Re: loan of Mr. Mackenzie's services
to the Cochin State as Chief Engineer.

C.No.892

H.E. the Governor

FOR ORDERS

Secy. to Govt., P.W.D.

for counterinitials ~~and~~ or remarks

The Cochin Darbar applied for ~~be~~ the services, ~~as a~~ on loan for about four years, of an officer of the Madras P.W.D. to fill the post of Chief Engineer in that State which had fallen vacant in consequence of the death of Mr.Hudson. The P.W.D. was referred to and Mr. A.T. Mackenzie , Executive Engineer, intimated his willingness to accept the post on certain conditions, one of which was that the Darbar should wait for his services until November when the leave on which he was proceeding would expire. -vide papers in G.O.No.175Pol., d/ 17-3-97.

A

2. In the present current the Resident reports that the Darbar will wait until Mr.Mackenzie's return from furlough in November and is willing to accept his services on the terms proposed.

3. The terms of the appointment are

Secy to Govt
R 21/5/97

are briefly

(1) that Mr. Mackenzie shall receive Rs.200 in excess of his present pay bringing his emoluments to Rs.1050 per mensem;

(2) that he shall be granted exchange compensation allowance upon the enhanced pay of Rs.1050 ;

(3) that he shall draw travelling allowance according to the scale which would apply to him in British service;

(4) that he shall be granted free quarters;

(5) that he shall be supplied with tents;

(6) that the Cochin State shall pay direct to the Acct. Genl, Madras, the pensionary contribution on account of Mr.Mackenzie and

(7) that there shall be no formal agreement for a fixed period.

The transfer appears to fall under sub-clause (2) of clause (iv) of article 806 of the C.S.R. as the duties which will be entrusted to Mr. Mackenzie will entail unusual responsibilities and require special capacity and it seems to be admissible under that sub-clause, as the pay offerred (Rs.1050) is not above what would be ordinarily allowed for similar duties in British service. Under clause (iv) of article 806, the transfer will have to be reported for the information of the Govt. of India in the Foreign Dept:

5. One point however in connection with this subject has to be remembered viz that if the monsoon is not favourable, it may not be possible to spare Mr. Mackenzie's services in November. This is a matter for the P.W.D. to decide and until it is perfectly certain that his services will be available, no opinion undertakable to pass any order as to order of transfer will be passed.

I think the Cochin Durbar should be informed to the effect

21/5/97

Cus 21/5/97

The season will have declined half one long or the other long before he returns. The Durbar may be informed that if the services of Mr. are not found to be needed on account of famine they will be placed at the disposal

Sd 21/5/97
