Education of the school-going Kandyan boys in the Tanjore district.

Forwarding to the Ceylon Government a report on the — for 1896, and directing that the report be added to the list of periodical reports and returns in G.O., No. 716 of 1896.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following paper:—

From W. B. AYLING, Esq., Acting Collector and Government Agent, Tanjore, to the Chief Secretary to Government, Political Department, dated 3rd June 1897, No. 60.

I have the honour to report as follows on the education of the school-going Kandyan boys in the Tanjore district for the year 1896.

2. The number of boys under education during 1896 was 32 against 34 in 1895. Out of the 34 boys at the end of 1895, the names of six were struck out on their attaining the age of twenty, as per G.O., No. 721, dated 28th October 1895, and one

boy by name Abboy (one of the sons of the late P. Venkatasami Raja of Negapatam) discontinued studies on account of his illness. There thus remained 27 boys at the beginning of 1896. The five boys, Nos. 17 to 21 in the statement herewith submitted, were admitted during the year, and the total on the roll was 32 at its end.

3. The total amount spent during the year on education, including salaries paid to private tutors and food allowance, was Rs. 3,008-6-8, as particularized in the margin.

4. A statement showing the names of the boys, particulars of the cost of their education, their progress, &c., and the progress reports, in original, received from

the heads of the various schools in which these boys were reading, are herewith submitted.
