodandarama Nayudu's present pay is Rs 200 (vide page 113 of the Quarterly Civil List) and his services are apparently available. The loan of his services to Saundur can apparently be sanctioned by this Govt. under Art. 806, subsection (IV) clause (2), Civil Service Regulations, although the net pay proposed is Rs 250

× A copy of the proceedings of this Govt. will, however, have to go to India.

Mr. Firth was first appointed Diwan under G.O. No. 677 Poll dy 26 "Septr. 1885 - He was previously to this, in British service and it is not known whether he draws any pension from the British revenues. If he does, the sanction of India is necessary to his drawing any pension or gratuity fro

State. It is

mended that the Political
ment may be asked to report
reminded if
on this point ruling.

I know Mr Firth: he was under me once more than 21 years ago & was then sick and utterly useless. I know that he has a British pension. He has done nothing for the State since he was Diwan. He has retired and as he has not served anything like the time that would entitle him to the British Service Pensions unless he was retired on medical certificate When he would get $\frac{11}{60}$ ths of his average emoluments (= 62.2.8 p.m.) it is submitted that he should have nothing. He was on leave for six months furlough
